

MEETING - BOARD OF MAYOR AND ALDERMEN

SPECIAL ROAD HEARING

January 3, 1969

3:00 P.M.

Mayor Mongan called the meeting to order.

Mayor Mongan called for the Pledge of Allegiance and Ald. Psaledas led the Board in this function.

The Clerk called the roll.

Present: Mayor Mongan, Ald. Bergquist, Enright, Walsh, Casey, Larochelle, Verville, Head and Psaledas.

Absent: Ald. Hunt, Kelley, Wilcox, Noel, Martineau and Acorace.

Mayor Mongan announced the purpose of the meeting was to conduct a special road hearing on a petition as follows:

"....laying out and discontinuing a highway, beginning at a point on the northerly line of Loring Street, said point being six hundred (600) feet west of the intersection of the westerly line of South Willow Street and the northerly line of Loring Street and measured along the northerly line of Loring Street; thence continuing in the same straight line in a westerly direction, a distance of two hundred ninety-eight and thirty-two one hundredths (298.32) feet to the Boston and Maine Railroad Right of Way.

The above described line to be the northerly line of the highway, the highway to be fifty (50) feet wide and to be known as Loring Street in said City.

They, therefore, request you to layout and discontinue the highway on the route above described, subject to twenty-five (25) feet easement for sanitary sewerage."

Communications as follows were read into the record by the Clerk:

Department of Highways

"At the request of Mr. Raymond Gallant of Donovan Realty Trust, I have examined a plan of land surveyed and prepared by Hills & Hesslein, Engineers and Surveyors, relating to laying out of a new street, Donovan Street, proposed, between Upton Street and Loring Street as well as the discontinuance of that part of an unimproved and untravelled street, Loring Street westerly from Donovan Street proposed. I have also had Mr. Reen, Chief Engineer for the City, examine this plan.

It is our considered opinion that the proposals outlined are not objectionable provided, ~~however~~, they meet with the full approval of all concerned including the Planning Board as well as other agencies of the City. A further condition will involve the construction necessary under regulations of subdivision control."

Manchester Planning Board

"....This office has received a subdivision application for land owned by Mr. Raymond Gallant of Donovan Realty Trust. His proposed subdivision which we have approved includes the connection of Loring and Upton Streets with a proposed new street. This office has received a performance bond dealing with the improvement of this street. The proposed discontinuance is for the unaccepted section of Loring Street beyond the proposed new street.

This office is not opposed to the discontinuance of the Loring Street extension provided that necessary access is retained to the Tannery Brook drain where it

Loring Street

crosses that section of Loring Street and, further, that suitable arrangements can be made with Mr. Faltin for future development of his land to the south.

My understanding of this matter from discussion with Building Department officials is that Mr. Gallant can build his proposed building at this location even without discontinuance of Loring Street. Discontinuance at this time may not therefore be of a critical need, and there may be time for Mr. Gallant to discuss future development problems."

Manchester Water Works

"The Manchester Water Department has no objection to the discontinuance of the western end of Loring St. for a distance of 356 ft."

Manchester Fire Department

"From a fire safety standpoint, the Manchester Fire Department can see no reason to oppose the closing of approximately 360 feet of Loring Street west of the proposed new Donovan Street which will eliminate two (2) dead end streets; namely Loring and Upton Streets."

Mayor Mongan then advised that those wishing to speak on this petition would be heard, first, those in favor, and then those against and requested the speakers to announce their names and addresses clearly for the record.

Raymond
Gallant

Mr. Raymond Gallant of Donovan Realty Trust was recognized and spoke in favor of the closing, stating that they had to go along with the closing in order to put up the building they desire and if the closing were not approved, the Company would have to take 200 running feet by 50 feet wide to tie in Upton Street with Loring Street. What we originally wanted to do was to put a turn-around for Loring Street but they would not go along with this. The only way we can get a building permit is by tying in the two streets, therefore, I have to have the extra 25 feet of land to put the required building on.

Comm. fr.
Maurice
Lampron

Mr. Gallant then presented the following communication from Maurice Lampron, an abuttor and owner of Maurice's Auto Body, who was unable to be present at the hearing:

"I have no objection to the City of Manchester closing Loring Street, westerly of proposed Donovan Street."

There being no other individuals to speak in favor of the petition, Mayor Mongan then asked if there were any present to speak in opposition and recognized Kenneth F. Graf, Attorney for Mr. Faltin stating that it was not their desire to prohibit the development of the property in question but feel that their property can be developed without doing away with Loring Street. Mr. Graf then outlined the area using a map showing approximately 30 acres of land owned by Faltin and that at the present time Faltin is in the process of filling in the area and developing it, having in mind that across the southwesterly part of the lot there is an existing sewer and also running across a portion is the opening for Cemetery Brook. If you abandon and do away with the westerly end of Loring Street then there is no way for the Faltin development by a road along the railroad right-of-way and over the brook and the sewer, no way to get from Precourt Park Road around and across the Faltin property, up Loring Street and back to South Willow Street. From our point of view, where we went into this development back in 1963, when actually Faltin owned the whole of that property even where Sylvania is now located,

and Mr. Faltin sold off parcels of his property so that industry could come in and arrangements were tentatively made for this turn around down the road to Precourt Park and giving access back to South Willow Street. Now to do away with the westerly part of Loring Street makes ineffective and adversely affects the Faltin property which is now in the process of being set up for development. By doing away with Loring Street you will preclude Faltin from developing his property because then the road would have to be put at the very easterly part of the Faltin property away from the westerly line where a railroad siding is planned. I talked with Mr. Grogan of the Planning Board a short time ago and he has some tentative plans indicating it was his thought that in addition to a road being along the westerly side there could also conceivably be a road along the easterly edge because there is enough space so that you could have buildings abutting both of these roads as well as have a rail siding. Mr. Graf then advised that he had maps available if anyone cared to look at them and thanked the Board for the opportunity to be heard.

There being no one further to be heard, on motion of Ald. Walsh, duly seconded by Ald. Bergquist, it was voted to adjourn for viewing purposes.

A minority report was presented by Mr. Pollock wherein he recommended that the recommendations of the Special Committee on Transportation, as adopted by the Board of Mayor and Aldermen be denied with the suggestion that an alternative method such as increasing by the amount of \$0.08 per ride the fare being paid for the elementary school children. Following a lengthy discussion, with the City Solicitor advising as to the legality of various proposals, and on motion of Committeeman Branch, duly

seconded by Committeeman Drouin, it was voted that the majority report of the School Board Finance Committee be accepted and its recommendations adopted, Committeeman Pollock voting in the negative.

Mayor Mongan then called a recess to permit the Committee on Finance to meet at this time.

Mayor Mongan again called the meeting to order.

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that the recommendations of the Special Committee on Transportation and the Board of School Committee be adopted and that the City Auditor be authorized to approve and pay charges submitted from Manchester Transit Inc. at the rate of ten cents (\$0.10) per ride, per day, per high school student riding to and from school, the funds for this purpose to be provided for in the 1969 budget, not to exceed \$32,400.00. On motion of Ald. Bergquist, duly seconded by Ald. Psaledas, it was voted that the report of the Committee be accepted and its recommendations adopted.

On motion of Ald. Bergquist, duly seconded by Committeeman Pappas, it was voted that the Joint Session of the Board of School Committee and the Board of Mayor and Aldermen be adjourned.

Following a brief recess, Mayor Mongan called the regular meeting to order.

The Clerk called the roll.

Present: Mayor Mongan, Ald. Bergquist, Enright, Kelley, Walsh, Casey, Laroche, Verville, Wilcox, Noel, Acorace and Psaledas.

Absent: Ald. Hunt, Head and Martineau.

Mayor Mongan called for the minutes of the previous meeting and on motion of Ald. Bergquist, duly seconded by Ald. Walsh, it was voted that the reading of the minutes of the previous meeting be dispensed with and the record, as recorded, adopted.

Pole location, manhole location, buried conduit and transfer of pole location licenses were presented as received, Public Service Company of New Hampshire and New England Telephone and Telegraph Company, petitioners. On motion of Ald. Bergquist, duly seconded by Ald. Enright, it was voted that the petitions be granted and approved subject to approval of the Department of Highways.

Communication was presented as received from Adrien D. Comm. fr. George Fowler Communication was presented as received from George Fowler wherein he advised that since August 1967 the Parks and Playgrounds Department had been storing some of their equipment in the Harvey School with no agreement in writing as to rent, that he has received a tax bill for \$346.00 which has not been paid because he has not had the use of his property. Ald. Psaledas stated that in his opinion if a man could not use his building, he should not have to pay taxes on it. The City Solicitor stated that the property was in Mr. Fowler's name and you have to tax the property, that Mr. Lemire had been contacted informally and Mr. Lemire understood that Mr. Fowler had no use for the building and had no objection to Parks and Recreation using it in the meantime and he felt sure that if they had any idea this was going to happen they would have taken their stuff out of there and made arrangements for other space. Mayor Mongan stated that he felt the matter was between the Parks and Recreation and Mr. Fowler. The City Solicitor stated that if Parks and Recreation felt a responsibility for this, it would be possible for them to pay as rent to Mr. Fowler the amount of his taxes, that he would have to pay the taxes. Ald. Enright stated that this was the case with a downtown parking lot, the Committee on Traffic paying the taxes for the use of the lot.

Ref Parks & Recrea. The communication was referred to the Parks and Recreation Department.

Comm. fr. Dugas Constr. A communication was presented as received from Dugas Construction Inc. relative to the recent action of the Board in "denying all applicants permission to tie into the Medford Street sewer" stating that this seriously affects their planned construction as well as partially completed work. Ald. Bergquist stated that this situation is affecting all builders in the City since the many sewers are already overloaded and building permits are being denied on this basis; that Barney Reen, Highway Engineer, had completed a more comprehensive report on the situation and would like an opportunity to present it. Mayor Mongan informed the Board that he had already advised Dugas Construction through their attorney and will invite those concerned to meet with the Committee on Finance, the date of the meeting will be advised. A report of the Committee on Insurance was presented relative to a referred communication as received from the Manchester Association of Retired Municipal Employees, relative to supplement from the City and based on City Solicitor's ruling (Copy attached) respectfully recommended, after due and careful consideration, that the request be denied.

Reps. Comm. on Insurance

City Solicitor's Ruling:

"Reference is made to request of the Manchester Association Retired Municipal Employees dated November 29, 1968, requesting that the Board of Mayor and Aldermen amend the Blue Cross-Blue Shield health and medical insurance program to allow employees who are retired on pension to participate in said plan and to pay for such retired members a like percentage of the cost of said plan in a like manner as though they were still employed by the City of Manchester.

On November 12, 1968, this office advised City Auditor Armand Tetu that pensioners are not entitled to the Blue Cross-Blue Shield health and major medical insurance program in the amount of \$3.00 per month.

I feel certain that Blue Cross-Blue Shield would permit retired employees to participate in the program, as the insurance carrier for the water works has, but the retired employees would have to pay the entire cost, without any supplement from the City, in view of the fact that the latter would be considered a gratuity and illegal."

A report of the Committee on Bills on Second Reading was presented relative to a re-

ferred proposed Ordinance relating to the licensinf of "Food Service Establishments" and respectfully recommended, after due and careful consideration, that said ordinance is inexpedient to legislate. Ald. Martineau, duly seconded by Ald. Noel, moved to accept the report of the Committee and adopt its recommendations. On motion of Ald. Psaledas, duly seconded by Ald. Bergquist, it was voted that William E. Arnold of the Health Department be permitted to speak on the proposed Ordinance. Prior to Mr. Arnold being hear, the City Clerk read into the record the communication from the Health Department dated May 20, 1968 which was presented to the Board of Mayor and Aldermen together with the proposed Ordinance at the Board meeting of June 4, 1968. Mr. Arnold then spoke at length outlining the basic reasons for the passage of the Ordinance and answered questions posed by the Aldermen, advising that this Ordinance would take over where the State Sanitation Code left off, thereby permitting the City a means of enforcement to protect the health of the consumer, this being the responsibility of the Health Department. Mr. Arnold stated that the provisions of this Ordinance could be enforced without addition of personnel in the department. In answer to a question from Ald. Bergquist, Mr. Arnold stated that this ordinance would also include meat markets since they, generally, are engaged in handling of food.

Dept.

At the request of Mayor Mongan, Ald. Psaledas assumed the Chair in order to allow Mayor Mongan to speak on this Ordinance.

Mayor

Prior to Mayor Mongan's speaking, Mr. Arnold advised in answer to a question from Ald. Martineau, that there was no adequate means of enforcing the State law without licensing on a local basis, that under present regulations court process is the only means of enforcement and this is a long drawn out affair.

Mayor Mongan then spoke in favor of passage of the Ordinance, citing his experience as a Health Inspector and stating that licensing puts the operator in the position of having to clean up any violations or face loss of a license or denial for renewal, and citing difficulties in proper enforcement without a licensing provision to put teeth into the ordinance. Mayor Mongan recommended a vote of nay on the report of the Committee.

Ald. Psaledas told the Board of his experience with ptomaine poisoning following eating at a local restaurant.

On motion of Ald. Wilcox, duly seconded by Ald. Walsh, it was voted to refer the report back to the Committee on Bills on Second Reading for further consideration.

Comm. fr.
Urban
Renewal

Communication was presented as received relative to various communications to Urban Renewal concerning the request of Ald. Psaledas for the extension of Bow Street, south under I-193 into the Brown Avenue Industrial Urban Renewal Project with the Urban Renewal Section advising that it was not feasible nor had any feasible possibility for an alternative access road for the Bow Street area been found. It was further stated that, it appears to be possible to improve the grades of Bow Street and the design of the Bow Street-Brown Avenue intersection, that an engineering study is required to ascertain the feasibility of such improvements and that the Urban Renewal Section was prepared to visit the area to further explore the problem. Following a discussion on this problem, which had first been introduced approximately four years ago, it was voted, to refer this matter to Bernard Reen, Chief Engineer of the Highway Department, for his recommendations.

Absent: Ald. Hunt, Wilcox and Head.

Mayor Mongan that in view of the meeting with the Health Department prior to the regular Board meeting and with so many people in the audience extremely interested in the proposed "Food Licensing" ordinance, it was his feeling that it would be well to suspend the rules and proceed immediately to that particular item, a further meeting scheduled.

Rules Suspend-

On motion of Ald. Enright, duly seconded by Ald. Bergquist, it was voted to suspend the rules and proceed to the report of the Committee on Bills on Second Reading relative to the Food Licensing Ordinance.

Rep. Comm. B on 2R

A report of the Committee on Bills on Second Reading was presented relative to a referred ordinance relating to the licensing of "Food Service Establishments" and respectfully recommended, after due and careful consideration that an ordinance "Relative to the inspection and sanitation of Food-Service Establishments" be substituted in place thereof.

Tabled

On motion of Ald. Psaledas, duly seconded by Ald. Kelley, it was voted to table action for no more than thirty days, allowing time for the Board of Health and the Board of Mayor and Aldermen to hold further discussions on the proposed ordinances.

