Fire Department

Press Release
August 1, 2020

Incident Type: Building Fire
Address: 1901 Bodwell Rd

Dispatch: 01:18
Under Control: 01:47
All Out: 03:01

Resources: 1 Alarm Assignment, DC1, FPB

Description of Incident:

First arriving companies found a second floor porch with significant fire extending up to the third floor. Building was a large multiunit apartment complex (30 plus). Members of Engine 8 stretched a line to knock down the initial fire and stop the forward progress. Members of Truck 7 in conjunction with the Rescue Company cleared the building of occupants. Area was overhauled and additional "hot spots" were extinguished. Occupants were allowed to return to their units.

Civilian Injuries: Passerby who alerted fire department and occupants suffered a minor burn on his hand.

Emergency Service Injuries: None

Special Circumstances: None

Fire Cause: Under Investigation
Estimated dollar loss: \$25,000

Incident Commander: District Chief Jim Michael (JMICHAEL@manchesternh.gov)
