AGENDA

COMMITTEE ON COMMUNITY IMPROVEMENT

August 2, 2010
Aldermen O'Neil, Ludwig,
Shea, Craig, Greazzo

6:15 PM
Aldermanic Chambers
City Hall (3rd Floor)

1. Chairman O'Neil calls the meeting to order.

2. The Clerk calls the roll.

3. Presentation from Peter Capano, Chief of Parks, of the Stormwater Analysis Report – Ray Brook Stormwater Study.
Ladies and Gentlemen, what is your pleasure?

4. Communication from Sam Maranto, CIP Manager, informing the Committee that the lease of the City owned building at 177 Lake Avenue is up for renewal.
(Note: This item is being sent to the Committee on Lands and Buildings and is informational only for the CIP Committee.)

5. Petitions for discontinuance of Lincoln and Hayward Streets, submitted by Kevin Sheppard, Public Works Director.
(Note: A review of the petitions has been submitted by the Planning & Community Development Department.)
If the Committee so desires, a motion is in order to refer the petition to a Road Hearing at a date determined by the City Clerk.

6. Communication from Marie LaRoche, from the Namaske Lake Association, requesting $1,620 from the City, for the milfoil treatment done last month in Nameske Lake (aka Piscataquog River).
Ladies and Gentlemen, what is your pleasure?

7. Communication from the Goffstown Board of Selectmen regarding the former B & M Railroad Trestle.
(Note: This item has also been referred to the Committee on Lands and Buildings by the Board of Mayor and Aldermen on 7/6/10.)
Ladies and Gentlemen, what is your pleasure?

8. Communication from Sam Maranto, CIP Manager, on behalf of the Police Chief, requesting acceptance of a donation of a vehicle to the Police Department by the National Insurance Crime Bureau.
Ladies and Gentlemen, what is your pleasure?

9. Communication from Sam Maranto, CIP Manager, regarding installation of Elm Street banner poles.
Ladies and Gentlemen, what is your pleasure?

10. Communication from Sam Maranto, CIP Manager, regarding a request for funds in the amount of $16,000 for the Y.O.U. Program.
Ladies and Gentlemen, what is your pleasure?

11. Communication from Sam Maranto, CIP Manager, on behalf of the City Clerk, requesting approval to accept grant funds in the amount of $4,630 from the NH State Library to restore various records dating back to the 1850's and for such purpose an Amending Resolution and budget authorization have been submitted.
Ladies and Gentlemen, what is your pleasure?

12. Communication from Sam Maranto, CIP Manager, on behalf of the Police Chief, requesting approval to accept grant funds in the amount of $36,606 from the US Department of Justice to operate a multi-jurisdictional drug task force and for such purpose an Amending Resolution and budget authorization have been submitted.
Ladies and Gentlemen, what is your pleasure?

13. Communication from Sam Maranto, CIP Manager, on behalf of the Facilities Division, requesting approval to accept grant funds in the amount of $133,430 from Public Service and National Grid to be used to supplement the federal energy block grant and for such purpose an Amending Resolution and budget authorization have been submitted.
Ladies and Gentlemen, what is your pleasure?

14. Communication from Sam Maranto, CIP Manager, on behalf of the Parks Division, requesting authorization to enter into an agreement with the State DOT and to accept trail funds in the amount of $94,400 for the Piscataquog Trail Phase IV, CIP project number and for such purpose an Amending Resolution and budget authorization have been submitted.
Ladies and Gentlemen, what is your pleasure?

15. Amending Resolution and budget authorization providing for the increase of the Neighborhood Stabilization Program budget by $380,000 due to additional funds made available by the NH Community Development Finance Authority.
Ladies and Gentlemen, what is your pleasure?

16. Amending Resolution and budget authorization providing for the acceptance and expenditure of $50,000 for CIP #713510 Annual R.O.W Improvements.
Ladies and Gentlemen, what is your pleasure?

17. Communication from Sam Maranto, CIP Manager, on behalf of the Environmental Protection Division, requesting acceptance of ARRA funds in the amount of $2,875,000 from the NH Department of Environmental Services and for such purpose an Amending Resolution and budget authorization have been submitted.
Ladies and Gentlemen, what is your pleasure?

