TRAFFIC SIGNAL TECHNICIAN

(Announcement Number R-059-14)

Grade 15

Starting Pay: \$17.94 per hour – plus extensive benefits package

THE JOB:

Install, repair and maintain traffic control equipment. The work is performed under the supervision and direction of the Traffic Signals Supervisor but considerable leeway is granted for the exercise of independent judgment and initiative. The nature of the work performed requires that an employee in this class establish and maintain effective working relationships with other City employees, outside contractors, vendors and the public. The principal duties of this class are performed in a general shop environment and an outdoor work environment with potential personal hazards. This position may require the handling of hazardous waste.

MINIMUM

QUALIFICATIONS:

High School Graduate or possession of a GED supplemented by additional training in electronics; and considerable experience in electrical repair operations; or any equivalent combination of experience and training which provides the knowledge, skills and abilities necessary to perform the work.

Class B CDL required

NOTE: Offer of hire conditional on: 1) candidate's ability to complete essential job functions, with or without accommodations, as determined by medical exam, and 2) a negative drug test.

APPLICATION

PROCEDURES:

Although submission of a resume is optional, candidates must complete a City of Manchester Employment Application, available at City of Manchester website (Human Resources/Job Application Instructions) or in person at HR Dept. City Hall Annex.
