ENSR | AECOM

Proj# 09090-107

Notes:
1) Aerial photo base map from 2003 National Agricultural Imagery Program (NAIP); obtained from NHGRANIT.
2) Land use polygons were compiled by ENSR from 2007 CTAP LU polygon data, Land Cover raster data, and National Wetlands Inventory (NWI) data obtained from NHGRANIT, City of Manchester GIS Drainage Pipes, Points and Network Junctions, and from windshield survey information.