18. Communication from Sam Maranto, CIP Manager, on behalf of the Environmental Protection Division, requesting revision of project descriptions to reflect anticipated work and for such purpose revised budget authorizations for CIP Project #710410 Aeration System Upgrade & CIP Project #710610 Phase II CSO Engineering Services for Study & Design have been submitted.
Ladies and Gentlemen, what is your pleasure?

19. Discussion relative to a request by New Hampshire Minority Health Coalition for temporary financial assistance.
Ladies and Gentlemen, what is your pleasure?

20. Discussion relative to the Neighborhood Stabilization Program.
Ladies and Gentlemen, what is your pleasure?

21. Discussion relative to the First Time Homebuyers Review.
(Note: Attached is a request for loan approval.)
Ladies and Gentlemen, what is your pleasure?

TABLED ITEMS

A motion is in order to remove any item from the table.

22. Communication from the Kevin O'Maley, Facilities Division, submitting a list of projects to be completed under the recent bonding that was approved by the Committee.
(Note: Project #2 and Project #5 were tabled 7/6/10. An updated project list has been submitted by Kevin O'Maley and Karen DeFrancis and is attached)

23. Presentation by Kevin Sheppard, Public Works Director, regarding a vehicle locator system.
(Note: Tabled 6/7/10; additional information to be provided by the Highway Department regarding the cost changes and cost savings in relation to the MER Bond.)

24. If there is no further business, a motion is in order to adjourn.

Subject: Manchester Community Resource Center Lease Renewal

For the Committee's information, Reni Denton of the Manchester Community Resource Center has advised that the lease of the City owned building at 177 Lake Avenue is up for renewal. As would be expected she is requesting approval from the Board of Mayor and Aldermen for another five year lease of this facility at the same nominal fee of one dollar per annum. I have referred this request to the Lands and Building Committee as the appropriate sub-committee of the full Board to deal with such matters but wanted to make the Committee aware of the request.

re: *Manchester Municipal Complex*
Street Discontinuance

Dear Committee Members:

Attached, please find our request for the discontinuance of sections of Lincoln and Hayward Streets. The discontinuances are a necessary part of the new Municipal Complex.

Lincoln Street will be discontinued from the northerly property line of the Water Works property, southerly to Hayward Street. Hayward Street will be discontinued from Lincoln Street easterly to the westerly edge of the abandoned railroad right-of-way.

I will be available to address any questions or concerns you may have with this matter.

Sincerely,

Kevin A. Sheppard, P.E.
Public Works Director

cc: Mayor Theodore L. Gatsas
Timothy J. Clougherty, Deputy Director
Kevin O'Maley, Facilities Mgr.

Encl.

To the Honorable Board of Mayor and Aldermen of the City of Manchester:

The Undersigned respectfully represent that for the accommodation of the public there is occasion for discontinuing a portion of the highway known as Hayward Street.

Beginning at a concrete bound inscribed "ED" marking the intersection of the northerly line of Hayward Street and the easterly line of Lincoln Street; thence, N 89° 43' 28" W 389.64' along the said line of Hayward Street to the westerly line of the former Concord-Portsmouth Railroad, now owned by the City of Manchester; thence, by a curve to the left of radius 1964.53', a chord bearing of S 42° 12' 16" W 52.32' and length of 52.32' along the former railroad to a point; thence, S 41° 26' 29" W 15.29' by the former railroad to a point in the southerly line of Hayward Street; thence, S 89°43'28" W 344.33' along the southerly line of Hayward Street to the point of intersection of the said line of Lincoln Street; thence, N 0°03'05" W 50.00' across Hayward Street to the point of beginning.

Containing 18,338 square feet to be the same more or less.

Meaning to discontinue a portion of Hayward Street laid out by the Board of Mayor and Aldermen, recorded in the City Clerks records of Highways, Streets and Bridges book 3 page 113 and shown on plan 173 of the Manchester Highway Department.

He, therefore, requests you to discontinue the above-described portion of Hayward Street.

Dated at the City of Manchester, New Hampshire this 26th day of July 2010.

