Historical Note

The Committee on Bills on Second Reading is a standing committee of the Board of Mayor and Aldermen that is appointed at the commencement of each municipal year by the mayor. In existence since the 19th Century, the committee has jurisdiction over policy regarding planning and zoning issues, and is responsible for the review and development of Ordinances and to insure that proposed Ordinances are consistent with all federal, state, and local laws, and other matters that may be referred by the BMA.

The committee consists of five members from the Board of Mayor and Aldermen, although in earlier years there were only three members.

Collection Description

The collection consists of the supporting documents of each committee meeting used and referenced by its members. These records consist of the meeting's agenda and a variety of other types of documents that supplement each agenda item. This can include duplicates of other committees' reports, correspondence, images, etc.

The records are arranged chronologically by meeting date. Records before 1988 are not arranged by meeting, but are instead arranged chronologically by year.
