City of Manchester 2008 Yard Waste Collection Schedule

The calendar below is a reference guide for your yard waste collection. Remember, yard waste is collected on the same day as your trash and recycling. The dates below represent Monday of each collection week. (*) denotes a holiday week; collection is delayed by one day. The colors indicate the following: **BLUE: Spring & Fall Clean-Up; weekly collection for entire city.** **RED & GREEN: Mid-Season Collection; every other week as indicated on map.** The color of your section of the city determines which week you will receive curbside collection for yard waste. (ex: **GREEN** sections are collected during the week beginning May 19th; **RED** sections are collected during the week beginning May 26th.)
