Several Vehicles Shot At Overnight

Manchester Police detectives have been investigating an overnight gunshot call involving three damaged vehicles. The incident was reported at 5:05 a.m. today by a woman who resides at 386 Rimmon Street.

Christina Lopez, 40-years of age, reported hearing multiple gunshots in the area. Officer William Dann responded and observed three vehicles had been struck by several bullets. Lopez' 2000 Honda Accord sustained damage to the rear quarter panel.

A 2013 Hyundai and 2000 Honda Accord were also damaged in the incident. The Hyundai had multiple bullet holes in the driver's side door. It belongs to Singh Mahat of 383 Rimmon Street. The Honda is owned by Mohamed Keita who also resides at 383 Rimmon Street. Keita's Honda sustained a broken window and a damaged door.

There is no suspect information at this time, but it appears this may have been a random act of violence. Fortunately, no one was reportedly injured as a result of the reckless conduct. The investigation is ongoing and no further information is available at this time.
