

*The City of Manchester  
Health Department presents a*

# Neighborhood Health Improvement Strategy Summit

Thursday, November 21, 2013 | 8:30am-11:30am  
The Derryfield Banquet Facility  
625 Mammoth Road, Manchester, NH

## Summit Objectives:

- ◆ Describe how cities similar to Manchester are redesigning systems and leveraging assets to become transformative places of opportunity and prosperity for all residents.
- ◆ Summarize the priority recommendations that have been identified through the process of developing a Neighborhood Health Improvement Strategy for Manchester's children and families.
- ◆ Identify at least one opportunity for you to contribute your leadership to the implementation of the priority recommendations.

**RSVP by November 15<sup>th</sup>** to Robin Harper at  
[rharper@manchesternh.gov](mailto:rharper@manchesternh.gov) or 628-6003 ext. 302

This event is free, seating is limited to the first 200 participants and registration is required.
