Shell Casings Located outside of 91 West Street

Manchester Police responded to the area of 91 West Street for a shots fired call at 4:00 a.m. this morning. Units located several spent shell casings in front of 91 West Street. They also located three bullet holes inside of the first floor apartment (apartment 1-North).

Another bullet damaged a 2009 Nissan Altima belonging to a second floor tenant. Fortunately, none of the occupants of the apartment were struck by a bullet. The first floor (north) apartment had prior damage from bullets fired at the apartment on May 20, 2016. The building also sustained new damage as a result of today's call for service. One of the bullets entered the kitchen area and damaged a piece of pottery.

Three adults and one juvenile were inside of the residence at the time of the incident. If you have any information related to the case, please contact the Manchester Police Detective Division at 603-792-5500. You can also contact the Manchester Police Crimeline at 603-624-4040. You may be eligible for a cash reward if your information leads to the arrest of a suspect (s).
