ARTICLE 5: SENIORITY

5.1 There shall be two types of seniority:

- (a) Department Seniority
- (b) Classification Seniority

Department Seniority shall relate to the time an employee has been continuously employed by the Department.

Classification Seniority shall relate to the length of time an employee has been employed in a particular grade classification.

5.2 Department Seniority shall prevail in matters concerning layoffs and rehiring. Qualified and available permanent employees shall be reinstated before new employees are hired.

5.3 Department Seniority shall be the type considered in matters concerning "promotions" and "transfers" as set forth in Article VI of this Agreement.

5.4 No employee shall have the right to replace another employee in any classification by virtue of Department Seniority alone, except that, in the event of a permanent lack of work in any classification, those employees concerned in that classification shall be assigned to the next lower classification for which they are qualified and for which they have Department Seniority. Such employees shall retain their same rate of pay for a period of 12 months from the date of such reduction in classification and pay grade. After 12 months the employee will be reduced to the proper pay step in the lower pay grade.

Displaced employees in those lower classifications shall have the same rights of reassignment as referred to in this Section 5.4.

5.5 Upon receiving a promotion an employee's name shall be entered at the bottom of that particular classification seniority list to which he/she has been promoted, regardless of his/her Department seniority, and he/she shall be considered to be the junior or youngest employee in that classification regardless of the Department seniority of other employees already in that job, until such time as other promotions are made into this classification. New promotions shall be entered at the bottom of that particular classification seniority list concerned.

5.6 Until an employee has served the six (6) month initial probationary period, it shall be deemed that he/she has no seniority status, and he/she may be discharged or laid off with or without cause, and such discharge or layoff shall not be subject to the grievance procedure.

5.7 An employee shall not forfeit seniority during absences caused by:

(a) Illness resulting in total temporary disability due to his/her regular work with the Department involved, certified to by an affidavit from Worker's Compensation Carrier.

(b) Illness not the result of his/her misconduct, resulting in total temporary disability, certified to by a physician's affidavit every three months.

(c) Maternity Leave will not affect the seniority of an employee.

5.8 An employee shall lose his/her seniority for, but not limited to the following reasons:

(a) If an employee is discharged and if such discharge is not overruled by an appropriate authority.

(b) If he/she resigns.

5.9 The employees' present classification seniority as of the effective date of this contract, shall be the only type of seniority considered for the purpose of establishing the classification seniority system called for in this Article. This classification seniority must have been continuous in nature to merit consideration under this section.

5.10 The preparation and maintenance of the Department and Classification Seniority Rosters shall be the responsibility of the City, approved by the Union, and is to be part of this Agreement. The Department and Classification Seniority lists are to be drawn up and posted once a year in May.

5.11 All personnel who transferred from the Department of Public Works into the Fleet Management Department shall maintain both their classifications and department seniority.

ARTICLE 6: PROMOTIONS AND TRANSFERS

6.1 The Department reserve and shall have the right to make promotions and transfers primarily on the basis of qualifications, ability and performance of duty, but shall be governed by departmental seniority where equal qualifications, ability and performance of duty, as determined by the Department, have been demonstrated.

When a position becomes vacant as the result of a promotion or retirement, the Department, within thirty (30) days shall notify the Union in writing of its intentions regarding the filling of the vacancy. This notification shall be advisory only and shall not be subject to the grievance and arbitration provisions of this Agreement.

6.2 Jobs to be filled through promotion shall be posted on the department bulletin boards in which the vacancy occurs for a period of five (5) working days.

Management shall make a determination of the filling of such posted position no later than 30 working days after the close of the posting period.

6.4 Vacancies in management positions which are excluded from the bargaining units shall be posted on the departmental bulletin boards, provided, however, that the appointment to these positions shall not be subject to the grievance procedure of this contract.

6.5 Wherever possible, promotions shall be made from the ranks of regular employees who are employed by the department in which the vacancy occurs.

6.6 Employees in the Department where the vacancy occurs who are absent during the entire posting period shall be automatically placed on the list for consideration for the position(s); provided, however, that such employee may, at his/her discretion, have his/her name removed from the list within five (5) work days of returning to work.

6.7 When a question as to the proper person having been chosen to fill any job arises and it cannot be resolved it will be settled by using the grievance procedure in Article 30.

6.8 Job posting shall include job specifications, rate of pay, job location, the shift and also if the job is permanent with a permanent rating.

6.9 The above procedure shall be followed in all promotions, vacancies and transfers whether temporary or permanent.

6.10 If qualified candidates are not available or have not responded to the posting within a department where a vacancy occurs the job will then be posted throughout the City Departments. Candidates from departments other than the department in which the vacancy occurs shall be notified by the department of the status of his/her application and the reason(s) for not being selected for the position. A candidate for positions in departments other than the department in which he/she is employed shall not have the right to file a grievance if not selected for such position(s).

The employee shall periodically be evaluated to determine if he/she is performing the job in a satisfactory manner. If an employee is not able to satisfactorily perform the higher level duties then he/she shall be reduced in status to the same classification pay grade and pay step as he/she had obtained prior to promotion.

