LEGAL NOTICE

The City of Manchester's Parks and Recreation Division, in conjunction with, Hoyle, Tanner and Associates, Inc., is conducting a public information session to discuss the fourth and final phase of the Piscataquog Trail. This phase of the project will continue the Piscataquog Trail from Electric Street, cross the Piscataquog River and terminate at the Goffstown Town line, at the beginning of the Goffstown Rail Trail. This meeting will allow the public to comment on the recently completed Engineering Study and provide input on the recommended proposal to remove the existing trestle bridge and replace it with a clear-span pedestrian bridge.

A public information session has been scheduled for: Thursday January 26, 2012 from 6:00-7:30pm at Northwest Elementary School.

This meeting is free and open to the public. No reservation is necessary.

For more information, please contact: Peter Capano, Parks Chief, City of Manchester Parks Recreation and Cemetery Division.