By: _____

Manchester, N.H. 03101

RE: Manchester Municipal Complex Street Discontinuances (portion of Lincoln & Hayward Streets)

Dear Committee Members:

This letter is being provided to the Committee in reference to the street discontinuance requests by the Director of Public Works.

As part of an overall plan to develop a new Municipal Complex on land currently owned by the City (approximately located between Maple, Hayward, Wilson and Valley Streets) a portion of Lincoln and Hayward Streets is being proposed for discontinuance. More specifically, Lincoln Street would be discontinued between the northerly and southerly boundary lines of the current Water Works property (TM 859, Lot 1), and Hayward Street would be discontinued between the westerly boundary line of the current Highway Department property (TM 109, Lot 2) and the westerly edge of the abandoned Portsmouth Branch rail ROW.

After studying this matter, we conclude that there are no apparent significant issues which need to be mitigated or which would substantially interfere with these proposed discontinuances. For example, any existing municipal underground utilities within the discontinued areas would still be under the control of the City and some vehicular traffic to abutting commercial properties can be reasonably rerouted over other local roadways. Thus, we concur with the Department of Public Works that it would be appropriate to discontinue the streets and forward the matter to hearing.

If you have any questions, staff will be available at your next committee meeting.

Sincerely,

David Beauchesne

JUL 26 2010
CITY CLERK'S OFFICE

To whom it may concern:

The Namaske Lake Association wishes to present to the Board information regarding the situation involving milfoil and the treatment of it in Namaske Lake (aka Piscataquog River). Information regarding the association and this problem can be found on our website at www.NamaskeLakeAssociation.com.

The major treatment took place on June 23rd, at the States direction, and the company applying the treatment reported to us last week that initial sampling yielded no signs of live milfoil in the treated areas.

Our lake is now under a long term management program, whereby state representatives will monitor and report on milfoil outbreaks in future years. Addressing these outbreaks will be the associations main goals now, but we expect this ongoing maintenance to be much less costly than last months major treatment.

It is our desire to maintain the Namaske Lake Association for the continued purpose of fighting the milfoil and addressing future outbreaks. We have had up to 125 members over the past few years, and if we can continue an annual fee of $10 per member, it should allow us the cash flow we expect to need going forward.

It should be noted that of all the money we have raised to date, 100% of it is being used to pay the treatment bill. Not one penny has been used for any other purpose. Even the costs of our website, mailings, and state and federal filing fees have been covered by donations outside the association.

The treatment last month will cost us $45,120. We are funding this with the $1600 we had in our account, a $5,000 donation from Enel North America (the operator of the Dam), $23,000 from the Town of Goffstown, and $14,000 from the State of NH. This still leaves us $1620 short.

The reason we request to present this to the Board is that there are homes on the Piscataquog River and citizens of Manchester who use the River for boating, swimming, fishing, and other recreational purposes. It is our hope that Manchester would consider helping in any possible way in keeping this body of water the way we know it to be.

Thank you for your consideration.

Sincerely,

Marie LaRoche

Re: Trestle

Honorable Mayor Gatsas & Board of Aldermen:

The Goffstown Board of Selectmen previously wrote to Mayor Gunita on June 2, 2008 concerning the former B & M Railroad Trestle located upstream from Kelly Falls Dam and its impact in contributing to the past flood events which occurred in 2006 and 2007. Debris buildup continues to be a concern for future events which can prove quite damaging to the citizens of both of our communities.

The Board is aware that funding has been received utilizing the existing trestle to carry the Piscataquog Trail over the river. We believe that this might be an opportune time for us to meet and discuss the bridge improvements, along with our concerns in the hope that certain decisions can be made in the bridge design to mitigate future negative consequences in possible flood events.

We would like to request a meeting between the Mayor, Board of Aldermen and the Board of Selectmen. Would you please contact our Town Administrator, Sue Desruisseaux to arrange a mutually convenient date and time? She can be reached at the phone listed on this letterhead. We hope we can conduct this meeting before you finalize the bridge design. Thank you for your consideration.

