**RE: Request for elimination of two parking spaces on City of Manchester Tax Map 692 Lot 11 and for permission to utilize the same as access for Requestor's abutting parcel**

Dear Honorable Members of the Board of Mayor and Alderman:

Our firm represents Marcel L. and Sylvia I. Beliveau the owners of City of Manchester Tax Map 692 Lot 14. Mr. and Mrs. Beliveau are currently creating a parking lot on said premises as indicated on the attached plan and highlighted in yellow.

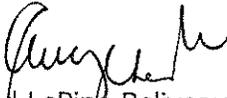

To access this parking lot they are seeking permission from the City of Manchester to cross the City of Manchester's Tax Map 292 Lot 11 to access their abutting parking lot. This request is for permission from the City of Manchester to (i) have the first two parking spaces shown on the attached plan and marked in "blue" eliminated and (ii) to allow that 2 parking space area to be utilized to access Mr. and Mrs. Beliveau's abutting parking lot.

A plan indicating the parking lot of Mr. and Mrs. Beliveau and the two abutting spaces is enclosed evidencing the areas discussed in this letter.

Thank you for your consideration in this regard.

Sincerely,

Beliveau ♦ Fradette, Doyle & Gallant, P.A.

September 26, 2008

Dear Mayor Guinta, Aldermen Mark Roy, Mike Lopez, Dan O'Neil, Peter Sullivan & Brandy Stanley,

As you may already know, the Palace Theatre held a fundraising event last Thursday, September 18<sup>th</sup>. Attached is a petition signed by a number of business owners and managers located on the one-way section of Hanover St., between Chestnut and Elm Street. Peter Ramsey, the Executive Director of the Palace Theatre has been provided a copy of this petition and discussions have been held with Peter. Stephanie Lewry, from Intown was present at a discussion between Peter Ramsey, and myself, Barbara Potvin regarding this petition, the blocking off of the street and the implications of blocking the streets off for any such event.

During this discussion, Peter Ramsey had suggested that the City of Manchester might consider holding a Public Forum to discuss the process of closing off city streets and the impact that these closings have on local small businesses as well as the benefits drawn by the City of Manchester and its local citizens. After great consideration and input from other businesses on Elm St., that have faced this situation and dilemma, I agree with Peter that a public discussion would be helpful and could provide us all, including the City Hall with a policy that addresses and considers the welfare of all business owners/managers, local community members as well as Manchester City Hall.

Feel free to contact me at 603-626-4477 with any questions you might have regarding this request and this petition.

Sincerely,

Barbara J. Potvin

We the signed business managers and owners would like the City of Manchester to know of our discontent and concern regarding the blocking off of Hanover St., between Chestnut and Elm on Thursday, September 18, 2008 for the Palace Theatre's Wine Tasting and Fundraising event. It is our understanding that they did not have permission to block off the parking spaces, but did have permission to block the street after 2PM. However, it should be noted, that most business owners and managers were not included in this decision nor were the majority notified that this would occur prior to this week. Many were never informed and only realized on Thursday when they saw the cones along the parking space.

Further, our concerns include:

- Most businesses were not informed that the streets and parking spaces along this stretch of Hanover St. would be inaccessible throughout most of the day.
- As business owners and managers we are concerned with the significant loss of revenue for each business located on this section of Hanover St. Many businesses had to either reschedule or cancel appointments. Others noted a drop in their sales because of the inaccessibility of the street and on-street parking. Some even ended up closing early due to the loss of revenue and lack of access for customers.
- Our concerns also include loss of revenue for the City of Manchester. Many parking spaces on both sides of the road were blocked off as early as 8AM.
- Finally, there is a concern for public safety and property, whenever such events occur, since ambulances and fire trucks can not safely access Hanover St. between Chestnut and Elm during the aforementioned events.

The following business owners/managers would like register their concerns regarding the lack of opportunity to give input and recommendations, as well as the lack of appropriate notification as to when these types of events will be occurring.

Dear Mr. Normand,

The Palace Theatre is respectfully requesting permission to hang a banner across Hanover Street. The purpose of the banner is to advertise our upcoming Nutcracker & Christmas Carol performances. Similar to the Glendi banner, our banner would hang on the corner of Chestnut and Hanover Street and would be designed to withstand the elements.

We would hope the banner could hang during the holiday season. The Palace Theatre would be happy to pay any expenses incurred with the hanging and removal of the banner. We have included a "Thank You" from the merchants of Hanover Street on the backside of the banner for visitors to downtown to see.

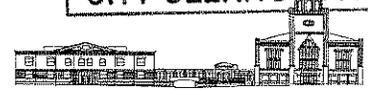

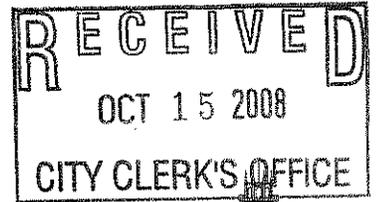

I look forward to hearing from you regarding our request. Please feel free to contact me directly should you have any questions.

Sincerely,

Peter Ramsey

Dear Brandy,

Intown Manchester would like all municipal parking spaces, both on-street and off-street to be free of charge on the evening of Thursday, November 20<sup>th</sup> from 5pm to 10pm for the second annual Moonlight Holiday Shopping Stroll in downtown Manchester. Parking enforcement will not enforce the parking meters during this time frame, but WILL enforce other violations such as handicapped parking, no parking zones, etc.

This is the second annual Holiday Stroll in the city of Manchester. Last years event was successful in bringing thousands of people to downtown Manchester to do pre-holiday shopping and enjoy a little cheer. We are expecting a great turnout again this year!

Please call me directly with any questions at 645.6285.

Thank you for your consideration of this request.
