## 2018 CONSTITUTIONAL AMENDMENT QUESTIONS

Constitutional Amendments Proposed by the 2018 General Court

- "Are you in favor of amending article 8 of the first part of the constitution to read as follows:  
[Art.] 8. [Accountability of Magistrates and Officers; Public's Right to Know.] All power residing originally in, and being derived from, the people, all the magistrates and officers of government are their substitutes and agents, and at all times accountable to them. Gov-  
ernment, therefore, should be open, accessible, accountable and responsive. To that end, the public's right of access to governmental  
proceedings and records shall not be unreasonably restricted. The public also has a right to an orderly, lawful, and accountable gov-  
ernment. Therefore, any individual taxpayer eligible to vote in the State, shall have standing to petition the Superior Court to declare  
whether the State or political subdivision in which the taxpayer resides has spent, or has approved spending, public funds in violation  
of a law, ordinance, or constitutional provision. In such a case, the taxpayer shall not have to demonstrate that his or her personal  
rights were impaired or prejudiced beyond his or her status as a taxpayer. However, this right shall not apply when the challenged  
governmental action is the subject of a judicial or administrative decision from which there is a right of appeal by statute or otherwise  
by the parties to that proceeding."
