There has been no illness or complaints related to this recall.
Listeria monocytogenes can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, Listeria infection can cause miscarriages and stillbirths among pregnant women.

These products were manufactured by Boston Salads and Prepared Foods and bear the **Boston Salads, Dietz & Watson, Fresh Ideas, Market Source and the Rachael's Gourmet label** with the sell by dates stated above. **No other products or code dates were affected by this recall.**

Immediately examine your inventory and quarantine product subject to recall. In addition, if you have further distributed this product, please identify your customers and notify them at once of this product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter.

We request that you review your inventory records and segregate and hold the above products. If you have shipped any of these products, we request that you contact your customers and ask them to return the products and advise us once you have retrieved all of the products. Retail customers must remove product from display shelves and segregate and hold products. We will advise you how to arrange to have the product shipped to our facility or whether the product should be destroyed. After confirmation of returned products, we will credit your account