Sincerely,

Subject: Police Vehicle Acquisition

Chief Mara has written to Planning Director La Freniere advising him of the recent offer of a donation of a vehicle to the Police Department by the National Insurance Crime Bureau. The vehicle, as the attached letter notes, would be used by the auto theft investigator assigned to the Traffic Division.

Chief Mara is requesting that we forward this offer to the Committee and subsequently to the full Board with a recommendation for acceptance of this offer.

CITY OF MANCHESTER
Police Department

Mr. Leon LaFreriere
Planning Director
City of Manchester
One City Hall plaza
Manchester, NH 031010

Dear Leon:

July 16, 2010

The National Insurance Crime Bureau has offered the donation of a vehicle to the Manchester Police Department for use by the auto theft investigator assigned to the Traffic Division. The donation is the result of long-standing relationship between NICB and the MPD Traffic Division. The NICB Area 9 Director, Keith Carlough, recently had the opportunity to access a recovered stolen vehicle and decided to donate it for use by a local auto theft unit.

Our Traffic Division has worked closely with Agent Heidi Jordan for many years and NICB offers the donation in hopes of continued cooperation between law enforcement and the private sector in ingoing efforts to suppress auto theft and related crimes in the Greater Manchester area.

The vehicle, a 2003 Cheverolet Avalance pickup, with only 36,000 miles, has already been examined by MPD mechanics and deemed to be in excellent condition, requiring only minor repairs to the wear and tear sustained while in storage. The vehicle would not be considered an addition to our 'fleet' since available registration already exists.

The vehicle is designated for use by the auto theft investigator assigned to the Traffic Unit and will provide much-needed relief to the demands placed on the three cruisers assigned to the 11 officer unit.

I request that you present our request to the CIP Committee and the Board of Mayor and Aldermen to accept this vehicle and remand it for the purposes intended.

Sincerely,

David J Mara
Chief of Police

Subject: Installation of Elm Street Banner Poles

In anticipation of the World Championship Chili Cook-Off Festival the Mayor has asked that I identify a source of funds to pay for the installation of a set of banner poles on Elm Street. Inasmuch as this activity is in support of the central business district and local economic development the use of CDBG Funds would be an eligible expenditure. I have spoken with Bruce Thomas to obtain an estimate for the cost of the poles and have also spoken with Jay Minkarah to suggest that we be allowed to temporarily transfer the cost of the poles from one of his 2011 CIP-CDBG Funded Projects. Mr. Minkarah is amenable to this with the understanding that the funds would be transferred back into the project upon receipt of additional CIP Program Income.

As of this writing we had only the costs previously paid for banner pole installation on Hanover Street and Amory Street (approx $10K) but I expect to have an updated cost for discussion at the CIP Meeting. Should the Committee be in favor of this project I will prepare an amending resolution and budget authorization for review and hopeful approval by the full Board.

CIP Aldermanic Committee

From: Sam Maranto, Manager
Community Improvement Program

Date: July 26, 2010

Subject: Youth Opportunities Program

The Mayor was recently informed that a significant amount ($135,000) of Alcohol, Tobacco and other Drug Abuse funds that had traditionally been allocated to local programs is no longer available as that funding is now being directed nationally to other activities. Programs such as Stay and TAP have been significantly impacted by this reduction in funding and as a result I had been asked by the Mayor as to whether or not a source of funds could be identified to help with this funding shortfall.

Unfortunately, because of the locations that these programs operate in any assistance with CDBG funds would result in the City exceeding its 15% Public Service Cap unless other similarly CDBG funded projects were accordingly reduced. However, although we cannot easily assist these two programs we are able to increase the level of CBG Funding for the Y.O.U. Program which will enable the YMCA to reallocate some of its non-CDBG funds allocated to the Y.O.U. Program to those two programs.

The amount of funds that have been requested for the Y.O.U. Program is $16,000, these funds would be coming from a combination of balances of older CIP Projects recently closed out at the end of FY 2010 and a transfer of $5,866.00 from the 2011 Weed N' Seed Coordinator's position. This position was originally funded at a level of $70,000 but the budget authorization was approved at a level of only $64,134 due to a cost savings realized through a reduction of fringe benefit costs.

