

## COMMITTEE ON JOINT SCHOOL BUILDINGS

**April 4, 2011**

**6:15 PM**

Chairman Soucy called the meeting to order.

The Clerk called the roll.

Present: School Committee Member Soucy  
Aldermen Ouellette, Long, Ludwig

Absent: School Committee Members Ambrogi, Herbert

Messrs.: K. O'Maley

Chairman Soucy addressed item 3 of the agenda:

3. Communication from Kevin O'Maley, Chief Facilities Manager, regarding the use of design build funds.

Alderman Ludwig stated I already asked this question at the CIP meeting, but I would ask, does that wrap up the balance of the design build money, the \$34,874?

Mr. Kevin O'Maley, Chief Facilities Manager, replied yes. We don't have access to that because that is still in the line of credit, so the \$34,874 wouldn't be available for another 12 months or so. Liberty Mutual reviews it about once a year.

Alderman Ludwig stated as you told us in CIP, unless some other member of the Committee...I understand where it is going in conjunction with the transfer from Highland-Goffes Falls to supplement the work at Bakersville School.

Mr. O'Maley stated correct.

Alderman Ludwig stated it gets an elevator.

Mr. O'Maley stated it does get an elevator.

On motion of Alderman Ludwig, duly seconded by Alderman Ouellette, it was voted to approve this item.

There being no further business, on motion of Alderman Ouellette, duly seconded by Alderman Long, it was voted to adjourn.

A True Record. Attest.
