City Clerk Matt Normand stated I would note that the Ordinances have followed the proper process with the inclusion of the two zoning ordinance amendments here. They have both received public hearings. I would state that they have been properly enrolled.

Alderman Long moved to advise that the Ordinances are properly enrolled. Alderman Roy duly seconded the motion.

Alderman Long stated I just want to note that we need to change the second to the last Ordinance from Canal Street Lot to Lake Avenue Lot.

Chairman Ouellete called for a vote on the motion. There being none opposed, the motion carried.

There being no further business, on motion of Alderman Long, duly seconded by Alderman Roy, it was voted to adjourn.

A True Record. Attest.