In summary, if the Committee so desires I will prepare for review by the full Board at the September Aldermanic meeting, an amending resolution increasing the 2011 Y.O.U. Program by $16,000 using the funding sources as mentioned above and a revised budget authorization reflecting the increased funding.

Subject: Moose Plate Conservation Grant

The City Clerk's office has informed us that they have been successful in obtaining a grant from the NH State Library to restore various records dating back to the 1850s. Specifically, volumes 2, 3 & 4 of the Journals of the Overseers of the Poor for the period 1855 to 1910 will be restored.

In order for the City to accept these funds we have prepared for the Committee's review an amending resolution and budget authorization that will require the Committee's recommendation for approval to the full Board.

Office of the City Clerk

MEMORANDUM

TO: Board of Mayor and Aldermen

FROM: Matthew Normand
City Clerk

DATE: July 26, 2010

RE: Moose License Plate Conservation Grant

The Office of the City Clerk is pleased to announce the receipt of $4,630.00 from the Moose License Plate Conservation Grant program administered by the New Hampshire State Library to restore volumes 2, 3 and 4 of the Journals of the Overseers of the Poor (1855 – 1910). Although we did not receive the full amount requested, we were one of thirteen institutions to receive a grant in this year of reduced government funding.

The early volumes of the Overseers of the Poor illustrate how the newly created City of Manchester endeavored to care for individuals in need, especially when outbreaks of disease left families without breadwinners and children without parents.

We are requesting permission from the Board of Mayor and Aldermen to accept this grant and remand the funds for the purpose intended.

Thank you.

RE: FY 2010/2011 Conservation Grant Application
Restoration of the Journals of the Board of the Overseers of the Poor, 1855-1910

Dear Ms. Fellows:

I am pleased to inform you that your Moose License Plate grant application is among the proposals that the New Hampshire State Library will support this year. The City of Manchester has been awarded a FY 2010/2011 Conservation License Plate grant in the amount **$4,630** to be used for the project entitled *Restoration of the Journals of the Board of the Overseers of the Poor, 1855-1910.* Your application, and the others selected for funding, represent conservation activities that will help improve collections care and public access to New Hampshire's endangered cultural assets.

Thank you for participating in the FY 2010/2011 Moose License Plate Conservation Grant competition. We received 18 applications requesting more than $118,000 and we will be announcing awards totaling $60,548 to 13 public institutions throughout the state.

In the weeks ahead, you will receive a letter from Janet Eklund, Administrator of Library Operations, with information about partial grant awards, if applicable, instructions on paperwork required for grant payments and grant reporting requirements. If you would like to announce and promote your grant award, please utilize the following language:

"[Organization] is pleased to announce that we have been awarded a Conservation Grant by the New Hampshire State Library for [amount] to be applied to [name of project]. The funds are pending approval by Governor and Council."

On behalf of the New Hampshire State Library and the Commissioner of Cultural Resources, Van McLeod, I congratulate you and wish you success in your grant activities.

Sincerely,

Michael C. York

Michael C. York
State Librarian

From: Leon L. LaFreniere, AICP
Director of Planning and Community Development

Date: July 26, 2010

Subject: Police Department – CIP #410711 – NH Drug Task Force

The Police Department has notified us that the City has received a grant from the United States Department of Justice totaling $36,606 to operate a multi-jurisdictional drug task force.

As such, we have prepared the appropriate CIP Amending Resolution and Budget Authorization Form necessary for program initiation.

Your review of these documents and a recommendation for approval to the full Board is respectfully requested.

Subject: CIP 511411 Piscataquog Trail Phase IV

Jessica Fleming, as per the attached communication, has requested that the Parks Division be authorized to enter into an agreement with the State DOT and to accept trail funds in the amount of $94,400.00 for the Piscataquog Trail Phase IV. As noted, the grant requires a local match of 20% which, the Board previously approved be taken from a balance in CIP 510907 Parks Improvement Project. I have enclosed for the Committee's review an amending resolution to the 2011 CIP and a budget authorization that will need to be reviewed and approved by this Committee and the full Board. Respectfully I request that the Committee make a recommendation to the full Board for approval of these documents.