6.12 **LATERAL TRANSFERS:**

An employee who has been promoted or transferred shall only be eligible for additional lateral transfers within the same pay grade after one (1) year on the job, unless the financial rewards are greater, or at the discretion of the Department Head, if he/she seeks such a lateral transfer within a shorter time period.

7.10 Employees who have attained the requirements for the achievement grade (A-Step) associated with their positions will be placed on the corresponding step on the achievement grade in accordance with the following mutually agreed provisions as detailed on attached Appendix B to this agreement.

ARTICLE 8: HOURS OF WORK AND OVERTIME

8.1 The normal work week shall consist of any work performed up to forty (40) hours per week Monday through Friday at straight time pay. The normal work day shall consist of any work performed up to eight (8) hours in any one day.

8.2 All times worked in excess of the normal work day and all time worked in excess of the normal work week shall be paid at the rate of time and one-half. Paid holidays and paid vacation occurring during the work weeks shall be counted as hours worked for the purpose of determining the forty (40) straight time hours. (Exceptions to the above, noted in Article 11, Special Emergency Rates.)

Employees working at overtime rates prior to 12:30 a.m. for snow removal operations will continue to receive the overtime rate if they continue to work after the start of the next regular work day; provided, however, no employees will be permitted to use sick leave during snow removal operations, except in the cases of bona fide health emergencies.

8.3 Any person who has left their place of employment and is recalled to work prior to the next normal shift will be paid for a minimum of three (3) hours at the rate of time and one-half; provided, further, that an employee who is called back for overtime or emergency work and who completes the required task and returns to his/her residence within the three (3) hour minimum guarantee may be called back for additional emergency or overtime without an additional three (3) hours minimum work guarantee. It is the purpose and intent of this section to assure an employee of at least three (3) hours of pay at overtime rates for the inconvenience of being called back to work between the normal shifts, but not to be separately paid for several callbacks within the three (3) hour minimum guarantee period.

Any employee who is called in one hour or less prior to the start of his/her normal shift shall receive such time at the overtime rate, but is excluded from the three (3) hour minimum guarantee outlined in the previous subsection of this section.

The Department may schedule employees to start their next day's shift at a time earlier than the regular time without extra compensation under the callback provision of this section, provided such change in schedule is made prior to the completion of the shift the preceding day.

8.4 The workday or workweek will not be interrupted to avoid the payment of overtime.

8.5 Overtime work which is scheduled in advance or which requires employees to be called in for unscheduled work shall be assigned on a rotating basis among all qualified employees by classification seniority. There are two types of overtime:

Planned overtime occurs when the Department knows about the overtime requirement at least 24 hours in advance. This overtime is offered to all qualified employees by

classification seniority.

Unplanned overtime occurs when the Department knows about the overtime requirement less than 24 hours in advance of the overtime. This requirement is generally associated with personnel remaining on shift to complete a job. Thus the overtime is offered to qualified employees on shift by classification seniority. During the period of the year when fleet has weekend standby personnel, unplanned overtime is offered to qualified employees on standby for that period by classification seniority.

In the event an employee is inadvertently passed over for an overtime opportunity, that employee will be offered the next replacement overtime opportunity, off the same list.

8.6 No temporary employees shall be assigned to overtime work until all regular employees shall have had the opportunity for such assignment.

8.7 Employees shall have first right to overtime work by classification. If insufficient coverage is volunteered then Foremen shall be offered the overtime work before it is assigned to the classification.

If for any reason the department is unable to staff a shift, the employee with the least classification seniority must make himself/herself available for such overtime work. If the employee with the least seniority is unavailable for a legitimate reason, then the overtime will be assigned to the employee with the next lowest classification seniority. In other words, overtime will be assigned to employees in the reverse order of classification seniority (least to most).

ARTICLE 9: PLUS RATES

Effective upon the date of ratification of this agreement hourly paid employees in the bargaining unit will be compensated on a Plus Rate basis of one pay step (no less than 5% to the nearest whole cent) above his/her present rate or the entrance rate, whichever is higher, for working in higher level classifications for each completed hour of work in such higher level assignment.

9.1 Effective upon the date of ratification of this agreement salaried employees in the bargaining unit will be compensated on a Plus Rate as stated above for each completed work day of assignment in higher level classifications.

9.2 An employee may be temporarily assigned for a period not to exceed thirty (30) calendar days to the work of any position of the same or lower grade without a change in rate of pay.

9.3 In those cases when an hourly rated employee is assigned to temporarily serve in a higher level salaried position, such as a Superintendent's position in the Central Fleet Maintenance Department, then such hourly rated employees shall be granted a plus rate in accordance with this section if the assignment is for one full work day or longer.

9.4 Assignments to higher paying job classifications, temporary or otherwise, shall be made in accordance with the provisions of Article 6, Section 1, of this Agreement.

9.5 All new positions, promotions or transfers contemplated beyond a period of thirty (30) days shall be posted on the department bulletin boards for at least five (5) working days and any interested employee shall have the opportunity to apply for such positions, promotions or transfers.

