YARD WASTE

No branches or stumps greater than 3" in diameter or 3' feet in length will be picked up. Acceptable placement methods are:

- Biodegradable paper yard waste bags
- Bundles up to 3' long and 2' in diameter
- Barrels with an official City yard waste sticker (stickers are available for free at the Public Works offices, 475 Valley Street, and the Drop Off Facility)

Never sweep leaves or brush into the street. Yard waste slows street sweeping equipment and clogs critical storm drain inlets.