Ald. Martineau

Ald. Martineau requested that he be recorded as passing on this, that there had been some charges levelled at him by a certain organization relative to a conflict of interest and therefore he would abstain from voting on any further action on this matter.

Minutes

Mayor Mongan called for the reading of the minutes of the previous meeting and on motion of Ald. Bergquist, duly seconded by Ald. Enright, it was voted to dispense with the reading of the minutes of the previous meeting and that the record, as recorded, be adopted.

REPEALING PROVISIONS

That all rules and regulations now in effect in accordance with the provisions of an Ordinance "Regulating traffic upon the streets of the City of Manchester" as adopted January 7, 1947, with subsequent amendments thereto, and inconsistent with the traffic rules and regulations herein adopted, be repealed.

On motion of Ald. Casey, duly seconded by Ald. Bergquist, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Traffic was presented relative to a referred communication as received from the Manchester Association of Retired Municipal Employees, relative to issuance of special parking stickers, and based on the City Solicitor's ruling, respectfully recommended, after due and careful consideration, that the request be denied.

On motion of Ald. Bergquist, duly seconded by Ald. Noel, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Traffic was presented relative to statements as received from the Police Department for services rendered in connection with regulating traffic, and respectfully recommended, after due and careful consideration, that the Committee does not feel that expense of the Motorcycle Officer, School Safety Officer and person making traffic accident reports, should be charged to the Traffic Meter Revenue Account and further recommend that any further billings for these services be denied. On motion of Ald. Martineau, duly seconded by Ald. Bergquist, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Traffic was presented relative to submitted statements as received as follows:

Cincinnati Time Recorder Co.	\$261.50
Boston & Maine Corp.	23.97

and respectfully recommended, after due and careful consideration, that payment as itemized above, be granted and approved chargeable to the Parking Meter Revenue Account. on motion of Ald. Bergquist, duly seconded by Ald. Kelley, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Bills on Second Reading was presented relative to a referred proposed ordinance relating to

Rep.Comm.
B on 2 R

"Governing the design, construction, alteration, enlargement, equipment, repair, demolition, removal, conversion, use and maintenance of all buildings and structures; Known as the Building Code: providing for the issuance of permits, collection of fees, making of inspections; providing penalties for the violation thereof; declaring and establishing fire limits; and repealing the existing building code of the City of Manchester, New Hampshire, and all other ordinances or parts thereof in conflict therewith, as further amended"

and respectfully recommended, after due and careful consideration, that said ordinance ought to pass. On motion of Ald. Martineau, duly seconded by Ald. Enright, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Bills on Second Reading was presented relative to a referred ordinance "Amending an Ordinance pertaining to the Board of Adjustment" and respectfully recommended, after due and careful consideration that said ordinance ought to pass. Prior to any action being taken on this report, a communication from the City Solicitor was presented wherein he ruled that under Section 9.10 (1) of the Zoning Ordinance adopted January 5, 1965, all of the appointments to the Board of Adjustment are valid, stating that if the Board of Mayor and Aldermen wishes to provide for the appointments by district, adding Ward 14, it will be necessary to rescind this section and that apparently all present appointments would be in order except Mr. Durette who is moving to Ward 1. On motion of Ald. Psaledas, duly seconded by Ald. Martineau, it was voted that the report of the Committee be denied based on the City Solicitor's ruling and the Ordinance as now in effect remain in effect.

Mayor re Central Band

Mayor Mongan stated that this was an opportune time to bring up the matter of the comments he made relative to the Central High School Band not appearing in the Winter Carnival Parade and briefly outlined his feelings relative to this situation.

Re Yankee Farm Team

Following some brief comments by Ald. Psaledas, Mayor Mongan stated that he would like to hear a motion that any contract for leasing of Gill Stadium to the New York Yankees Farm Club be brought before the Board of Mayor and Aldermen for approval. The City Solicitor stated that this was legally not required, that the Parks and Recreation Commission had the authority to enter into such a contract and it would be only as a matter of courtesy to submit it to the Board. On motion of Ald. Bergquist, duly seconded by Ald. Psaledas, it was voted to request that any proposed contract relative to leasing Gill Stadium be brought before the Board of Mayor and Aldermen.

Voted

Band Nite

On motion of Ald. Bergquist, duly seconded by Ald. Walsh, it was voted that Ald. Enright be named Chairman of the "Band Night" activities since he has previously done such a tremendous job in this capacity.

Mayor

Mayor Mongan then advised that Deputy Stips had submitted a request to the Governor's Commission for funds on January 31, 1969, the final day on which application could be made. Mayor Mongan stated that he authorized this request although there had been no opportunity to get approval from the Board, the funds to be used for a study of the Police relations in the community particularly in light of the impending change in

command and the proposed construction of a new Police Station.

Mayor Mongan then advised that he had set up a tentative appointment for the Board to discuss the proposed Teachers' Contract with Dr. Kelley, Attorney Peters and Committee man Wallace on Tuesday, February 11, 1969 at 7:30 P.M. Ald. Bergquist requested that the City Solicitor be present at this meeting.

On motion of Ald. Noel, duly seconded by Ald. Martineau, it was voted that the City Clerk send a letter of commendation to the Manchester Winter Carnival Committee for the excellent job done in presenting the Winter Carnival Parade on Sunday.

There being no further business to come before the Board, on motion of Ald. Walsh, duly seconded by Ald. Enright, it was voted to adjourn.

Ref. to Highways

A communication was presented as received from the Parks and Recreation Department wherein it was advised that the Parks and Recreation Commission, acting by request of the City Solicitor, asked ratification and approval of previous actions allowing rental of spaces for signs on City-owned property at Derryfield County Club and Livingston Park, advising that space for one sign is rented to the Kimball System and the other to the Partlan Sign Co., each producing a yearly rental of \$150.00 which goes into the General Fund. The communication further stated that the Chamber of Commerce sign at Derryfield and the one at Livingston Park do not produce revenue, and requested approval at least until the current permit expires. Ald. Bergquist stated that he and Ald. Larochelle had visited the premises, that they could understand Mr. Ferretti's objection to such a sign being directly opposite his place of business. Ald. Bergquist further stated that at the time he was running for Alderman, he had attempted to put a campaign sign at this particular spot and had been turned down as being illegal. The City Solicitor stated that in his opinion, the Parks and Recreation Commission had no authority to enter into such an agreement. On motion of Ald. Noel, duly seconded by Ald. Martineau,

BOARD OF MAYOR AND ALDERMEN
(Budget Hearing) Parkside J. H. S.

March 14, 1969

7:30 P.M.

Present: Mayor Mongan, Aldermen, Bergquist, Enright, Kelley, Walsh, Casey, Laro-
chelle, Verville, Wilcox, Head, Noel, Acorace, Psaledas.

Absent: Aldermen, Hunt, Martineau.

Mayor Mongan advised that the purpose of the hearing was to hear those wishing to speak on the 1969 budget. He explained in detail the increases and reasons for them. Also stated that the reason for holding budget hearing at the Parkside Junior High was to give people an opportunity to see the new facilities and explained further this was one of the major increases in the budget. Mr. Lloyd G. Basinow, Exec. Director MPOTA speaking for his association, that they emphatically disapprove of the 1969 municipal budget and called for a ten per cent decrease across the board. He declared this could be done by eliminating the inefficiency in the City Government. Also mentioning that property owners cannot withstand further increases in tax rates, departments should be given a set amount to operate within, general expenditures could be cut by city employees not using city vehicles for private use, telephone calls limited with no personal calls, central purchasing and urged citizens to unite for better government. Mr. Guy Aldridge, Exec. Director, Manchester Taxpayers Association made the following statement to the Manchester Taxpayers Association appreciates the problem faced by the Aldermen in trying to reduce a budget largely made up of salaries and fixed expenses, but we must also recognize the burden on the taxpayers due to the growth of Manchester's City organization and the demands of the expanded School System pushing the tax rate up faster than the earnings of the taxpayers. We ask for an austerity period, minimum salary increases and a pause in the expansion of our city departments until the many new projects for increased revenue are developed enough to carry more of the tax load. We ask for a thorough study of special revenue accounts and a reduction in hiring seasonal or temporary help, except as necessary to maintain essential services. No one else wanting to speak at this point on a motion of Alderman Bergquist duly seconded by alderman Enright meeting was adjourned.

SPECIAL MEETING - BOARD OF MAYOR AND ALDERMEN

March 25, 1969

8:00 P. M.

Mayor Mongan called the meeting to order.

Mayor Mongan called for the Pledge of Allegiance and Alderman Kelley led the Board in this function.

The Clerk called the roll.

Present: Mayor Mongan, Aldermen Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Larochele, Verville, Head, Noel, Martineau, Acorace and Psaledas.

Absent: Alderman Wilcox.

Mayor Mongan advised the purpose of the meeting was to act on the following:

Reconsider action taken by the City of Manchester and the Manchester Housing Authority of area bounded by Hayward, Woodman, Valley, Massabesic and Porter Sts.

On motion of Alderman Verville duly seconded by Alderman Larochele, it was voted that said area be reconsidered. On motion of Alderman Verville duly seconded by Alderman Kelley it was voted to recind previous action of the Board taken at their meeting of March 4, 1969 wherein they had approved a site swap from Maple and Hayward Streets to above location.

B. Resolution: Amending Resolution raising money and making appropriation for the year 1969."

This Resolution, having had its second and final reading, was unanimously passed to be enrolled, there being thirteen in favor and one absent.

C. Resolution: "Approving the Redevelopment Plan for the Civic Center Redevelopment Project". On a motion of Alderman Bergquist duly seconded by Alderman Noel, it was voted to read by title only. Alderman Walsh during the discussion relative to the above resolution stated he is not opposed to the Central Fire Station but is opposed to the location, because of its proximity to the new Court House.

Alderman Acorace stated that there has been hardships to some of the owners since the project was first discussed. Cary Davis stating that there are two pieces of property that would be acquired because of hardship. Also stated was the possibility that the Police Station would be built within this area. Alderman Acorace felt that if this land was not going to be utilized at the time, that possibly it should be sold to private development.

On motion of Alderman Bergquist duly seconded by Alderman Larochele, it was voted that the rules be so far suspended as to permit second and final reading of resolution at this time. The resolution was then taken from the table, put on its second and final reading, on a voice vote and passed to be enrolled.

PUBLICITY MEETING TO FOLLOW

SPECIAL MEETING - BOARD OF MAYOR AND ALDERMEN

April 14, 1969

7:30 P.M.

Mayor Mongan called the meeting to order.

Mayor Mongan called for the Pledge of Allegiance and Ald. Casey led the Board in this function.

The Clerk called the roll.

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Larochele, Verville, Wilcox, Head, Martineau and Psaledas.

Absent: Ald. Noel and Acorace.

Mayor Mongan advised the purpose of the meeting was to consider a proposed Ordinance "Relative to the Inspection and Sanitation of Food-Service Establishments" and on motion of Ald. Psaledas, duly seconded by Ald. Head, it was voted that the members of the Board of Health, William E. Arnold, Acting Health Officer and William O'Neil, Prosecutor, be heard on this proposed Ordinance.

Mr. Arnold, Dr. Howard, Dr. Smith, and Mr. Bergeron all spoke in favor of the Ordinance which had been proposed by the Health Department calling for the licensing of Food-Service Establishments and answered questions posed by the Aldermen.

Mr. O'Neil then answered questions posed by the Aldermen relative to prosecution matters involving violations of the State law and there was one particular restaurant here where Mr. Arnold consulted me and I wrote a letter to the person involved and advised that he would have to comply within a certain period of time. Mr. O'Neil stated that it would not make any difference to him which proposed ordinance he prosecuted under, only that a violation of the code was needed for prosecution.

Mayor Mongan then spoke in favor of the ordinance as proposed by the Health Department stating that he felt the Ordinance should be voted through in its original form and requested the Clerk to read the report of the Bills on Second Reading Committee.

A report of the Committee on Bills on Second Reading was presented relative to a referred proposed ordinance relating to the licensing of "Food Service Establishments" and respectfully recommended, after due and careful consideration that an Ordinance "Relative to the inspection and sanitation of Food-Service Establishments" be substituted in place thereof, as amended. (Amended to take effect upon its passage.)

No motion was made to adopt this report.

On motion of Ald. Psaledas, duly seconded by Ald. Bergquist, it was voted that an Ordinance "Relative to the licensing of Food-Service Establishments" deemed inexpedient to legislate by the Committee on Bills on Second Reading be adopted, Ald. Martineau passing.

Communication was presented as received from New England District of Kiwanis International relative to the Celebration of Canada - United States Goodwill Week, an annual event to commemorate the signing of the Rush-Bagot Agreement demilitarizing the borders between two great nations and requesting authorization of a Proclamation. On motion of Ald. Enright, duly seconded by Ald. Wilcox, it was voted that Mayor Mongan be authorized and directed to issue the requested Proclamation.

Communication was presented as received from One Hundred Seventy-Seven Granite Street, Inc., introduced by Ald. Martineau, requesting a Zoning Change from R-S to I-3 in the area of Goffs Falls Road. Ald. Psaledas advised that some months ago a petition for rezoning in this general area had been presented and the people in the neighborhood were up in arms and that he had requested Ald. Martineau, Chairman of the Committee on Bills on Second Reading, to postpone action on that particular request for three months to allow Mr. Silver to come in with a proposal for his land. Ald. Psaledas stated that he was never against the rezoning but that a buffer zone was wanted from the rear of the homes and the postponement was granted so a plan could be developed and nothing further had been heard until this new request tonight, and I feel this is a conflict of interest. Ald. Martineau advised that at the time the Stewart property came in for rezoning it was decided that the Planning Board would come in with a plan for the entire area and this is the plan they brought in. Ald. Psaledas stated that the Planning Board was supposed to contact him when they had a proposal at which time I would set up a meeting with people in the area. On motion of Ald. Enright, duly seconded by Ald. Kelley, it was voted that this matter be referred back to the Planning Board.

Communication was presented as received from the Police Department wherein they advised that, as a result of a petition from the residents of the area from residents of the area from Joseph Street to Kaunas Circle on both sides of Goffstown Road, the Humane Officer had made a concerted effort in this section to enforce compliance with the "Dog Ordinance" and presented a report of his activities from February 11th thru April 2nd. The communication was received and filed.

A report of the Committee on Traffic was presented relative to submitted statements as received for services rendered in connection with regulating traffic as follows:

"Amending the Zoning Ordinances of the City of Manchester whereby land on Blaine Street, Second Street, Third Street, in general - from the Piscataquog River and from the F.E. Everett Turnpike west to Third

Street, will be rezoned from an R-3 district to an I-3 district"

Enrolled This Ordinance, having had its second reading, was unanimously passed to be enrolled.

Rep. Comm. A report of the Committee on Enrollment was presented wherein they respectfully
Enrollmt. certified that Ordinances

"Amending the Zoning Ordinance of the City of Manchester whereby land on the southerly side of Dunbarton Road be rezoned from an R-1A to R-3 District" and

"Amending an Ordinance Relative to the Adoption and Administration of the Position Classification and Compensation Plans"

are properly enrolled. On motion of Ald. Hunt, duly seconded by Ald. Bergquist, it

Adopted was voted that the report of the Committee be accepted and its recommendations adopted.