ARTICLE 10: EMERGENCY WORK

10.1 It shall be the duty of all able bodied employees to make themselves available during the course of emergency situations. Deliberate refusal to work during such situations without adequate justification may result in disciplinary action.

10.2 When an employee responds to an emergency work situation and due to hours worked and/or physical exhaustion, is relieved from working the normal work schedule, and such employee is required to work on a Saturday then such Sunday work shall be paid at the overtime rate.

10.3 If an employee is called back from vacation due to an emergency situation then all hours of work shall be paid at the time and one-half rate of pay until the employee returns to his/her regular work schedule.

Management will base its response on weather forecasts.

ARTICLE 11: SPECIAL EMERGENCY RATES

11.1 Employees in said bargaining units shall be paid double time for all work performed in excess of sixteen (16) consecutive hours as the result of snow or other emergencies as determined by the departments involved.

11.2 When an employee is relieved from duty during emergencies prior to the completion of his/her regular work shift, either at the request of the supervisor, or at the request of the employee, with the approval of the proper authority because of long hours of work and/or exhaustion as the result of said emergency, and said employee is required to return to work prior to the start of his/her regular work shift, he/she shall be paid at his/her overtime rate for such hours of work performed prior to the start of said employee's next regular shift.

ARTICLE 12: STANBY PAY COMPENSATION

Stand-by-Status will be per a memorandum of agreement between Management and the Union which will be updated as necessary. Article 12 section 3 will not affect the individuals who are on Standby under the guidelines of this agreement. The Union agrees that in no way does it affect the responsibility for all employees to make themselves available for emergency work as determined by the department head.

12.2 There shall be no reduction of the standby rate as defined in the preceding section in the event an employee on standby is called in and reports to work.

12.3 Foremen who are assigned to standby duty and who are called in and report to work may perform any duties and/or operate any equipment they are qualified to operate provided that such equipment is not normally operated by an employee in a classification with a higher pay grade.

ARTICLE 13: NIGHT SHIFT DIFFERENTIAL

13.1 Any permanent full-time employee covered by this Agreement who is assigned to a permanent second or third shift or on periodic rotating basis to the second shift shall be paid an additional ten percent (10% of their hourly rate) in addition to the regular rate of pay for such assignment.

Such premium shall apply when half or more of the shift is scheduled after 6:00 PM and before 8:00 AM and shall be paid for all hours worked on such shift.

13.2 Night shift payments shall not be pyramided, compounded or paid at an overtime rate, but shall be based on the flat cents per hour as provided in Sections 13.1, 13.2 and 13.3.

13.3 An employee shall be paid a night shift differential only while the employee is actually working on such a shift or is on authorized vacation or sick leave with pay, provided that he/she is so assigned both immediately before and after such leave; provided, however, that such premium pay shall not continue for more than thirty (30) days while on paid sick leave.

14.3 An employee shall be entitled to the holiday pay referred to in Section 14.1 if he/she works the day preceding and the day following the particular holiday, but not otherwise except for a substantial reason or emergency.

14.4 Paid holidays occurring during the work week shall be counted as hours worked for the purpose of determining the forty (40) straight time hours.

- (a) Accrual rate of two (2) calendar weeks begins on date of hire. Employees serving in an initial probationary period accrue vacation, but are not eligible to use vacation during the first six months of employment. Such probationary employees are not entitled to any vacation benefits if terminated during the initial probation period.
- (b) Accrual rate for three (3) calendar weeks begins at the beginning of six (6) years of continuous service.

15.2 Vacations shall be scheduled within the departments at the discretion of the Department Heads to provide the least disruption of departmental operations.

Selection of vacation periods shall be by department seniority and shall be granted insofar as possible at the times requested by the employee, in accordance with operating requirements; provided, however, that summer vacation shall not extend beyond two weeks until all eligible persons have had an opportunity to select a summer vacation. Employees who use six (6) days of sick leave or less in the preceding calendar year will receive two (2) personal leave days, to be scheduled by the Departments. Personal Leave days must be used during the calendar year they are credited and shall not accumulate and shall not be carried over year after year.

17.2 The purpose of the sick leave bank is to provide assistance to employees who suffer long-term illness or injuries which are non-job connected. It is established to provide additional paid benefit days beyond the employee's accrued days when an employee has exhausted his accrued sick leave and continues disabled for an additional fifteen (15) consecutive calendar days. For example, it is not established to provide relief for one or two days beyond the employee's accrued sick leave.

17.3 ADMINISTRATION

The Sick Leave Bank shall be administered by a five member Administrative Committee.

Three (3) members of the Committee shall be appointed by the Union from employees in the bargaining units who are enrolled in the Sick Leave Bank, provided that no more than one member shall be appointed from the same bargaining unit at any one time.

Two (2) members in the Committee shall be appointed by the Mayor from the Management of the Departments wherein the bargaining units are located, with no more than one member from a department serving at any time.

The first Committee members shall be appointed in the following manner:
