

Second Grade Supply List

Dear Second Graders!

Welcome to second grade! We are going to have a great year. We are so excited for our learning to begin in September.

Here are a few items you may bring with you to second grade in September.

- Glue sticks
- Scissors
- Colored pencils/crayons
- Markers
- Pencils and erasers
- pencil box to hold these items (not a large one)

In addition to these items we welcome donations of the following items for whole class use.

- Disinfectant wipes
- Box of tissues
- Package of dry erase markers

Please limit supplies to these items. There is not a lot of room in our desks for anything more. Please no binders, folders or trapper keepers. We will use the Weston folder to bring papers back and forth to school.
