Subject: credit reports and fraud alerts

Good afternoon:

Please read the email below from our Anthem rep with some valuable information regarding ways to obtain a free credit report. You may also consider placing a fraud alert on your credit file, which allows creditors to contact you before any new credit accounts are opened or changes are made to your existing accounts.

Please be assured that Anthem is not aware of any fraud that has occurred as a result of the recent cyber attack. It is meant as helpful information that you can use to assess your current accounts and to safeguard them.

Regards,

Jane

We are not aware of any fraud that has occurred as a result of this incident against our members, but all impacted members will be enrolled in identity repair services. In addition, impacted members will be provided information on how to enroll in free identity repair and credit monitoring services.

We recommend that members regularly review statements from their accounts and periodically obtain credit report from one or more of the national credit reporting companies. Members may obtain a free copy of your credit report online at **www.annualcreditreport.com**, by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

As a precautionary step, members may wish to place a fraud alert on their credit file. A fraud alert tells creditors to contact you before they open any new accounts or change existing accounts. Members can call any one of the three major credit bureaus listed below. As soon as one credit bureau confirms a fraud alert, the others are notified to place fraud alerts. All three credit reports will be sent to the

member, free of charge, for review.