Ordinances Two Ordinances:

"Amending the Zoning Ordinance of the City of Manchester whereby land on the southerly side of Dunbarton Road be rezoned from an R-1A to R3 District"

"Amending an Ordinance Relative to the Adoption and Administration of the Position Classification and Compensation Plans"

On motion of Ald. Hunt, duly seconded by Ald. Bergquist, it was voted that these

Ordained Ordinances be read by title only and they were unanimously passed to be ordained.

Ordinance Tabled Ordinance:

"Amending Chapter 35, Ordinances of the City of Manchester entitled 'Governing the Licensing and Operation of Taxicabs'"

Comm. fr. Communication was presented as received from the Public Service Company of New Hampshire
P.S.Co. wherein they requested an easement in Merrimack Common for the instllation of electric service to the New Court House. On motion of Ald. Hunt, duly seconded by Ald. Enright, it was voted that this request be referred to the City Solicitor for review and if
Voted approved by him that the Mayor be authorized to execute the necessary documents.

Ald. Walsh Ald. Walsh then called to the Board's attention the request of Edward Schunemann who is interested in purchasing a piece of land to the rear of his home on Titus Avenue

and fronting on Norfolk Street, thereby permitting him to build a home on Norfolk Street. Ald. Walsh pointed out this this land was obtained by the City at the time Norfolk Street was straightened out and, that being a pie-shaped strip, it could not be put to use unless purchased by an abutter. He stated that although Public Auction was the method to be used in disposing of City land, in this case he felt that the sale to Mr. Schunemann, at a price of \$100.00 as valued by the Assessors, would be in order. Following a brief discussion, on motion of Ald. Walsh, duly seconded by Ald. Psaledas, it was voted to sell a strip of land fronting on Norfolk Street to Edward Schunemann at a price of \$100. Voted Ald. Bergquist then spoke of the complete disruption on Pennacook Street in connection with the bridge construction and the City Solicitor was instructed to look into the possibility of this relocation coming under the bridge contract rather than from the Streets and Sewers appropriation.

At the request of Ald. Psaledas, Mayor Mongan then called a short recess to permit the Committee on Streets and Sewers to meet.

Mayor Mongan again called the meeting to order.

A report of the Committee on Streets and Sewers was presented wherein it was respectfully recommended, after due and careful consideration, that a Road Hearing be ordered and held on Tuesday, June 17, 1969 at 3:00 P.M. in the Aldermanic Chambers and that the deadline for filing petitions be May 22, 1969. On motion of Ald. Hunt, duly seconded by Ald. Bergquist, it was voted that the report of the Committee be accepted and its recommendations adopted.

On motion of Ald. Bergquist, duly seconded by Ald. Hunt, it was voted to amend the report to change the time of the hearing from 3:00 P.M. to 1:00 P.M.

Ald. Acorace then spoke briefly of the conditions existing at the City Dump relative to the litter problem. Ald. Bergquist informed the Board that a sum of money had been voted to completely enclose the dump with a higher fence to eliminate this problem. Ald. Hunt advised that he had slides on the Phoenix solution to parking and parking garages which he would like to show to those interested following adjournment.

Mayor Mongan then announced the appointment of Harry L. Spevack to the Board of Fire Commissioners for a term of three years expiring May 1, 1972. Ald. Enright, duly seconded by Ald. Wilcox, moved to suspend the rules to permit confirmation of the appointment at this time and on a roll call vote, there being seven in favor, three against, 3 passing and one absent, the motion to suspend the rules failed.

There being no further business to come before the Board, on motion of Ald. Hunt, duly seconded by Ald. Enright, it was voted to adjourn.

Ordered that the Committee on Street Lighting be authorized to install at the locations hereinafter listed the following lights with proper fixtures for operating the same, also to discontinue the lights hereinafter listed, installation to be made upon receipt of this order.

Under the rules, the Light Order will lay over to the next meeting.

Resolution:

"Authorizing a Bond Issue in the amount of Two Million One Hundred Thirty Thousand Dollars (\$2,130,000.00) for the Water Works"

Under the rules, the Resolution was referred to the Committee on Finance.

Mayor Mongan then called a recess to permit the Committee on Licenses and Finance to meet at this time.

Mayor Mongan again called the meeting to order.

A report of the Committee on Licenses was presented wherein it was respectfully recommended, after due and careful consideration, that the request of the Manchester Babe Ruth League for permission to conduct a tag day on Saturday, June 21, 1969 between the hours of 9 A.M. and 5 P.M. to help defray expenses be granted and approved. On motion of Ald. Walsh, duly seconded by Ald. Kelley, it was voted that the report of the Committee be accepted and its recommendations adopted.

Communication was presented as received from the City Solicitor wherein he outlined his opinion and that of John F. Beamis, Director of Charitable Trusts, relative to the distribution of monies in the Scovill Trust and requesting permission to retain counsel in Massachusetts to file a petition for instructions. On motion of Ald. Martineau, duly seconded by Ald. Psaledas, it was voted that the City Solicitor be authorized to retain counsel relative to distribution of Scovill Trust funds.

SPECIAL MEETING - BOARD OF MAYOR AND ALDERMEN

June 6, 1969

7:30 P.M.

Mayor Mongan called the meeting to order.

Mayor Mongan called for the Pledge of Allegiance and Ald. Head led the Board in this function.

The Clerk called the roll.

Present: Mayor Mongan, Ald. Hunt, Enright, Kelley, Walsh, Casey, Larochelle, Head, Martineau, Acorace and Psaledas.

Absent: Ald. Bergquist, Verville, Wilcox and Noel.

On motion of Ald. Martineau, duly seconded by Ald. Kelley, it was voted to accept the revised agenda for the special meeting, one item having been added to the original call of the meeting.

An Ordinance:

"Amending an Ordinance Regulating Traffic Upon the Public Streets of the City of Manchester"

This Ordinance, having been drawn by the City Clerk upon the instructions of the Board of Mayor and Aldermen, on motion of Ald. Hunt, duly seconded by Ald. Martineau, it was unanimously passed to be ordained.

Mayor Mongan then detailed the requirements of the developer of Hampshire Plaza starting date of June 2, 1969 for the final revision of plans with a construction starting date of December 31, 1969 and the necessary financing of the parking garage, enabling legislation presently tabled in Concord. The Mayor urged that the Board of Mayor and Aldermen notify the Legislature of their endorsement of House Bills 706 and 708.

Ald. Martineau suggested that a Parking Authority be established to handle such matters this enabling construction and borrowing without becoming a part of the City's bonded debt.

Ald. Casey stated that it was the opinion of the Manchester representatives that there were many more items, such as sewers, water, schools, etc., where money could and should be more wisely spent and it was his opinion that the bills would not be passed.

Mayor Mongan advised that such action could seriously deter Hampshire Plaza and that he would not want to be responsible for this, resulting, most likely, in Elm Street becoming a real 'ghost town'.

Ald. Hunt, duly seconded by Ald. Acorace, moved that the Board go on record as endorsing the passage of House Bills 706 and 708 and that telegrams be sent to members of the Manchester delegation recording the support of the bills. On a roll call vote, there were 2 yeas, 4 nays, 4 absent and 4 passing and the motion failed.

Mayor Mongan then called a recess to permit the Committee on Finance to meet.

Mayor Mongan again called the meeting to order.

A report of the Committee on Finance was presented wherein it was respectfully re-

MEETING - BOARD OF MAYOR AND ALDERMEN

ROAD HEARING

June 17, 1969

1:00 P.M.

In the absence of Mayor Mongan, the Clerk called the meeting to order, advising that a motion would be in order to elect a member of the Board to the Chair.

On motion of Ald. Walsh, duly seconded by Ald. Kelley, it was voted that Ald. Hunt take the Chair.

Ald. Hunt called the meeting to order and called for the Pledge of Allegiance with Ald. Laroche leading the Board in this function.

Roll Call The Clerk called the roll.

Present: Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Laroche, Verville, Head, Noel, Martineau and Psaledas.

Absent: Mayor Mongan, Ald. Wilcox and Acorace.

Ald. Hunt advised the purpose of the meeting was to conduct a road hearing and to hear those appearing for or against the various petitions presented and requested that each person speaking announce their name and address in a loud clear voice for the record.

Hawthorne Street The Clerk then called the first petition as follows advising that each on the agenda would be taken in turn.

very successful in their various other stores, advising that they would plan on displaying good quantities of items in front of the store. The City Solicitor then spoke stating that similar requests had been received in the past on behalf of the Downtown Merchants and that we have a state law which precludes obstruction and encroachments on sidewalks and highways; the law stating that the people are entitled to full use of all sidewalks and highways or any part thereof. Mr. Roche stated that the only place he had seen such a sale was in Wolfeboro and he was not sure that it was not in violation of the law. The City Solicitor also stated that there was an Ordinance prohibiting such a sale. On motion of Ald. Hunt, duly seconded by Ald. Walsh, it was voted that a communication be sent to Leavitt's advising of the City Solicitor's ruling in this request.

MEETING - BOARD OF MAYOR AND ALDERMEN

August 5, 1969

7:00 P.M.

SPECIAL ROAD HEARING

Mayor Mongan called the meeting to order for the purpose of conducting a special road hearing.

Mayor Mongan called for the Pledge of Allegiance and Ald. Martineau led the Board in this function.

The Clerk called the roll.

Roll Call

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Laroche, Verville, Head, Martineau.

Absent: Ald. Wilcox, Noel and Acorace. Vacancy existing Ward 14.

Mayor Mongan explained that the purpose of the meeting was to hear those in favor of, or opposed to, petitions submitted to accept or discontinue certain highways, that as each petition was called, those in favor would speak first, those opposed to follow. He requested that each speaker give his name and address in a loud clear voice for the record. Mayor Mongan also advised that all petitions were viewed at the Road Hearing on June 17, 1969 and that motions would be in order to accept, discontinue, or to take any other action deemed advisable.

The Clerk then called the first petition as follows:

Hevey Street From 400 ft. north of Conant Street northerly and westerly to Blucher Street - Discontinue

Hevey St.

No one from the public appeared either in favor of or against the petition.

On motion of Ald. Martineau, duly seconded by Ald. Bergquist, it was voted that Hevey Street, from 400 ft. north of Conant Street northerly and westerly to Blucher Street be discontinued as petitioned.

Discontinued

The Clerk then called the second petition as follows:

Mary Ann Road Irwin Drive to northerly 239 feet - A New Highway
East Back Street

Mary Ann RD EB St.

The Clerk then called the third petition as follows:

Harold East Back Street Irwin Drive to northerly and easterly 364 feet - A new Highway

Harold EB St.

Both Mr. and Mrs. Bourgeois of 69 Mary Ann Road, spoke in favor of these petitions.

Ald. Hunt, advised that these areas had been viewed at the last road hearing, that they were paved areas and moved, duly seconded by Ald. Walsh, for acceptance as petitioned.

Accepted

Petitions as follows were presented, having been viewed and preliminary action having been taken at a Special Road Hearing held November 8, 1968, however, it having been determined that formal notification to all abutters had not been made, the legal process had now been completed and the petitions presented for formal action by the Board.

Laydon Street From Mammoth Road to Revere Street - Discontinue

Laydon St

Mr. Roger Lessard, 160 Revere Avenue advised that he was in favor of the discontinuance.

Mr. Carleton Leathers, 144 Revere Avenue advised he was in favor of closing.

Mr. William Harris, Lot 282 advised opposed to closing because he will have piece of land

that cannot be used and feel that City should take time in closing streets with expansion needs, these will be necessary. Ald. Casey asked how much land area was involved, and was advised he owned a lot 50 x 100 and that his father had two lots next to it which he would oppose on the closing but was too old to come down and that his son would speak on his behalf. Mr. Harris stated that he felt this closing was being pushed by Sundeen Lumber and if he closed the lumber yard five years from now, this would be a good piece of property.

Mr. Robert Harris, speaking on behalf of his father, Ernest E. Harris, 52 Oakland Avenue, who owns lots 283 and 284 on Laydon Street, opposing for same reason as my brother is, these two lots, with the street being closed offer no access or egress and the lots would be worthless if the street were closed.

On motion of Ald. Casey, duly seconded by Ald. Acorace, it was voted that action on the discontinuance of Laydon Street be discontinued to the next Road Hearing.

Tabled

Parkview
St.

The Clerk then presented the final petition as follows:

Parkview Street South Hall Street easterly to LaVista Street

No one appeared either in favor or against the petition.

On motion of Ald. Verville, duly seconded by Ald. Martineau, it was voted to accept Parkview Street, South Hall Street easterly to LaVista Street.

Accepted

There being no further business to come before the Road Hearing, on motion of Ald. Hunt, duly seconded by Ald. Casey, it was voted to adjourn.

Prior to calling the regular meeting to order, Mayor Mongan advised the Board that he had been advised by Ald. Verville that we have a young lady in the audience, Miss Ellen Yoffa, who was recently honored by the Vice President of the United States and requested that Miss Yoffa come forward. Mayor Mongan advised that Miss Yoffa received a bronze Presidential Medallion at ceremonies in Washington presided over by Vice President Agnew, the program honoring an outstanding student graduating from the nation's high schools and Mayor Mongan presented Miss Yoffa with a charm of the City Seal and a key to the City following which Miss Yoffa received a standing ovation with her father being introduced and his presence also acknowledged.

Moment
of silence

Ald. Psaledas

Mayor Mongan then advised that, before calling the roll, this was the first meeting of the Board since the death of our brother Ald. Peter Psaledas and requested the Board to rise for a minute of silent prayer.

Roll Call

The Clerk then called the roll, Mayor Mongan having called the regular meeting to order.

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Laroche, Verville, Wilcox, Head, Martineau and Acorace.

Absent: Ald. Noel. Vacancy: Ward 14

Comm. #8 Dem. Chrm.
 Special Election Voted
 Communication was presented as received from Anthony S. LaFleur, Ward 8 Democratic Chairman wherein he advised that the members of the Democratic Committee would like permission to hold a special election filling the vacancy to the House of Representatives caused by the death of Alphonse Bernier, and advising they would like to hold the election at the same time as the Municipal Election in November saving any additional expense. On motion of Ald. Verville, duly seconded by Ald. Bergquist, it was voted that a special election to fill the vacancy caused by the death of Alphonse Bernier be held concurrently with the Municipal Election on the first Tuesday in November, the polling hours to be from 6 A.M. to 6 P.M.

Comm fr. United Comm. Services & City Sol.
 Denied
 A communication was presented as received from the United Community Services of Greater Manchester wherein they requested assistance for the 1969 United Fund Campaign and requested permission to place a large banner across Elm Street, probably at the intersection of Elm and Hanover to remind people that the campaign is in progress. The City Solicitor's letter was then read into the record wherein he cited Section 16, Chapter 18 of the Ordinances of the City of Manchester which provide "No person shall erect or maintain a temporary banner over and above any street, avenue or lane in the City of Manchester for any purpose whatsoever" and stated that he was of the opinion that the Board of Mayor and Aldermen does not have any authority to grant this request unless the above ordinance is amended. On motion of Ald. Bergquist, duly seconded by Ald. Hunt, it was voted that the City Clerk direct a letter advising and enclosing the City Solicitor's ruling relative to the Board's lack of authority to allow such a request.

Comm. NH Art Assoc.

Comm. Bd. School Comm. Communication was presented as received from the Board of School Committee wherein it was advised that at its regular meeting held July 22, 1969, it considered the communication from the City Clerk advising of the action of the Board of Mayor and Aldermen in establishing certain city official salaries beginning in 1970, including salaries of School Board members. The communication further stated that in accordance with action duly voted following lengthy consideration of the matter of salary increases, the Board respectfully requests the Board of Mayor and Aldermen to rescind its action on 1970 salary increases insofar as it refers to the Board of School Committee. Ald. Walsh stated that the School Board was not being consistent in that they had requested, in the budget, an increase for travelling expenses but were here recommending a salary increase be turned down and questioned their ability to do this since the same members of the Board may not be in office for the term covered by the proposed increase. Ald. Bergquist stated that he felt this looked like a 'political action' by the School Board. On motion of Ald. Acorace, duly seconded by Ald. Martineau, it was voted that the communication be received and filed.

PUBLICITY MEETING TO FOLLOW

SPECIAL MEETING - BOARD OF MAYOR AND ALDERMEN AND BOARD OF SCHOOL COMMITTEE

September 1, 1969

7:30 P.M.

Mayor Mongan called the meeting to order at 7:55 P.M. in Joint Session with the Board of School Committee.

Call to Order

The Clerk of the Board of Mayor and Aldermen called the roll.

Roll Call BMA

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Larochelle, Verville, Wilcox, Head, Noel, Martineau, Acorace; Vacancy Ward 14.

The Clerk of the Board of School Committee called the roll.

Roll Call BSC

Present: Committeemen Branch, Brown, Martel, Drouin, Puchacz, Pappas, Lamontagne, Burke, Pollock, Angeli, LaPlante, Chenard and Wallace. Absent Committeewoman Monaghan, it being noted that Miss Monaghan was absent because of the death of her mother.

At the request of Ald. Walsh, a moment of silence was observed out of respect to the memory of Mrs. Delia Monaghan, mother of Committeewoman Monaghan.

Mayor Mongan advised that the meeting was called because of the telegram sent by the Clerk of the Board of School Committee as follows: At a special meeting held this date

the Board of School Committee by vote taken requests that the Board of Mayor and Aldermen or their representatives meet with representatives of the Manchester Education Association and the Chairman of the Negotiations Committee of the Board of School Committee, the Superintendent of Schools and the negotiations attorney of the Board of School Committee

Telegram Read

prior to September 2. Signed by Louis R. DesRuisseaux, Clerk, Board of School Committee.

Mayor Mongan then advised that he had called this meeting, both Boards meeting jointly, since at this time the Board of Mayor and Aldermen has not acted on negotiating directly with the MEA and the Board would like clarification as whether or not there is a formal request from the Board of School Committee to the Board of Mayor and Aldermen that they form a joint committee and meet jointly for negotiating purposes with the MEA and asked if that

was the intent of this telegram. Following a discussion and with a further request for clarification by Mayor Mongan, Vice Chairman Pappas advised that the purpose of the special meeting on Saturday night was to request such a meeting. Mayor Mongan stated that he understood a motion was taken at your meeting and a 4 to 4 vote on another motion and that what the Aldermen wanted to know was if it is the intention of the Board of School Committee that they do have the Aldermen involved in the negotiations. Mr. Pappas then stated that he had seen in the newspapers that the Board of Mayor and Aldermen had not received a formal communication for such a request and that he had called the meeting since he felt action should be taken for the simple purpose of attempting to eliminate the possibility of not having school on Wednesday and this was his purpose in calling the special meeting of the Board of School Committee on Saturday night and sending the formal communication, which has been done. Mayor Mongan then stated that we were going right around in circles.

Committeeman Pollock then stated that there seemed to be some difficulty arising here and requested that the minutes of Saturday night's meeting of the Board of School Committee be read here and that he felt this would clarify the situation, and further that he would particularly like his remarks relative to negotiations read into the record. In reply to a question from Mayor Mongan, Committeeman Pollock stated that he felt it was quite important to read the minutes into the record.

Committeewoman Brown stated that she would be able to briefly clarify the record of Saturday night, Mayor Mongan advising that the motion for reading of the minutes was in order and on motion of Committeeman Chenard, duly seconded by Committeeman Wallace, it was voted to recess for ten minutes to enable the Clerk of the School Board to obtain the records at the Administration Offices.

Mayor Mongan then again asked for the record if it was the interpretation of the Board of School Committee that this was the request, that the Board of Mayor and Aldermen meet with the MEA, to which Mr. Pappas replied in the affirmative. Mayor Mongan then advised that the question was before the Board of Mayor and Aldermen, with the determination to be made as to whether the Board of Mayor and Aldermen will become involved in the negotiations.

Ald. Martineau stated that we could meet with the School Board here but questioned the ability of the Board to meet with the MEA at this late hour and further stated that he had a suggestion to make as a member of the Board of Mayor and Aldermen that the teachers tomorrow show their willingness to not call a strike then we would be in a position to sit down and negotiate with them, but that he would never do it under the threat of a

strike and that he did not believe the teachers would vote to go on strike, that he felt personally our teachers were civic minded citizens, that he had spoken to many of them and it was his feeling that the MEA was not representative of the teachers as a whole, that the teachers, for the most part, were dedicated people, that we are looking at the gloomy side of the picture where there is an optimistic side, that we have made great strides in the past and can do it in the future and that he, speaking for himself, would not negotiate under a strike threat but as a member of the Board would consider negotiations if they go back to school on Wednesday.

In response to a question by Ald. Bergquist relative to signed contracts from the MEA and from the school teachers to the School Board and are they legally binding, Attorney Peters advised that after four months of negotiations was to reach a final agreement as far as the School Board and the MEA was concerned, this was gone over page by page, even more than that sentence by sentence, paragraph by paragraph and finally there was complete agreement that we had arrived at a full and complete contract. As a matter of fact, I believe, that Mr. Roche has the original contract in his possession signed by their negotiating committee, every one of them including Mr. Pettigrew and also by the School Board's negotiating committee. Then it was the job of each Board to go back and get a vote. The MEA had a meeting and had vote where the contract was approved. It was then signed by the then-president of the MEA Ray Downton, delivered signed by Mr. Downton to the Administration Building of the School Board. Then Mr. Pappas, the vice-chairman of the School Board later called a meeting to have the School Board approve the same. By the time that meeting was held, Mr. Downton or someone else from the MEA picked up the two contracts signed by the MEA and took them away. The School Board, nevertheless, did vote on the master contract, pass on it and approved it. The final form was then prepared, signed by Mr. Pappas, delivered to the MEA through their attorney, Mr. Middleton and he had the original and a copy of the master contract signed by Mr. Pappas. The MEA then said they would not sign the contract or any other contract or return the one they had unless the Aldermen gave them the money included in the contract. While this was going on, the Superintendent mailed contracts to every one of the teachers, those are all signed, all returned and Mr. Kelly has those contracts all executed. So it is our position that we have to go to court, that we do have a contract with the MEA no matter what they say and also with the individual teachers but that is not really an issue here tonight.

Mayor Mongan thanked Attorney Peters for the background information and advised again that the question was still before the Board of Mayor and Aldermen as to whether or not they wish to meet in joint negotiations with the MEA.

Ald. Bergquist then advised that it was his understanding that the National Association had not accepted the contract and that they are prepared to send representatives to the City to manage the strike with Attorney Peters advising that the National Association did not have to sign the contract and that he had been informed that the National has already sent people here to actually run the strike that the teachers are threatening,

someone they considered a professional from their organization in Washington to run the strike.

Ald. Hunt stated that he considered, after hearing this, that the teachers have a contract and that the MEA has signed a contract whether they liked it or not and he would expect the teachers to be at work Wednesday morning, that, on the other hand, if they are looking for a committee to negotiate with, I suggested at the last Finance Committee meeting that a committee could be appointed and suggested at that time Mr. Jenkins from our Personnel Department, Mr. Tetu and the City Solicitor to represent the Board of Aldermen and would put that in the form of a motion. Mr. Peters then informed the Board that the contract did provide that if the Board of Mayor and Aldermen did not implement it fully, through the financial aspects of it, the MEA could continue to negotiate on the issue of the salaries only so that what they are stating is that the School Board does not have power over the purse strings and that is why they are asking for a joint meeting.

Mayor Mongan then asked for an interpretation from the Board of School Committee as to the wording in their telegram request for a joint meeting with the Board of Mayor and Aldermen or their representatives with Committeeman Branch advising that it was their intent to leave that to the Mayor. Mayor Mongan stated that there was a motion on the table, not seconded, for a committee who were not Aldermen and specifically asked if the School Board wanted Aldermen specifically with Committeeman Branch advising that the School Board had met many times with the Aldermen and their thought was that a committee to meet with the MEA might further the negotiations with a direct meeting and the School Board thought was that it would be the full Board of Mayor and Aldermen or some of the Aldermen, a committee appointed by you. Ald. Noel stated that he felt it should be the full Board of Mayor and Aldermen so that everyone would know what was going on.

Mayor Mongan then brought up the fact that the question had arisen as to another department asking the same thing with Ald. Hunt advising that we are half way in the stream now and if we appropriate more money, which we don't have, to the school teachers who are important to our community, as is the Highway Department and every other department in the City, then we are going to be faced with the same request from all others; that he felt it could wait until 1970 when the next budget is being prepared.

Ald. Martineau stated that it was too late for us tonight to meet with the MEA but we are having a regular Aldermanic Meeting tomorrow night and by that time we will know what the result is and if the teachers and the executive board of the MEA show their good faith and if they do vote to go back to work on Wednesday then you can appoint a committee to serve with the School Board and the MEA but they have to show good faith, that they want to negotiate in good faith that they want to negotiate and we will too, and I say again that I will never consider, myself, under the threat of a strike; if they go on strike, that is it.

Committeeman Pollock informed the Board that, in his opinion, there is a conspiracy between certain School Board members and certain members of the Administration and the MEA and I say that whatever committee be selected should be careful because in many areas people are interested in pushing something on the taxpayers other than just the school teachers and he was convinced, personally, of this; over the last two years he had been on the committee and the original negotiating committee was never disbanded, they just decided that they needed a new one, they were told that they better get rid of this member and reiterated his charge of a conspiracy.

Committeeman Branch then stated that this was a different situation, that there was no other group who might want a raise where it has to go through two complete Boards as you do here; they have to go through our Finance Committee and our full Board then your Finance Committee and full Board and he felt this made some difference in discussing finances.

Committeeman Wallace pointed out that he did not feel that negotiations had been closed that, personally, from meeting with this group, he felt that something could be arranged between now and the end of the year that would not entail any more monetary allocation and that he did not agree with the Alderman from Ward 12 that it was too late to negotiate to reach an agreement, that to reach an agreement it could be done at any time and he felt that we should still make an effort, that the Board of Mayor and Aldermen could still become involved and further he did not think things were quite as black as everyone was trying to paint them tonight.

Mayor Mongan pointed out that a meeting now with the MEA could not hope to accomplish what the School Board had tried to accomplish in twenty-two meetings, and further that the Aldermen should be considered full partners in negotiations not limiting it to finances, that the full contract would be open to consideration by the full Board of Mayor and Aldermen. Committeeman Wallace stated that this could be discussed at one meeting.

Again Mayor Mongan stated that the question was still before the Board of Mayor and Aldermen as to whether the Board wished to meet in joint negotiations with the Board of School Committee or their representatives with the MEA and that he would like to hear from the Aldermen on this.

Ald. Bergquist stated that as Aldermen we only set up the budget, give the money to the School Board to spend as they see fit and he felt it was their responsibility to carry the ball and negotiate with the MEA, not ours, that it was about time the School Board took the bull by the horns and left us alone, that in looking back in our Charter, he saw where we had no responsibility whatsoever to the MEA.

Ald. Acorace advised that it was probably the feeling of the majority of the Board, that at this point perhaps a meeting would be fruitless, that having funds to grant plus the fact that this Board could not commit a future Board so that if we did get involved, we could offer no more.

Mayor Mongan then made reference to the number of meetings that had been held on the negotiations and that regardless of whether there had been or will be a committee of the Board of Mayor and Aldermen, there would be no guarantee that the full Board would go along with their recommendations and made reference to a motion, some years ago where the Library Trustees had voted to approve \$10,000.00 to keep the library open additional hours, but when he came in to the Board, this was voted down and this could very well happen here. He further made reference to the number of meetings the Aldermen had last year in addition to the various committee meetings and to add the negotiating meetings for the School Board and the possibility of negotiating with various other departments, it was a possibility that the Aldermen would come in to champion the various departments on which committee they served and still would be outvoted in the final analysis.

Committeeman Chenard then spoke at length relative to the need for the MEA to speak or negotiate with someone who has the control over financial matters; that the School Board was not trying to avoid their responsibilities but was trying to avoid a strike; that should the teachers go on strike it will not be the next administration which will face the problem but this Board present now.

Ald. Martineau requested that the City Solicitor again brief the Board as to further legal action relative to their opinion as to the legality of the existing contracts and the possibility of contempt action and breach of contract.

The City Solicitor stated that he would not like to get into a discussion here as to the master contract; that the teachers had signed individual contracts leaving the master contract out of it and even though that refers to a master contract, it is recognized in this that if the Aldermen should not implement the master contract, they will be given the amount funded and this was attached to the individual contract and every teacher received this; there was also the provision that should additional funds be implemented, they would be given more accordingly. He stated that since the teachers had signed individual contracts they would be upheld by the court. He further stated that in his opinion we need no contract whatsoever since in 1957 he referred to no contract, and in this case he felt it could be ignored, and the court would uphold and take the same action as before, precluding them from striking and having then a remedy for contempt of court. He further pointed out that the teachers do not seem to be aware or told of this situation, that he had listened to a radio program prior to coming to the meeting and the teachers all seemed to be of the opinion that they had no contract. He again stated that the teachers could not strike whether they had a contract or not.

Attorney Peters concurred with the City Solicitor's statements, that they felt they had done a good job, that the only time the Board of Mayor and Aldermen should be present would be in financial matters because those are the only ones the Board has control over; but now that the deadline is here they could be playing one against the other.

He further stated that it appeared that Ald. Martineau had a reasonable suggestion when he stated that we were at the deadline now and if you call off your strike and go to work on Wednesday, then the Mayor will be authorized to appoint as many men as he wants to meet with them for a limited time or a limited number of meetings and he felt this would accomplish the purpose and it could never be said that either Board were not cooperating with them.

Mayor Mongan again stated that should the Aldermen become involved it would not be only as far as financial matters are concerned but would include the entire contract since there has been no mention made, other than benefits to the teachers, relative to the betterment of education for the children.

On motion of Ald. Martineau, duly seconded by Ald. Noel, it was voted that the communication from the Board of School Committee be tabled until the regular meeting of the Board of Mayor and Aldermen on Tuesday, September 2, 1969.

This being a special meeting with no further business to come before the Board except by unanimous consent of all members present, on motion of Ald. Acorace, duly seconded by Ald. Noel, it was voted to adjourn.

On motion of Committeeman Puchacz, duly seconded by Committeeman Branch, it was voted that the School Board adjourn.

City Clerk

MEETING - BOARD OF MAYOR AND ALDERMEN

September 2, 1969

7:30 P.M.

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Larochelle, Verville, Head, Noel, Martineau and Acorace. Absent: Ald. Wilcox because of death of his mother-in-law. Vacancy existing in Ward 14.

Roll Call
MA

Mayor Mongan advised that prior to calling the regular meeting of the Board to order, there would be a brief Joint Session with the Board of School Committee and requested the Clerk of the Board of School Committee to call the roll.

Roll Call
BSC

Present: Committeemen Branch, Brown, Martel, Drouin, Puchacz, Pappas, Lamontagne, Burke, Pollock, Angeli, LaPlante, Chenard and Wallace. Absent: Committeewoman Monaghan because of death of her mother.

Mayor Mongan called for the Pledge of Allegiance and Ald. Hunt led the Board in this function.

Mayor Mongan then called the joint session to order, advising that he was aware of the rule of the Board of School Committee prohibiting television recording of meetings and stated that Channel 11 TV was present and wished to record the proceedings, requesting that a motion be made permitting this if acceptable. On motion of Committeeman Pollock, duly seconded by Committeeman Puchacz, it was voted that Channel 11 be permitted to record the proceedings of the meeting.

Minutes

On motion of Ald. Hunt, duly seconded by Ald. Bergquist, it was voted to dispense with the reading of the minutes of the previous meeting of the Board of Mayor and Aldermen.

Dispensed

On motion of Committeeman Lamontagne, duly seconded by Committeeman Branch, it was voted to dispense with the reading of the minutes of the previous meeting of the Joint School Board and Board of Aldermen.

Purpose

Mayor Mongan advised that the purpose of calling the joint session was to request that the school buildings, which are in the custody of the Board of School Committee and since in the last difficulties the schools, in some cases, were closed and the children sent home by the principals, be turned over to the school custodians in order to open and keep open during the school day. On motion of Committeewoman Brown, duly seconded by Committeeman Drouin, it was voted that this action be taken.

Mayor Mongan then advised that he had requested the Police Department to have an officer at each school tomorrow, the Fire Department to have an officer or firefighter there and the Parks and Recreation Department who has the responsibility for the grounds to have a man at each school and in addition the Health Department will have nurses in schools as far as possible and the Maintenance Department who has the responsibility to maintain the schools will have representation so that will be five people in each school in addition to which the Highway Department will have members of the engineering staff to fill in at the junior high schools so that all schools will be open and requested that this action be confirmed by the Board of Mayor and Aldermen since, as Mayor, he did not have the authority, that this action should be taken by the various commissions involved.

Voted

On motion of Ald. Bergquist, duly seconded by Ald. Noel, it was voted that Mayor Mongan's action in safeguarding the children be confirmed.

Committeeman Martel requested that the Board of Mayor and Aldermen reconsider their action of last night to avoid a catastrophe which could happen in allowing the children to enter the buildings without having the teachers present. Committeeman Martel spoke at some length on this matter, stating that he did not see where any harm could come from meeting with the MEA, advising they were only a few blocks away and made a motion, seconded by Committeeman LaPlante, to have the Aldermen meet with the MEA. The City Solicitor stated that in his opinion the motion was out of order, that it would have to be a motion of the full Board.

Vice Chairman Pappas then asked if the tabled communication was not before the regular meeting of the Board of Mayor and Aldermen tonight and Mayor Mongan advised that it was, with Mr. Pappas stating that he could see no sense to the motion. Mayor Mongan then inquired if this should be considered as a second request from the Board of School Committee that the Board of Mayor and Aldermen meet jointly with the MEA and the School Committee and Committeeman Martel answered yes.

Committeeman Pollock then stated that he was quite concerned about the 14 thousand pupils and reminded the meeting that a good suggestion was made last night relative to the

teachers showing their good faith and returning to school following which we would be open to meet with the MEA. Mr. LaPlante stated that he would like to clarify a point since he seconded the motion and stated that he did so because as a Committeeman he felt this was owed to the MEA because there was a clause in the written contract which said that if the wages, etc., agreed upon was not met by the Board of Mayor and Aldermen, that a faithful effort would be made to reach an agreement and in his estimation, this was being done. Committeewoman Brown supported this but stated that she agreed with the point made last night in that it was difficult to negotiate under a strike threat.

At the request of Mayor Mongan, the City Solicitor advised of action that had been taken since last night's meeting, pointing out that, as of this afternoon, all of the officers of the MEA and the Executive Board and all members of the MEA, all public school teachers not members of the MEA and all persons unknown who were taking a part in these proceedings and who can be brought in for contempt were being served, following the court issuance of the requested injunction and the court's direction in instructing the officers and directors of the MEA to notify their members to return to work tomorrow and precluding all action pertaining to a strike against the City of Manchester that would be taken collectively. This injunction was signed by the court and it will take a number of hours to get out the orders of notice but all will be served during the evening with this injunction and pertinent papers. There will be a court hearing on the temporary injunction sometime during the week of September 15th. He stated that if the teachers honor this injunction they would vote tomorrow morning to return to school and if they disobey the injunction then we are prepared to bring them in on criminal contempt and we will have people there to see what is going on.

Vice Chairman Pappas then stated that it was crystal-clear the court had ruled in favor of the Board of School Committee that the teachers return to their classes tomorrow and we feel quite sure that they will return but in case, to all interested parents who are concerned about the welfare and safety of their children, and along with the Mayor's action, the Board of School Committee has established work schedules to man any schools necessary and stated that he felt quite confident there would be no problem.

Committeeman Martel then stated that his reason for the motion was simply to re-emphasize the importance of a meeting between these groups, that he disagreed somewhat with Mr. Pappas in his statement that there would be no problem tomorrow, that he felt many teachers would not report to school in spite of the injunction and stressed again his feeling as to the importance of a meeting with the MEA. He then withdrew his motion.

In reply to an inquiry from Mayor Mongan, Vice Chairman Pappas advised that the Board of School Committee would adjourn to the Administration Building and the Board of Mayor and Aldermen would proceed with their regular meeting.

Under the rules, the Light Order will lay over for final reading at the next meeting.

Mayor Mongan then made note of the fact that his appointment of Wilbur L. Jenkins as Personnel Director, which was made at the meeting of August 5, 1969, required confirmation of the Board and requested such confirmation now be made. On motion of Ald. Hunt, duly seconded by Ald. Martin, it was unanimously voted to confirm the Mayor's appointment of Wilbur L. Jenkins to fill the position of Personnel Director.

- Tabled Comm. fr. Bd.School Comm. Mayor Mongan then advised of the tabled communication from the Board of School Committee, tabled at last night's meeting pending the action of the MEA this morning. Ald. Mar-

tineau stated that it was his belief, after last night's meeting when we pleaded with the School teachers not to vote for a strike, after they had been told by the City Solicitor that it was unlawful for them to go on strike, I don't think this Board has any other alternative but to let the court handle the case, let the law follow its course, and therefore, he moved that the proposed meeting be postponed indefinitely until the case has been cleared with the court.

Ald. Hunt then stated that there was a question involved here, that he was not seconding the motion at this particular time, but did think that his suggestion to the Board that a Committee could be set up, he felt that, under the circumstances it would have to stay that way until such time as the court does settle the cases and at that time we could sit down, you could appoint a committee, which he had mentioned before and stated he would like to repeat again that the Committee could be the City Auditor, the City Solicitor, the Personnel Director and one member of the Board of Aldermen.

Ald. Martineau stated that this was exactly his motion, the motion being to postpone until the court's rule, with Ald. Hunt then seconding Ald. Martineau's motion stating further that when the court settles it, His Honor will appoint a committee to sit down with the MEA and the School Board.

For clarification purposes, Mayor Mongan then asked if he understood correctly that if the teachers obey the order of the court tomorrow and return to school, he is then being instructed to set up a committee to meet with them and both Ald. Martineau and Ald. Hunt stated that was their understanding.

The motion that the communication be tabled indefinitely until such time as the court settles it and at that time a committee would be set up consisting of Armand Tetu, Wilbur Jenkins, Francis Roche and one member of the Board of Aldermen was reread with Mayor Mongan advising that he was not aware that the Committee would be restricted, stating it was his understanding that it would be up to the Mayor to appoint. On motion of Ald. Martineau, duly seconded by Ald. Hunt, it was voted to amend the motion to permit the Mayor to appoint the committee and the motion as amended was unanimously adopted.

On motion of Ald. Martineau, duly seconded by Ald. Noel, it was voted, as requested by Ald. Head, it was voted to proceed with the election of a Water Commissioner to fill the term of Charles A. Burke expiring in January 1970, the term of a new Commissioner to be for six years.

Ald. Head then placed the name of James Sweeney, Sr. in nomination. Ald. Bergquist then placed the name of Charles A. Burke, to succeed himself, in nomination. On motion of Ald. Noel, duly seconded by Ald. Martineau, it was voted that nominations be closed.

Mayor Mongan stated that according to the rules of the Board, eight votes were required for election and the Clerk proceeded to call the roll.

On the first ballot, Ald. Enright, Kelley, Walsh, Larochelle, Head and Noel voted for Sweeney; Ald. Hunt, Bergquist, Casey and Martineau voted for Burke, Ald. Verville and Acorace passing.

Larochele

A motion was made, duly seconded by Ald. Kelley, that a feasibility study be made as to the possible erection of a plaque or memorial to our five young men recently lost in VietNam. Ald. Acorace stated that he felt this was a good motion and that perhaps we should investigate the possibility of using the St. Maries Bank to set up such a memorial not only for these five men but for all who have lost their lives in the service of their country. Mayor Mongan pointed out that this site was in the Urban Renewal Plan and they would have control over the site, also advising that we have an Art Commission available for such purposes, and that there was no reason why they should not be called on in this case. On motion of Ald. Acorace, duly seconded by Ald. Noel, it was voted that the Art Commission be contacted relative to the erection of a suitable plaque or memorial for our servicemen and for a recommendation as to the feasibility of utilizing the St. Marie's bank site for this purpose.

The Ordinance was then read by the City Clerk and under the rules, was referred to the Committee on Bills on Second Reading.

Ald. Acorace then advised that he had a difficult chore, that while serving on this Board he had gained a wealth of experience, have met many people, made innumerable friendships with deep meaning to them, that it had been a pleasure to serve alongside this honorable Board of real gentlemen, a group that has continually evidenced their desire to serve the best interests of the City of Manchester and of his pride in being one of their associates, and with deep regret he submitted his resignation forthwith as Alderman from Ward 13; further stating that he had given this a great deal of thought, that his final decision was made with reluctance but with the knowledge that he could continue to serve the City. Ald. Acorace further extended his thanks to this Board, as well as the previous Board, for a wonderful relationship over the past four years. On motion of Ald. Martineau, duly seconded by Ald. Hunt, it was voted to accept Ald. Acorace's

resignation with regret.

Mayor Mongan then appointed Joseph Acorace to the position of Auditor of the City of Manchester succeeding Armand Tetu, at the time of Armand Tetu's last active day on duty as Auditor, advising that he was a graduate of the University of New Hampshire with a Bachelor's degree in economics, has thirty graduate credits towards a Masters degree in business administration and will shortly complete courses towards that degree, has nine years experience in business in a managerial capacity having to do with finance and knows the City government well having served two terms on the Board of Mayor and Aldermen and in particular, during his present term, as a member of the Committee on Accounts and the Committee on Finance. Mayor Mongan also stated that as a member of the Committee on Accounts his ability was recognized by Mr. Tetu who made the recommendation that he thought Joseph Acorace would be a very able assistant and that he would be very pleased to work with him for an orderly transition, this feeling also expressed by the present Assistant to the Auditor. Mayor Mongan stated that he had been involved, for some time, with the prospective applicants for the position as Deputy City Auditor and had been surprised at the qualifications submitted which did not stand up when checked out. On motion of Ald. Martineau, duly seconded by Ald. Head, it was voted to suspend the rules to permit confirmation of Joseph J. Acorace to succeed Armand E. Tetu, as City Auditor effective as of the last day of active duty by Mr. Tetu. On motion of Ald. Martineau, duly seconded by Ald. Hunt, it was unanimously voted to confirm the appointment of Joseph J. Acorace as City Auditor effective as of the last day of active duty by Armand Tetu. Mayor Mongan then announced that Joseph J. Acorace having received the required number of votes was duly elected to succeed Armand Tetu, was duly appointed to the post of City Auditor effective on the last active day of Armand Tetu, and he so declared it.

SPECIAL MEETING

BOARD OF MAYOR AND ALDERMEN
AND
BOARD OF SCHOOL COMMITTEE

September 6, 1969

8:00 P.M.

Mayor Mongan called the meeting to order.

Mayor Mongan called for the Pledge of Allegiance and Ald. Enright led the joint boards in this function.

Roll Call The Clerk called the Roll.

BMA

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Larochelle, Verville, Wilcox, Head, Noel and Martineau. Vacancies existing Wards 13 and 14.

Roll Call Present: Committeemen Branch, Brown, Martel, Drouin, Monaghan, Puchacz, Pappas,

JSB

Lamontagne, Burke, Pollock, LaPlante, Chenard and Wallace

Purpose of Meeting Mayor Mongan advised that there had been some preliminary meetings to this one involving the Negotiating Committee of the Board of School Committee and the special Committee of the Board of Mayor and Aldermen in which some avenues of agreement were explored and that during one of these meetings it was stated by representatives of the MEA that the proposed implementation of the master contract that all phases must be implemented by September 1st, with the next question being where would the money come from with the possibility that the pay for the last three days would accumulate and be available but it does not work out that way because the auditor pays 1/3 for the balance of the year and 2/3 for next fiscal year so that no matter how many days are worked in this fiscal year it still comes out the same so that the money for the past few days is not available, however there is a source of money which, quite frankly, we thought was already spent. As you know there was \$35,000.00 appropriated out of the sale of the land to the telephone company, this allocated for the purchase of typewriters, and by putting this money on a short term note since the typewriters have not been paid for, this would make the only source of funds available so that what we are proposing now to you now is that the ten step program be implemented immediately, which means for the full month of September, on the five percent index and in return for that the teachers would return to work on Monday and the contract would be open for further negotiation. In the period between now and the end of the year, the negotiations will continue on other sections of the contract on which we have questions and then the contract would be signed and on the last pay period in December we would implement the other two steps to make up the full twelve steps. By implementing them on the last pay period of December, they are on the books for the new fiscal year and are automatically carried over; and on the last pay period of December we would also have to go back to all other City employees and give them a comparable pay raise so that this will be a very expensive situation, not on this years tax rate but on next years. If there is no money for the other employees pay raise it will just have to come out of the budget for whatever department they work for and hoping the department will end up not in the red.

Mayor Mongan further advised that this was the proposal that had been worked out.

Mayor Mongan then stated that he was aware of the rule of the School Board relative to recordings of proceedings and advised that WHDH-TV Channel 5 was present and requester permission to televise the proceedings. On motion of Committeeman Pollock, duly seconded by Committeeman Puchacz, it was voted that permission be granted to televise the meeting.

Mayor Mongan then advised that this meeting would be to take action on the report of the Aldermanic Special Committee and the Negotiating Committee of the Board of School Committee on the action taken this afternoon at the meeting with the MEA.

A report of the Special Aldermanic Committee was presented wherein it was respectfully recommended, after due and careful consideration, that we approve funding of contract as approved by the Board of School Committee effective December 1, 1969 with the following exceptions:

1. Sick Leave reduced 90 days to 60 days.
2. Health Insurance to be reduced from \$9.50 to \$5.00 per month.
3. Sabbatical leave approved but not funded in 1960-1970.
4. Bereavement leave reduced from 5 days to 3 days, according to School Committee changes on Article 17, Section (c).
5. Extracurricular activity be funded September 1969.

It is further approved that the Mayor be authorized to appoint a Committee of Aldermen to meet jointly with the Negotiating Committee of the Board of School Committee and the MEA for all further contracts. On motion of Ald. Hunt, duly seconded by Ald. Walsh, it was voted that the report of the Committee be accepted and its recommendations adopted. Adopted

A report of the School Board Negotiating Committee was presented wherein it was respectfully recommended, after due and careful consideration, together with a special committee of the Board of Mayor and Aldermen recommend that the master contract of the Manchester Education Association previously approved and signed by the Board of School Committee be revised in accordance with provisions of the vote of the Board of Mayor and Aldermen at the recommendation of the Special Committee on Negotiations as follows:

Approve funding of the contract as approved by the Board of School Committee effective December 1, 1969 with the following exceptions:

1. Sick leave reduced 90 days to 60 days.
2. Health Insurance to be reduced from \$9.50 to \$5.00 per month.
3. Sabbatical leave approved but not funded in 1969-1970.
4. Bereavement leave reduced from 5 days to 3 days, according to School Committee changes on Article 17, Section (c).
5. Extracurricular activity be funded September 1969.

It is further approved that the Mayor be authorized to appoint a Committee of Aldermen to meet jointly with the Negotiating Committee of the Board of School Committee and the MEA for all further contracts. On motion of Vice Chairman Pappas, duly seconded by Committeeman Puchacz, it was voted that the report of the School Board Negotiating

Adopted Committee be accepted and its recommendations adopted.

Ald. Casey Ald. Casey stated that after taking quite a bit of abuse over the past few days on the telephone, it was his feeling, if we accept this contract as is tonight, he sincerely hoped that all other departments would be reconsidered in all faithfulness.

Comm. Burke Committeeman Burke made a recommendation that, in all future negotiations, an attorney be present to insure no further problems of this type.

Comm. Martel Committeeman Martel inquired, as to further and future negotiations with a Joint Committee, if the Aldermen would have a right to vote with Mayor Mongan advising that the initial request was that a joint committee be formed such as the Joint School Building Committee which has equal rights on both sides with the right to vote so that a joint negotiating committee would also have a full vote.

Ald. Walsh Ald. Walsh stated that he hoped that any further negotiations with a Joint Committee would not have a conflict with animosity on either side.

Comm. Pollock Committeeman Pollock stated that one thing which disturbed him was the fact that it apparently had not been made clear, nor have we been assured that the MEA recognizes that there is no such thing as being allowed to strike, and that he was concerned about the discussion in this particular area and that this was his particular objection to the proposed settlement. Mayor Mongan stated that the master contract contains Article II regarding Strikes etc., which prohibits them from such action under the contract and then if the contract is not renewed at the end of the school year, the Association may engage in any activity which is not unlawful in the State of New Hampshire and since strikes are unlawful it would seem they cannot strike. Mr. Pollock stated that the only reason he was going along with the recommendations was because of the children involved that after the recent actions of the teachers he was convinced we no longer have dedicated teachers, in this respect we should be assured they must be obedient to the law with no more tapping them on the wrist and we should be assured by the MEA that there will be no strikes; we negotiated faithfully but we had teachers in Manchester who stood out against the law and the only reason he was going along with this was to insure the children of the City get a good education.

Burke re minutes Committeeman Burke requested, if it were proper, that the minutes of this afternoon's meeting be read with Mayor Mongan advising that this had been an Executive Session and that only the results of the meeting are published.

Voted Mayor Mongan then stated that remarks had already been made relative to assurance that other City departments be given equitable treatment in December along with the treatment given the school teachers and on motion of Ald. Casey, duly seconded by Ald. Martineau, it was voted that if the teachers are to be taken care of now, the rest of the departments also be taken care of with equitable consideration.

Ald. Martineau Ald. Martineau then stated that he would like to compliment the Mayor on the way he had handled things this week, that he had been calm, cool and collected and that the only interest anyone of us could see was that the fact that he wanted to make sure that the

taxpayer would get the maximum for what was to be paid; that in addition, as an Alderman he had to deal with a group of fanatics calling at all hours of the day and night so much so that his wife inquired as to whether he was dealing with schoolteachers or longshoremen, that the receiver had to be taken off the hook, that the School Board members had also been subjected to this treatment and that last but not least, our two attorneys, Messrs, Roche and Peters, should be complimented on the magnificent job done.

This being a special meeting with no further business to come before the Board unless by unanimous consent of all members present, on motion of Ald. Hunt, duly seconded by Ald. Bergquist, it was voted to adjourn, and on motion of Committeeman Puchacz, duly seconded by Committeeman Burke, it was voted to adjourn.

SPECIAL MEETING - BOARD OF MAYOR AND ALDERMEN

CONDEMNATION HEARING

September 24, 1969

7:00 P.M.

Mayor Mongan called the meeting to order.

Mayor Mongan called for the Pledge of Allegiance and Ald. Kelley led the Board in this function.

The Clerk called the roll.

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Larochelle, Verville, Wilcox, Head and Martineau. Ald. Noel was absent because of a death in the family and vacancies existing in Wards 13 and 14.

Mayor Mongan announced the first item of business was the Petition for Condemnation and Assessment of Damages relative to the Derryfield Ski Slope Area, advising that the Board would hear all those in favor and then those against, and that a time and date for viewing the properties in question would then be set. The City Solicitor then outlined the steps involved in the taking and explained in detail the petition and the efforts that had been made and the meetings held to effect a settlement with all parties. He further advised that at the time of the viewing the Aldermen would have to determine if the land is to be acquired and set forth damages occasioned by the taking, the return to be filed in the City Clerk's office and at that time the Treasurer would issue checks to the people involved in the amount determined by the Board and the City would then become the owners of the property and the individuals involved would then have thirty days to appeal to the Superior Court. Mr. Roche further stated that time was of the essence, that he had been informed by Mr. Lemire that if this project is not underway within a month, then we stand a chance of losing Federal money. Mr. Roche then stated that those people present can now state their views and that between now and the date for the viewing, he and Mr. Kanter, the appraiser, would make themselves available to answer any questions. In answer to a

Condemna-
tion Pet.

question from Mayor Mongan, Mr. Roche informed the Board that all parties concerned had received letters informing them of the proposed price and were fully aware of all details and, further, that he had received letters from certain individuals indicating what they felt they should receive.

Mayor Mongan then called for anyone present wishing to speak in favor of the project and there was no speaker. He then called for those against, asking them to step forward to the microphone and identify themselves in a loud, clear voice for the record.

Mr. Arthur Arsenault of 193 Kennard Road, one of the abutters, stated that he had a problem which might differ from some of the others in that he presently owned three acres of land, assessed at \$2,000 and that with the taking, his land would drop down to 36,000 square feet which will then have an assessed value of \$3,000 because it is in an R2 district and this automatically will make the value of his land \$7,200.00, he would be losing 73% of his land and taxes will go up and that this made no sense to him. Mr. Arsenault stated that he had discussed this with the Assessors.

Mr. Bergquist stated that he had also checked into this situation, that apparently two other individuals would be taxed on the same basis and it did not seem proper or fair to him.

Mr. Gervais of 163 Kennard Road stated that he would prefer having stakes put in his land with Mr. Roche advising that some of the parties did not want stakes and that no land was being taken 200 feet south of Kennard Road.

Mr. Thomas Walsh of 123 Kennard Road then spoke advising that he felt everyone knew they did not want to lose their land, that a project like this was still involved with tax money whether it was City, State or Federal and the taxpayer was still going to pay it no matter which pocket it came out of. He objected also on the basis on which they would be taxed. Mr. Walsh further stated that everyone knew this was to be a children's slope, that he did not believe it would be self-maintaining, it would add maintenance costs to the City for years to come.

Following a brief further discussion, on motion of Ald. Bergquist, duly seconded by Ald. Martineau, it was voted that the hearing be recessed until Monday, September 29, 1969, at 4:00 P.M. for viewing purposes.

A communication was presented as received from the Department of Highways wherein they outlined in detail the preliminary findings of the engineer relative to the N.E. Biron Bridge at Kelley's Falls. On motion of Ald. Martineau, duly seconded by Ald. Walsh, it was voted that members of the Highway Department, Highway Commission and Mr. Haynes, the engineer, be permitted to speak at this meeting. Mr. Haynes outlined in great detail his findings relative to the safety of the bridge and the fact that immediate action should be taken for the protection of the public. Following a lengthy discussion, the Highway Department was instructed to request a feasibility study appropriation relative to the construction of a new Bridge, Commissioner Northridge advising that this would be taken care of at the next Commission meeting. In answer to a

question from Commissioner Northridge, Mr. Haynes advised that it would cost in the vicinity of 25,000 to 30,000 to take care of the sidewalk problem.

Mayor Mongan was then called away from the meeting and Ald. Bergquist assumed the Chair. Pole location, manhole location, buried conduit and transfer of pole location licenses, Public Service Company of N.H. and New Englenad Telephone Company, petitioners, were presented as received. On motion of Ald. Martineau, duly seconded by Ald. Enright, it was voted that the prayers of the petitioners be granted and approved subject to the approval of the Department of Highways.

SPECIAL MEETING - BOARD OF MAYOR AND ALDERMEN

VIEWING OF DERRYFIELD SKI SLOPE PROJECT

September 29, 1969

4:00 P.M.

The Clerk called the meeting to order at the sight of the proposed condemnation for the Derryfield Ski Slope Project Area.

To Order

In the absence of Mayor Mongan, on motion of Ald. Enright, duly seconded by Ald. Walsh, it was voted that Ald. Martineau act as Chairman.

Present: Ald. Hunt, Bergquist, Enright, Walsh, Casey, Verville, Head and Martineau.

Roll Call

Absent: Ald. Kelley, Laroche, Wilcox, Noel and Mayor Mongan. Vacancy Wards 13 and 14.

Also present: J. Francis Roche, City Solicitor, E. Leo Kanteres, Appraiser, Neil Siem-
enski of the Planning Board, Messrs. Houde and Soucy of the Parks and Recreation Commission
and Clement M. Lemire, Superintendent of Parks and Recreation.

Mr. Kanteres then defined the area in question, advising that it consisted primarily of swamp land and that it was not an area he would consider useful as a future site for home construction; explaining further that the area proposed for condemnation was some 35 feet below the street level of Kennard Road and that it was impossible to run utilities to such an area without the installation of a pumping station for sewerage.

The City Solicitor advised at this point that approximately 40% of the properties in question had been acquired and that these people must have felt the appraisals were fair.

On motion of Ald. Enright, duly seconded by Ald. Bergquist, it was voted that a decision

on condemnation be deferred until the next regular meeting of the Board of Mayor and Aldermen on October 14, 1969, in the interim, the City Solicitor and Mr. Kanteres to meet with and discuss with the Assessors, the assessment situation and their findings to be presented to the full Board of Mayor and Aldermen at said meeting on October 14, 1969.

There being no further business to come before the Board, on motion of Ald. Hunt, duly seconded by Ald. Head, it was voted to adjourn.

Absent: Mayor Mongan, Ald. Noel. Vacancies existing in Wards 13 and 14.

Condemn.
SkiSlope

A petition for Condemnation and Assessment of Damages relative to the Derryfield Ski Slope was presented having been tabled following viewing of the area at a meeting held September 29, 1969, with the City Solicitor advising that he and Mr. Kanteres, the appraiser of the properties involved, had met with the members of the Board of Assessors relative to the tax base which had been in question, Mr. Bouchard, Chairman of the Board of Assessors having advised that there was not and would not be a determination as to future taxation valuations since all properties in the City were undergoing re-valuation. The City Solicitor and Mr. Kanteres, as well as Mr. Bouchard and Mr. Lemire of the Parks and Recreation Department then answered questions posed by several of the property owners involved and by members of the Board of Aldermen, the various persons being permitted to speak on motion of Ald. Martineau, duly seconded by Ald. Wilcox. Following a discussion, the City Solicitor advised all parties concerned that should the Board condemn the properties and assess damages, the parties, if they were dissatisfied, would then have thirty days to appeal. The City Solicitor then recommended that 10% additional, over and above the appraised values given by Mr. Kanteres, be granted to those persons whose premises were being condemned as well as to Clark and Urzyk whose properties had already been acquired, and that the purchase of the Kanteres property receive no adjustment since the price was over the assessed valuation, and that the Golomb premises award be adjusted from \$2,100.00 to \$3,000.00.

On motion of Ald. Martineau, duly seconded by Ald. Enright, it was voted:

1. That public necessity existed and that there was occasion for the construction of said ski area;
2. That the ski area be laid out as set forth in the petition which is incorporated herein for that purpose;
3. That damages sustained by each owner of land through which the ski area will pass be assessed as follows:

Robert J. and Evelyn H. Cameron (2 parcels)	\$15,565.00
Regis J. Chagnon	2,365.00
Carl C. and Carolina Golomb	3,000.00

Thomas C. Walsh Jr. and Beth P. Walsh	\$ 1,595.00
Stella V. and Francis J. Gervais	1,980.00
Stanely K. and Gladys E. Krystyniak	2,035.00
Arthur G. and Mary A. Arsenault	4,537.00

On motion of Ald. Bergquist, duly seconded by Ald. Martineau, it was voted that an additional 10%, \$185.00, be given for the Kanteres property already acquired.

Ald. Hunt requested to be recorded as passing.

On motion of Ald. Kelley, duly seconded by Ald. Casey, it was voted that an additional 10% be granted on the Clark and Urzyk properties which have already been acquired.

The reading of the minutes of the previous meeting were called for and on motion of Ald. Enright, duly seconded by Ald. Bergquist, it was voted that the reading of the minutes be dispensed with and the record, as recorded, adopted.

