Re: Manchester Police Directive - Motorized Parade and Procession Requirements

Beginning July 1, 2014 the Manchester Police Department will set the following guidelines as they pertain to motorized parade and procession within the City of Manchester; often referred to as "motor cycle runs."

- Event organizers will be required to obtain an event permit and provide insurance coverage for the event as defined by the City Clerk's Office.
- Any and all organizations will be required to hire police detail officers for traffic control within the City of Manchester. The Police Department Traffic Unit Supervisor will determine the number of officers needed after assessing the request of the organization.
- A minimum 30 days advanced notice will be required before all events.(exceptions at discretion of Traffic Supervisor).
