Burglary Reported at Wildlife Taxidermy

Manchester Police responded to Wildlife Taxidermy, 2188 Candia Road on May 16 at 12:45 a.m. for a burglary alarm. Officers noticed a small hole in the back of the business, so a K-9 responded to the scene and checked the building with negative results.

A representative from Wildlife Taxidermy responded to the scene and together they reviewed the security footage. They observed a Caucasian male, unknown height, weight and age walking inside of the closed business. He appears to be wearing a homemade white hat, black jacket, gray undershirt, reddish brown boots, blue jeans and white and black colored work gloves.

He removed a shotgun from the shelf, as well as 30 boxes of ammunition from the shelf. The shotgun is valued at $500.00 and the ammunition is worth $366.00. If you recognize this man in the photograph, please contact Detective Matt Barter at 603-792-5500 or Manchester Crimeline at 603-624-4040.