Ald. Bergquist then advised the Board that he had received a considerable number of first class pieces of mail back from the Post Office during the election, all marked "Gone - no address" and questioned the accuracy of the Check Lists being furnished by the Registrars Office, stating that this same thing happened to various others who had sent mailings. Ald. Martineau stated that he had inquired about this and was informed by Mrs. Colby that the census conducted by the Assessors had been sent to the Bank to be put on Data Processing and had not as yet been returned so that addresses on the check lists could not be brought to date in addition to which, many voters had changed their addresses and had not notified the Registrar's Office.

The City Clerk then advised the Board of three pieces of legislation passed in 1969 as follows:

An Act relative to appropriations for mass transportation in cities of more than eighty thousand population

An Act authorizing municipalities to levy special assessments for the construction, operation and maintenance of parking facilities and approaches thereto

An Act to authorize towns and cities to increase motor vehicle permit fees

and that a determination was required of the Board of Aldermen as to these Acts being placed on the ballot as referenda items at the November Election.

The City Solicitor briefly outlined the details of the legislation and following a discussion, on motion of Ald. Martineau, duly seconded by Ald. Bergquist, a roll call vote being taken, Ald. Bergquist, Casey, Larochelle, Wilcox and Martineau voting in favor, Ald. Hunt, Enright, Kelley, Walsh voting against, Ald. Verville and Head passing, Ald. Noel absent and vacancies existing in Wards 13 and 14, it was voted that the three questions be placed on the ballot. (Note: Following a further review of the legislation by Attorney Roche on October 15, 1969, a roll call vote by telephone being taken, it was voted that this action be rescinded, the City Solicitor to forward a clarifying opinion for consideration and formal action of the Board on October 21, 1969 at the regular meeting.)

There being no further business to come before the Board, on motion of Ald. Martineau,

duly seconded by Ald. Verville, it was voted to adjourn.

MEETING - BOARD OF MAYOR AND ALDERMEN

October 21, 1969

7:00 P.M.

Mayor Mongan called the meeting to order.

Mayor Mongan called for the Pledge of Allegiance and Ald. Larochelle led the Board in this function.

Roll Call The Clerk called the roll.

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Casey, Larochelle, Ver-ville, Wilcox, Head, Noel and Martineau.

Absent: Ald. Walsh because of a death in the family. Vacancies - Ward 13 and 14.

Fire Dept
re Bond
Issue

Mayor Mongan then advised that, the Board of Fire Commissioners having been requested to appear before the full Board of Mayor and Aldermen to further explain the need for a bond issue for constructing and equipping a new Central Fire Station, a motion was in order to permit the members to speak. On motion of Ald. Bergquist, duly seconded by Ald. Hunt, it was voted that representatives of the Board of Fire Commissioners and the Fire Department be permitted to speak at this meeting.

Voted

Present, representing the Fire Department were Commissioners Galvin and Spevack, Chief Lydon and Nicholas Isaak, Architect.

Mr. Isaak, as the architect for the new Central Fire Station, acted in the capacity of spokesman for the Fire Department and answered questions posed by members of the Board of Mayor and Aldermen, Ald. Martineau being very outspoken in his objections to the cost of the new Fire Station. Mr. Isaak outlined basic costs as follows: basic building \$1,620,000 for the low bidder, relocation of sewer \$18,000.00, furniture and equipment \$82,000.00, cable relocation \$75,000.00, contingency \$100,000.00, engineering and architectural fees \$100,000.00, and various other items for a total of \$1,900,000.00. Mr. Isaak advised that this building would have to be built under strict Fire-proofing standards required by the National Board of Underwriters and also required by our own Building Code, meaning that this building is steel-framed with all of the steel contained in concrete, not the type of building required for a lighter type of building such as a school.

Following a lengthy discussion, on motion of Ald. Martineau, duly seconded by Ald. Hunt, it was voted that John F. Grogan, Planning Director, be permitted to outline the bond issues incurred and to be incurred by the City over the next few years. Mr. Grogan then presented a chart and answered questions posed by the Aldermen relative to capital outlay expenditures, advising that the City would, very shortly, have to make a determination as to its immediate needs and set a definite goal for bonding limitations. He outlined and presented charted figures to the Board as to present commitments and future needs of the City which will be of an immediate nature.

John
Grogan

Mr. Grogan advised that a definite capital expenditure outlay system should be determined

with realistic figures to be charter for future bonded items, allowing for items which will normally be required on an emergency nature.

Ald. Martineau stated that very serious consideration should be given to the City's future bonding capacity and stated it was his feeling that two million dollars was a most expensive fire station since new schools were being constructed at lesser cost.

A communication was presented as received from Forsaith Daniels wherein he advised that he had been requested to serve as a special representative of the New England Telephone Company pursuing its construction schedule on premises currently occupied by the Fire Department, advising that the Elm Street administration building is proceeding according to building schedule, the Telephone Company scheduled to take possession following termination of a lease on the present Central Fire Station on December 31, 1969, and that plans are proceeding for the demolition of the present fire station, in whole or in part, in January 1970 in order to meet the Telephone Company requirements for expansion of their local facilities by the early fall of 1972.

Comm. fr.
Mr. Daniels

Chief Lydon advised of the temporary and tentative arrangements that had been made with the Telephone Company for occupancy of the newer portion of the Fire Station, with demolition of the older portion to proceed, maintaining the communications system and requiring the reallocation of equipment, the only problem being location of the snorkel which was contemplated being placed at Engine 9.

Mr. Isaak advised that only very small amounts could be saved in stripping the building of various partitions, that figures as to cost of the acquisition of the properties involved were under the jurisdiction of the Urban Renewal Department (John Grogan advising that a bond issue had been approved in the amount of \$1,930,000.00 for acquisition of a three block area for the Civic Center Project.)

Ald. Bergquist stated that the revaluation of all property would no doubt increase the City's bonding capacity and that, further, he felt when the City had sold the property to the Telephone Company, it had definitely committed itself to construction of a new fire station.

Ald. Berg-
quist

There being no further questions, representatives of the Fire Department and Mr. Grogan were excused from the meeting.

Mayor Mongan then requested that the Board of Library Trustees come forward for the purpose of naming a Trustee of the City Library for a term of seven years, expiring on October 1, 1976.

Library
Trustees

The Clerk called the roll for the joint session.

Roll Call

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Casey, Larochelle, Verville, Wilcox, Head, Noel and Martineau; absent: Ald. Walsh; Vacancies: Wards 13 and 14.
Library Trustees: Messrs. Sheehan, McIninch, Turcotte and Miller; Msdmes. Devine and Stearns.

Mayor Mongan then announced that nominations were open for appointment of a Library Trustee.

On motion of Ald. Bergquist, duly seconded by Ald. Hunt, the name of Adelaide Dodge was placed in nomination. On motion of Ald. Hunt, duly seconded by Ald. Martineau, it was voted that nominations be closed.

One un-
animous
ballot

On motion of Ald. Hunt, duly seconded by Ald. Martineau, it was voted that the City Clerk be instructed to cast one unanimous ballot electing Adelaide Dodge to the office of Library Trustee for a term of seven years, expiring October 1, 1976.

Dodge

Mayor Mongan then announced that Adelaide Dodge, having received the required number of votes, was duly elected to the position of Library Trustee for a term of seven years, expiring October 1, 1976, and he so declared it.

Election
Declared

The Library Trustees were then excused from the meeting, the Board proceeding to the regular order of business.

Minutes

The reading of the minutes of the previous meeting were called for and on motion of Ald. Hunt, duly seconded by Ald. Bergquist, it was voted that the reading of the minutes of the previous meeting be dispensed with and the minutes, as recorded, adopted.

Highway
Dept. re
bridges

On motion of Ald. Casey, duly seconded by Ald. Enright, it was voted that the rules of the Board be suspended to permit the Highway Department and Board of Highway Commissioners, as well as the Bridge Consultant, to speak at the meeting relative to the Kelley's Falls Bridge and to bring out information which had been recently developed relative to the Second Street Bridge. Two communications were presented as received from the Department of Highways relative to the bridge situation, all Aldermen having been furnished with a copy. The communications advised (1) that Mr. Wesley E. Haynes, the City's consultant with regard to the condition of the Kelley's Falls Bridge, had submitted his final report which was considered at a meeting of the Commission held on October 14, 1969 with Mr. Haynes in attendance; that it was Mr. Hayne's conclusion that the results of his preliminary report of August 22, 1969 were no longer valid - that it was a far more serious condition than originally thought; that the present condition of the structure precludes any reasonable procedure for maximum rehabilitation for a life expectancy of twenty years; that minimum repairs to provide a structure for limited gross loads for a period of not more than five years will cost over \$200,000; that sidewalk repairs along will probably cost in the area of \$30,000. and that the Highway Commission, acting on Mr. Haynes' recommendation had unanimously voted the following emergency measures:

1. The bridge be restricted to passenger car traffic only - no trucks, no busses, in the interest of safety to the public. The life of the bridge can be prolonged by the elimination of truck traffic which causes an undue amount of vibration.
2. The travel lanes will be further narrowed one foot each by marking the pavement on both the north side and south side of the bridge.
3. The speed limit remains at 25 miles per hour - motorists are urged to comply with this regulation.

The communication further advised that repairs for the sidewalk, estimated at \$30,000. would be undertaken as soon as a contractor could be found to do the work, it being the engineer's feeling that the implementation of these restrictions will allow further continued use of this structure at least until the spring ; that work of preparing specifications for minimum repairs would be pursued; that the estimated cost of rehabilitation exceeds the appropriation of \$225,000.00; that a better figure could be submitted at budget time; that it was the intent of the communication to fully inform the Board of the results of the study and the Highway Commission's actions and to place the Board on notice that a new bridge needs to be constructed within the next five years; that the City should, in the very near future, contract with an engineering consultant for a feasibility study and design of a new structure and that the Highway Commission would pursue this matter more fully and advise as to developments and (2) that while special equipment was available for a more complete study of the Kelley's Falls Bridge, an inspection of the Second Street Bridge (North) over the Piscataquog River had also been made; that Mr. Haynes' conclusions indicated that the substructure of the bridge is not repairable; that the abutments are in reasonably good condition and can be incorporated in a new structure; that the Highway Commission was now complying with recommendations as to posting the bridge for maximum gross loads of fifteen tons; that the east sidewalk will be shored up so there will be at least one sidewalk for use, the other walk having to be closed; that the Commission had voted unanimously to recommend that a new bridge be constructed at an estimated cost of \$85,000.00 and that Mr. Haynes had been requested to submit a proposal for the preparation of plans and specifications.

Mr. Haynes and Mr. Caron then answered questions posed by the Board of Mayor and Aldermen. Following a lengthy discussion, under the rules, the communications were referred to the Committee on Finance.

A Sidewalk Improvement Petition, Willard E. Shaw et al, petitioner for premises at 107 Jewett Street, was presented as received. On motion of Ald. Hunt, duly seconded by Ald. Bergquist, it was voted that the prayers of the petitioner be granted and approved, the petition to be forwarded to the Department of Highways.

A communication was presented as received from Mrs. Stella M. Mruk and the family of Mrs. Tekla Gruszkos, wherein they expressed their thanks and appreciation for the expression of sympathy extended at the time of their loss. The communication was received and filed.

Communication was presented as received from Mrs. Alfred Cyr and the Maurice Noel Family wherein they expressed their grateful appreciation for the expression of sympathy extended at the time of their loss. The communication was received and filed.

Communication was presented as received from McLane, Carleton, Graf, Greene & Brown Inc., a New Hampshire corporation owning real estate in the Rockland Avenue area of the City and that it was their understanding that a petition to discontinue Camden Street for a distance beginning at Rockland Street and running in a westerly direction 200 feet

Comm. fr.
Mr. Pavlick

Communications were presented and received from Richard P. Pavlick wherein he suggested (1) that there should be an ordinance that will permit the City to plow the sidewalks in the business section and charge the owners of the buildings the actual cost; and (2) recommend diagonal parking to permit more parking on the downtown streets. On motion of Ald. Martineau, duly seconded by Ald. Bergquist, it was voted that the communications be received and filed.

An Ordinance:

"Amending an Ordinance Relative to the Adoption and Administration of the Position Classification and Compensation Plans"

This ordinance, proposing to adjust salary scales for all City employees as of December 1, 1969, in conjunction with the adjustment made for school teachers, was read for the first time and, under the rules, was referred to the Committee on Bills on Second Reading.

Mayor Mongan then announced his appointment of Norman Gauthier to fill the unexpired term of Henry Pariseau, resigned member of the Board of Fire Commissioners, expiring May 1, 1970. On motion of Ald. Bergquist, duly seconded by Ald. Hunt, it was voted to suspend the rules, on a role call vote, to permit confirmation of the appointment at this time.

On motion of Ald. Martineau, duly seconded by Ald. Hunt, it was voted that Norman Gauthier be confirmed at this time as a member of the Board of Fire Commissioners, succeeding Henry Pariseau, the term expiring May 1, 1970.

Mayor Mongan then advised that Norman Gauthier, having received the required number of votes, was duly elected a member of the Board of Fire Commissioners to fill the unexpired term of Henry Pariseau expiring May 1, 1970, and he so declared it.

On motion of Ald. Hunt, duly seconded by Ald. Kelley, it was voted that the Lands and Buildings Committee act as a Joint Building Committee on any future departmental construction plans and with the Fire Commission and architects on the presently planned Central Fire Station.

There being no further business to come before the Board, on motion of Ald. Hunt, duly seconded by Ald. Enright, it was voted to adjourn.

ed, after due and careful consideration, that the Cemetery Department be authorized to purchase one (1) 1970 GMC 3/4 Ton Pick-up Truck from Gingras Truck Center, Inc., the low bidder, at a total price of \$2,192.96, chargeable to the 1969 Short Term Note Resolution in the amount of \$475,000.00. On motion of Ald. Bergquist, duly seconded by Ald. Kelley,

it was voted that the report of the Committee be accepted and its recommendations adopted. Adopted

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that interest on bonds due and payable in the amount of \$74,660.50 be paid and charged to Revenue of Prior Years, this item being an expense not accounted for in the 1969 budget and necessitated by an advance sale of bonds occasioned by a New York State Law which became effective July 1, 1969, limiting borrowing power of a City to 12% based on its overall assessed property valuation, and for this purpose a Resolution was submitted for consideration. On motion of Ald. Bergquist, duly seconded by Ald. Kelley, it was voted that the report of the Committee be accepted and its recommendations adopted. Adopted

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that the School Department be authorized to purchase gymnasium equipment from Arrow System in the total amount of \$4,995.00 as outlined in their communication of October 20, 1969, with the condition that the equipment purchased be assigned to the West High School Gym, chargeable to the 1969 Short Term Note Resolution in the total amount of \$475,000.00. On motion of Ald. Head, duly seconded by Ald. Martineau, it was voted that the report of the Committee be accepted and its recommendations adopted. Adopted

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that the request of the City Clerk for a transfer of funds in the amount of \$1,500.00 from the Public Comfort Station Account to a new account - City Hall Annex, to meet operating expenses for the balance of 1969, be granted and approved and for this purpose a Resolution was submitted for consideration. On motion of Ald. Martineau, duly seconded by Ald. Head, it was voted that the report of the Committee be accepted and its recommendations adopted. Adopted

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that the request of the Board of Assessors for a transfer in the amount of \$11,500.00 from the Revaluation Account to the Assessors 1969 Budget Account, for the purpose of payment of salaries in connection with the revaluation of land for 1969 taxes, be granted and approved, and for this purpose a Resolution was submitted for consideration. On motion of Ald. Casey, duly seconded by Ald. Head, it was voted that the report of the Committee be accepted and its recommendations adopted. Adopted

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that, as recommended by the Planning Board, the Department of Highways be authorized to undertake the construction of a driveway at a cost of \$6,967.80 and the Parks and Recreation Department be authorized to undertake

landscaping at a cost of \$5,535.00 thereby fulfilling several of the City's obligations in conjunction with the construction of the New County Court House, the total expenditure being authorized herein \$12,502.80, \$6,402.71 of which will be chargeable to New City Hall Construction Account and the balance of \$6,100.09 to be chargeable to the Contingency Appropriation, and for this purpose a Resolution was submitted for consideration. On motion of Ald. Kelley, duly seconded by Ald. Larochelle, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

At this point Ald. Hunt stated that he had been remiss in not introducing Frank Wageman and Robert Pare, Aldermen Elect who were present at the meeting.

