**Different Location.
VERY Different Price.**

Healthcare providers charge vastly-different prices for the exact same quality medical services and don't publish their prices, making it nearly impossible to shop. But now there's Compass SmartShopper.

- Go to www.compassmartshopper.com to shop inpatient and outpatient healthcare services in your area.
- Save **hundreds or even thousands** of dollars when you choose a lower cost healthcare provider.
- **When you help lower healthcare costs, you earn CASH REWARDS!**

COMPASS CASH REWARD: \$100

"I wanted to find the best value without compromising the quality of my care. The Compass customer service expert helped me make the right choice quickly. I received excellent care, saved on my deductible and got a \$100 cash reward!"

- Amy L.

1. START HERE

Ready...Set...Go!
SmartShopper makes it easy to get started.

Go to www.compassmartshopper.com to register in under a minute, or call **1-800-824-9127** to speak with one of our customer service experts. That's it. You're ready to shop!

2. GO SHOPPING

When your doctor recommends a healthcare test, service or procedure, call or go online to quickly and easily compare options and prices. There are no restrictions on in-network facilities. And a SmartShopper customer service expert is always on hand to assist you with your choice.

3. CHOOSE AND SAVE

Contact the cost-effective facility you've chosen to make your appointment. You can save hundreds—even thousands—of dollars in out-of-pocket and employer claims costs without sacrificing quality of care.

4. EARN CASH REWARDS

When you help lower healthcare costs, you earn CASH REWARDS! Your reward check is mailed to your home after your claim is paid. There are no forms. No hassles. And the entire program is completely confidential.

COMPASS CASH REWARD: \$150

"My family doctor recommended an MRI of my knee and referred me to a local hospital. I shopped with SmartShopper and in minutes located an independent imaging lab less than a mile from the hospital that charged over \$1,400 less for the identical scan read by the same radiologist. As a result I earned \$150 cash reward."

- Mike K.

COMPASS CASH REWARD: \$250

"I love the Google-like search on SmartShopper, and that my benefits information is available, too. Thanks for making it easy to save money and manage my healthcare decisions!"

- Liz M.
