

COMMITTEE ON HUMAN RESOURCES/INSURANCE

November 20, 2007
Aldermen Gatsas, Shea,
Garrity, Pinard, Duval

5:30 PM
Aldermanic Chambers
City Hall (3rd Floor)

Chairman Gatsas called the meeting to order.

The Clerk called the roll.

Present: Aldermen Gatsas, Shea, Garrity, Pinard, Duval

Chairman Gatsas addressed item 3 of the agenda:

3. Communication from Virginia Lamberton, Human Resources Director, submitting updated class specifications for the Public Works Director and the Deputy Public Works Director.
(Note: Public Works Director concurs with the recommended revisions.)

On motion of Alderman Garrity, duly seconded by Alderman Pinard, it was voted to approve the updated class specifications.

Ms. Virginia Lamberton, Human Resources Director, stated we brought this back here because the other proposed class spec had removed the requirement to be a professional engineer, a PE. That has been put back in, and the language that is consistent with the ordinance for the Public Works Director states that position is considered the chief engineer for the City. So all that stuff has been put back in. Mr. Thomas and I agree on both proposed specs. We did change the deputy just a little bit under the minimum "quals," but we both agree on that as well. So I think we're on a roll here.

Chairman Gatsas stated I was under the assumption the Mayor wanted some input on it but I guess he doesn't.

Ms. Lamberton stated I reminded the Mayor today that we were going to be talking about this tonight and I don't know what to say, so...

Chairman Gatsas stated under New Business, the Welfare Commissioner brought in that he's looking for a security officer. I don't have a problem with it. I think we just need it classified, so if I can get a motion to send it to HR...

On motion of Alderman Shea, duly seconded by Alderman Duval, it was voted to send this request to HR.

Chairman Gatsas asked Ms. Lamberton, so you'll bring it out at the next meeting?

Ms. Lamberton responded yes, be happy to.

There being no further business, on motion of Alderman Shea, duly seconded by Alderman Duval, it was voted to adjourn.

A True Record. Attest.