PUBLICITY MEETING TO FOLLOW

MEETING - BOARD OF MAYOR AND ALDERMEN

ROAD HEARING

November 24, 1969

1:30 P.M.

In the absence of Mayor Mongan, the clerk called the meeting to order, advising that a motion was in order to name a member of the Board to take the Chair.

On motion of Ald. Walsh, duly seconded by Ald. Head, it was voted that Ald. Hunt take the Chair.

Ald. Hunt then called the meeting to order and called for the Pledge of Allegiance, with Ald. Walsh leading the Board in this function. The Clerk called the roll.***

Ald. Hunt then advised the purpose of the meeting was to hear those in favor of or opposed to petitions on the agenda for the acceptance or discontinuance of certain highways, stating that those in favor would speak first, followed by those against, and requested all those speaking to recite their name and address in a loud, clear voice for the record.

The petitions were then presented as follows:

Chestnut West Back Street	Salmon Street to Sagamore Street - Layout and Discontinue	Chestnut W B St.
---------------------------	---	------------------

Ald. Bergquist stated that he was in favor of this petition.

No one appeared in opposition.

Robert Beliveau, President of Edward Beliveau & Sons stated that his company was also prepared to deed this particular area to the City.

No one appeared in opposition.

Tufts St. Tufts Street Red Coat Lane to Tory Road, 1019 feet - Accept and then discontinue

Mr. Maurice Therrien of 151 Red Coat Lane, Mr. Clifford R. Thatcher of 111 Tory Road and Atty. Soames, representing Mr. Thatcher, all stated very briefly that they were in favor of the petition as presented.

No one appeared in opposition.

Ross St. Ross Street Gold Street to Frontage Road - New Highway

Robert Jones, President of Derryfield Supply Company stated that his company was willing to make any improvements the City deemed necessary for acceptance of this street.

Roy H. Stewart, President of Steward Leasing Company, owning property on Frontage Road stated his concern was in favor of this petition.

Harold Wheeler of E.K. Wheeler stated he was in favor of the petition as presented.

Stanley Vogel, advising that he owned property in this area which is the only industrial land with sewer and water available, stated he was in favor of its acceptance.

William Anderson of Public Service Company stated that it would be likely, with its acceptance, that poles would have to be relocated and since they are on private easements, they would expect to be reimbursed for relocation or additional construction either by the City or the petitioners.

Mr. Vogel stated that this question had been settled between himself, Derryfield Supply and other interested parties and that any expense would be taken care of.

No one appeared in opposition.

W Mitchell West Mitchell Street Riverdale Avenue westerly to Merrimack River Layout and discontinue'

No one appeared either in favor of or opposed to the petition as presented.

Prop ROW Woodcrest to Medford Proposed Right of Way Woodcrest Court to Medford Street - Layout and discontinue

Mr. Robert Dennis, owner of properties at 252 and 237 Woodcrest, stated that speaking for many of the residents, it was felt that opening this would create a traffic hazard, that they would like to see it closed and that the abutters would be willing to accept the responsibility of seeing that necessary corrections were made and the road taken care of.

Mrs. Arthur Biver of 196 Woodcrest Court stated that it might be possible to have a public walk going through this area for the benefit of the many children in the area since there is no other public way through the neighborhood other than passing over private property including her own.

Mr. Dennis stated that he felt something of this nature would be possible.

No one appeared in opposition.

Ald. Hunt then advised that next to be considered were the adjourned petitions.

On motion of Ald. Martineau, duly seconded by Ald. Noel, it was voted to receive and file all petitions dated prior to 1967 which include the following:

Present: Mayor Mongan, Ald. Hunt, Bergquist, Enright, Kelley, Walsh, Casey, Verville, Head and Martineau.

Absent: Ald. Laroche, Wilcox, and Noel. Vacancies existing in Wards 13 and 14.

Mayor Mongan advised the purpose of the meeting was to consider the agenda as presented and that this being a special meeting, no further business could come before the Board unless with the unanimous consent of all members present. The Board then proceeded to consider the agenda as presented:

Rep. Comm. L & B A report of the Committee on Lands and Buildings was presented wherein it was respectfully recommended, after due and careful consideration, that the request of the City Auditor to undertake renovations in his offices, accepting the low bid of \$2,300.00 be granted and approved subject to funds being available in his budget. On motion of Ald. Bergquist, duly seconded by Ald. Kelley, it was voted that the report of the

Adopted Committee be accepted and its recommendations adopted.

Rep. Comm. L & B A report of the Committee on Lands and Buildings was presented wherein it was respectfully recommended, after due and careful consideration, that the request of Mr. Dickey, Supt. of Maintenance, to rent premises located at 275 Clay Street at \$800.00 per month, relocation necessitated by progress on the Civic Center Urban Renewal Project, be denied. It is further recommended, following a discussion with the owner, John

Harko, and Mr. Dickey, that the City purchase said building at a total sales price of \$75,000.00, an appraisal substantiating the sales price having been amde, it being felt that an outright purchase, rather than rental, would be in the best inetersts of the City.

On motion of Ald. Walsh, duly seconded by Ald. Martineau, it was voted that Mr. Harko be permitted to speak at this meeting to clarify conditions pertinent to purchase by the City. Following a discussion, with Mr. Haroko answering questions posed by members of the Board, particularly in reference to a right of way through the land which is deeded, the amount of square footage of the building and the land involved and he advising that he would be willing to take payment on a prorated two or even three year basis, with the understanding that the Maintenance Department may move in on the 1st of December 1969. The City Solicitor advised that title to the property would have to be checked prior to taking title. On motion of Ald. Martineau, duly seconded by Ald. Head, it was voted that the report of the Committee be accepted and its recommendations adopted and that the purchase of the property be referred to the 1970 budget.

An Ordinance:

"Amending Chapter 3, Section 2 of the Ordinances of the City of Manchester"

Mayor Mongan advised, that following further checking of the Ordinances ans State Statutes, the proposed Amendment would be in conflict, therefore no action could be taken at this time.

Mayor Mongan then inquired of the City Solicitor as to a proposed change of date relative to the possibility of change on the interest payment date, 6% penalty, on taxes since a great number of taxpayers had abatements pending with the Assessors Office. The City Solicitor advised, following study of the ordinances and state laws, that such an ordinance or resolution would be illegal.

Mayor Mongan then informed the Board that he had invited Mr. Raymond W. Gareau of Union Street, Incorporated to attend the meeting to speak relative to the bus situation and requested a motion for a recess finance meeting at this time in order to hear Mr. Gareau and others concerned. On motion of Ald. Hunt, duly seconded by Ald. Bergquist, it was voted that a recess Finance meeting be held at this time.

Following the recess Finance meeting, Mayor Mongan again called the meeting to order. Ald. Verville, duly seconded by Ald. Martineau, moved that Alderman-Elect Pare of Ward 13 be heard at this time and the motion did not carry on a voice vote.

On motion of Ald. Walsh, duly seconded by Ald. Kelley, it was voted to discuss the Dog Pound situation. Ald. Walsh advised that the Urban Renewal Office had requested bids on basic requirements and it was felt that these were not acceptab.e. On motion of Ald. Walsh, duly seconded by Ald. Hunt, it was voted to table the submitted bids for a new Dog Pound at the City Dump for further recommendations.

There being no further business to come before the Board, on motion of Ald. Bergquist,

REPEALING PROVISIONS

That all rules and regulations now in effect in accordance with the provision of an Ordinance "Regulating traffic upon the streets of the City of Manchester" as adopted January 7, 1947, with subsequent amendments thereto, and inconsistent with the traffic rules and regulations herein adopted, be repealed. On motion of Ald. Bergquist, duly seconded by Ald. Enright, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Traffic was presented wherein it was respectfully recommended, after due and careful consideration, that submitted referred statements as received for services rendered in connection with regulating traffic as follows:

be granted and approved, chargeable to the Parking Meter Revenue Account. On motion of Ald. Walsh, duly seconded by Ald. Bergquist, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

Mayor Mongan, at this point called for an Executive Session.

Mayor Mongan again called the meeting to order.

Order

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration and upon the advice of the Treasurer, that a

Reps. Comm. Finance (9)

Bond Issue in the amount of Two Million Seven Hundred Forty Thousand Dollars (\$2,740,000.00)

for the purpose of providing additional funds as part of the City's share of the Amoskeag Millyard Project, N.H. R-7, one million dollars having been previously funded against the original estimate of \$4,642,085.00 be approved, the Resolution being submitted herewith for consideration, and further that upon passage of the Resolution, the Mayor be authorized to execute for and on behalf of the City, a contract with Hayden, Harding and Buchanan, Inc., in the amount of \$168,200.00 less a credit of \$3,200.00 for a preliminary report prepared by another engineering firm. On motion of Ald. Enright, duly seconded by Ald. Bergquist, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

Resolution:

Resolution

"Authorizing a Bond Issue in the amount of Two Million Seven Hundred Forty Thousand Dollars (\$2,740,000.00) for Amoskeag Millyard Project N.H. R-7"

On motion of Ald. Walsh, duly seconded by Ald. Larochele, it was voted that this Resolution be read by title only.

This Resolution having had its only required reading, by title only, on a roll call vote, there being ten in favor, two absent and two vacancies, it was unanimously passed to be enrolled.

Enrolled

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that the sum of \$6,400.00 appropriated to City Clerk for Codification of Ordinances be carried over as a 1970 Account since this sum has been committed by contract which cannot be completed in 1969. On motion of Ald. Enright, duly seconded by Ald. Casey, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Finance was presented wherein it respectfully recommended, after due and careful consideration, that the request of the Commissioner of City Welfare for a pension for Mary E. Sullivan, an employee of the department for over twenty years, the award as follows:

Annual Salary	\$6,604.00
One half applicable	3,302.00
Weekly from City	\$ 63.50

effective as of May 11, 1970 and terminating December 31, 1970, be granted and approved.

Adopted

On motion of Ald. Casey, duly seconded by Ald. Bergquist, it was voted that the report of the Committee be accepted and its recommendations adopted.

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that the request of the Commissioner of City Welfare for a pension for Anne W. Healy, an employee of the department with a total service of 26 years, 20 years and 9 months of which is continuous, effective as of February 13, 1970, the award as follows:

Annual Salary	\$6,760.00
One half applicable	3,380.00
Weekly from City	\$ 65.00

and terminating as of December 31, 1970, be granted and approved. On motion of Ald. Walsh, duly seconded by Ald. Casey, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that, as voted by the Board of Fire Commissioners, a supplemental pension be granted to Henry J. Martin, Firefighter First Class who will retire from the department as of December 1, 1969, having reached the age of 55 and a member of the department for 20 years, the award as follows

Salary for last 12 months	\$7,107.75
One half applicable	3,553.88
Less State Retirement	2,110.27
Net due from City	\$1,443.61

be granted and approved, effective December 1, 1969 and terminating on December 31, 1969.

On motion of Ald. Martineau, duly seconded by Ald. Casey, it was voted that the report of the Committee be accepted and its recommendations adopted, Ald. Martineau commenting that he firmly believed the merit system for the Fire Department should be put into effect, that this would eliminate early retirement which is costing the City a great deal in pensions.

Adopted

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that the request of the Commissioner of City Welfare for additional funds in the amount of \$45,000.00, necessitated by increased over-all costs, be granted and approved, said funds to be transferred to Welfare-General Relief Account from the following:

Contingency	\$27,949.91
Revenue of Prior Years	<u>\$17,050.09</u>
Total	\$45,000.00

and for this purpose a Resolution was submitted for consideration. On motion of Ald. Walsh, duly seconded by Ald. Bergquist, it was voted that the report of the Committee be accepted and its recommendations adopted.

Adopted

A report of the Committee on Finance was presented wherein it respectfully recommended, after due and careful consideration, that the request of Union Street, Incorporated for a subsidy in the amount of \$190,000.00 over a three year period, requested in anticipation of their purchase of Manchester Transit, Inc. effective January 2, 1970, be denied. On motion of Ald. Wilcox, duly seconded by Ald. Bergquist, it was voted that the report of the Committee be accepted and its recommendations adopted. Adopted

A report of the Committee on Finance was presented wherein it respectfully recommended, after due and careful consideration, that a Resolution "Approving Comprehensive City Demonstration Program and Authorizing Agreement" ought to pass. Following a brief discussion, Ald. Bergquist, duly seconded by Ald. Enright, moved that the report of the Committee be accepted and its recommendations adopted, Ald. Martineau requesting a roll call vote. Mayor Mongan stated he had received word from Washington that funds had been approved for Manchester and he would, on this basis, with a definite commitment have to change his position relative to approval of Model Cities. On the roll call, Ald. Bergquist, Enright, Walsh, Laroche, Verville and Noel voted in favor, Ald. Casey, Wilcox, Head and Martineau voted against, Ald. Hunt and Kelley absent and two vacancies and the motion carried, the report being accepted and its recommendations adopted. Adopted

A report of the Committee on Finance was presented wherein it was respectfully recommended, after due and careful consideration, that the City Auditor be authorized to effect transfers of funds to meet obligations for the balance of the year 1969 as follows:

TO	Health Department	\$14,210.16
	Maintenance Department	4,000.00

Ald. Bergquist then expressed his appreciation and gratitude for the opportunity of serving with a a fine group of men during the past six years, that although there had been controversies over the years, when it was all over, everyone was still friends and it was his feeling that the City had benefited greatly with the service of the dedicated men he had the privilege to serve with.

Ald. Larochelle, Noel and Head also expressed the same sentiments, stating that Ald. Bergquist had more than amply covered what they had been prepared to say, and expressed their regrets at leaving office.

Mayor Mongan then spoke briefly stating that it had been a very good two years, that a lot of progress had been made and that it had been a great satisfaction to him. He expressed his appreciation to the Board and to all Department heads for their fine cooperation in making this possible.

There being no further business to come before the Board, on motion of Ald. Bergquist, duly seconded by Ald. Walsh, it was voted to adjourn.