Honorable Board of Mayor and Aldermen
City of Manchester
One City Hall Plaza
Manchester, NH 03101

Attn: Mr. Matthew Normand, City Clerk

Re: Piscataquog Trail – Phase IV, Municipal Agreement

Dear Committee Members:

Please be informed that the Department of Highways, Division of Parks, Recreation and Cemeteries, is proposing to enter into an agreement with the New Hampshire Department of Transportation for the Transportation Enhancement program for the design and construction of the Trestle Bridge Rehabilitation and 1,500 linear feet of recreational trail along the Piscataquog Trail, State Project #14412A.

NHDOT has established Project #14412A in the amount of $229,500.00 with 80% of that cost coming from Federal Highway funds, such amount being $183,600.00, and the remaining 20% of that cost coming from the City of Manchester, such amount being $45,900.00. At this time, the matching amount available to spend is $23,600.00. Therefore, the total amount available to spend at this time is $118,000.00. In discussions with NHDOT, we are only responsible to match 20% of what is spent on the project. The remaining matching funds, $22,300.00, are expected to be raised privately.

We hereby request your authorization to accept the aforementioned funds and enter into a contract with the NH Department of Transportation for the same. We further request that the Public Works Director be authorized to execute any documents that may be necessary for this contract. An original notarized "Certificate of Authority" will be necessary for the State.

Sincerely,

Jessica Fleming

A RESOLUTION

"Amending the FY2010 Community Improvement Program, authorizing and appropriating funds in the amount of Fifty Thousand Dollars ($50,000) for CIP 713510 Annual ROW Improvements."

Resolved by the Board of Mayor and Aldermen of the City of Manchester as follows:

WHEREAS, the Board of Mayor and Aldermen has approved the 2010 CIP as contained in the 2010 CIP budgets; and

WHEREAS, Table 4 contains all sources of General Obligation Bond funds to be used in the execution of projects; and

WHEREAS, the Board of Mayor and Aldermen desires to accept funds from a developers letter of credit account to complete various public improvements on Lindstrom Lane;

NOW, THEREFORE, be it resolved that the 2010 CIP be amended as follows:

1) By increasing:

FY2010 CIP 713510 - Annual ROW Improvements - $50,000 Other
From $1,141,082.01 ($391,082.01 Bond, $750,000 Other) to $1,191,082.01 ($391,082.01 Bond, $800,000 Other)

Resolved, that this Resolution shall take place upon its passage.

CIP Aldermanic Committee

From: Sam Maranto, Manager
Community Improvement Program

Date: July 26, 2010

Subject: CIP 711008 Design & Construction of Incinerator Upgrade

Fred McNeil has requested that we revise the budget authorization for the above noted project to reflect $2.875Million of ARRA funding that has been made available from the NH Department of Environmental Services. The Board previously authorized the acceptance of these funds at an earlier Aldermanic Meeting.

In accordance with Mr. McNeil's request we have enclosed for the Committee's review an amending resolution and revised budget authorization that will allow for acceptance of these funds for use by the City. We respectfully request that the Committee make a recommendation to the full Board for approval of the attached documents.

Re: Request to Present Information on an Automated Vehicle Locator System

Gentlemen:

The Manchester Highway Department hereby requests to be placed on the agenda for the next available committee meeting to present a vehicle locator system.

Additional details on this subject will be forthcoming in the next several days.

Very truly yours,

Kevin A. Sheppard, P.E.
Director of Public Works

23-1

6/7/10 Tabled

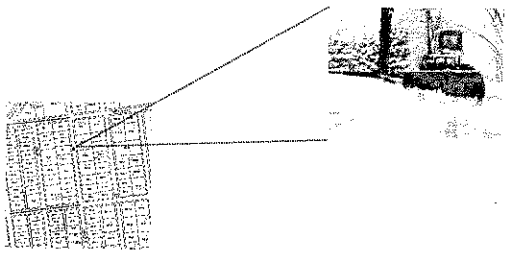
June 7, 2010 Committee on Community Improvement Highway Handout

AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

WHAT IS IT?

