

The City of Manchester will be sending out an RFP for a Benefits Broker. Successful candidates will operate in the City of Manchester or the greater Manchester area and are expected to demonstrate:

- Expertise in advising clients in the area of compliance
- Providing administrative support through a dedicated account representative
- Successful cost containment initiatives
- The ability to collaborate with their client to develop a comprehensive benefits strategy
- Experience with unions
- Experience with municipalities
- Strong communication capabilities
- Experience with Self Insured Employers

If you would like to receive an invitation to quote on Benefits Broker services to the City of Manchester, please submit your firm's contact information and a brief introduction to your firm to Aurora Business Solutions, LLC. To be considered, your intent must be received via email to Marc Theophelakes of Aurora Business Solutions, LLC. at [theo.at.aurora@gmail.com](mailto:theo.at.aurora@gmail.com) no later than 10/20/20
