

We're making our move ...

To bring you the welcoming, respectful, skillful health care you and your family deserve.

When it comes to your health, Concentra believes that you should expect more. And you deserve respectful, skillful treatment.

- ▶ Coming soon in September, we're relocating our Manchester medical center to a new facility with extended weekday hours plus weekend hours.

We're closing the 156 Harvey Road location, and will be ready to provide uninterrupted delivery of care at our new location. The new Concentra – Manchester location offers several benefits for our patients:

- Larger, more accessible facility, conveniently located right near the Mall of New Hampshire
- Ample parking and our own traffic light for easy turning
- Open late with convenient evening and weekend hours
- Digital X-ray and additional physical therapy space
- Our new signature design to support our focus on improving the patient experience
- All medical and support staff will transition to the new location, and all patient records will be transferred