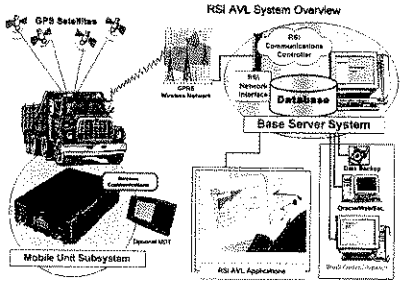
AVLS IS A TOOL THAT WORKS REAL TIME TO TRACK THE LOCATION AND ACTIVITY OF THE DEPARTMENT'S FLEET



AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

HOW DOES IT WORK?

EACH VEHICLE IS TRACKED THROUGH A GLOBAL POSITIONING SYSTEM INSTALLED IN THE VEHICLE.



AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

HOW IT WORKS

THE MODEM IN THE VEHICLE TRANSMITS INFORMATION ON THE VEHICLE'S MECHANICAL ACTIVITIES AND STATUS.

SPEED, RPM, ETC.

PLOW UP / PLOW DOWN

SPREADER ON / OFF

ENGINE TROUBLE

AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

BENEFITS TO THE ENVIRONMENT

IDLE TIME REPORT

The system can be reviewed for excessive idle times, which waste fuel, and increase emissions to the environment.

ROUTE EFFICIENCIES

Can be realized, saving wear and tear on the vehicles, and reduced emissions and fuel consumption. Last year the Department of Highways alone spent over $469,500 on fuel.

AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

BENEFITS

✓Manage vehicles and employees in real time

✓Decrease fuel costs by reducing idling, planning better routes and tracking maintenance

✓Increase the number of jobs performed or deliveries completed per day

✓Improve customer service with faster response times

✓Develop better driver safety with real-time alerts and reports about speed, and other driver behaviors

✓Lower emissions and carbon footprint with trip information reports detailing fuel usage based on travel, idle and PTO times

AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

BENEFITS

✓LOWER OPERATING COSTS.

✓LOWER MAINTENANCE COSTS.

✓COLLECTION OF DATA.

✓IMPROVED LONG TERM PLANNING AND BUDGETING.

✓WORKS WITH A WORK ORDER SYSTEM.

✓WORKS WITH AN ASSET MANAGEMENT SYSTEM.

✓CAN ALERT MECHANICS OF AN EMMINENT MECHANICAL FAILURE.

✓BETTER SERVICE TO THE COMMUNITY.

✓IMPROVED OVERALL BUDGET MANAGEMENT.

✓IMPROVED LONG TERM PLANNING, INCLUDING FLEET REPLACEMENT.

✓REDUCE THE CITY'S LIABILITY.

Crash on I-93: Lawsuit alleged state didn't make safe the road where boy died.

By JAMES A. KNOBLE

BRENTWOOD — The state Department of Transportation headed off a $2.5 million lawsuit that accused state road workers of failing to add and sound a section of interstate 93 lanes before a tractor-trailer collided with a car and killed a

AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

PRACTICAL APPLICATIONS

REFUSE TRUCK "TIPS" CAN BE MONITORED TO HELP IDENTIFY POTENTIAL INEFFICIENCIES OR DISPROPORTIONATE ROUTE ASSIGNMENTS

COMPLAINTS CAN BE HANDLED MORE EFFICIENTLY

"My trash was not picked up this morning"
By looking at the "bread crumb" trail on the map, we can tell if the driver went down the street in question.

23-3

AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

PRACTICAL APPLICATIONS

INDIVIDUAL DRIVERS CAN BE DIRECTED TO A TROUBLE CALL BASED ON LOCATION.

"Truck 609, we have a sewer backup at 123 Any Street."

RESPONSES TO CALLERS CAN BE MORE INTELLIGENT,

"The driver is right around the corner and should be there momentarily"

By using historical data collected in the system, we can estimate when a driver will be at a particular location.
"The driver is currently at 123 Any Street, and should be arriving at your street in 20-30 minutes.

ESTABLISH MOWING SCHEDULES AND TRACKING

AUTOMATED VEHICLE LOCATING SYSTEM (AVLS)

GETTING STARTED
