The City of Manchester (hereinafter referred to as the "City") and the Manchester Professional Firefighters Association, Local 856, International Association of Fire Fighters, AFL-CIO (hereinafter referred to as the "Association") agree as follows:

ARTICLE 1: GENERAL

1.1 The purposes of this agreement are to increase general efficiency in the Manchester Fire Department (hereinafter referred to as the "Department"), to maintain harmonious relationships between the Department and its employees and to promote the morale, welfare, rights and well-being of the employees of the Department. All provisions of this agreement are to be construed so as to effectuate these purposes.

ARTICLE 2: RECOGNITION

2.1 The City hereby recognizes the Association as the exclusive representative and sole bargaining agent, for the purpose of collective negotiations, for all regular Fire Department employees with the classifications of Firefighter, Fire Lieutenant, Fire Captain, Emergency Services Dispatcher (Fire), Emergency Communications Supervisor (Fire), Electronic Systems Technician I and II, Fire Prevention Inspector I and II, EMS Training Officer, Fire Training Officer, Equipment Mechanic II and excluding all other Fire Department employees and personnel.

2.3 It is further agreed that if at any time in the future the City establishes a Centralized Garage operation which includes the maintenance and repair of Fire Department equipment the position of Equipment Mechanic II may be transferred to the Centralized Garage without grievance. The incumbents in the positions at the time of such transfer shall retain their current retirement rights and, if promoted through the Firefighter ranks, the right to revert to their former classification status.

ARTICLE 3: MANAGEMENT RIGHTS

3.1 Except as otherwise specifically provided herein, the management of the Fire Department in all its phases and details shall remain vested exclusively in the Department. The Department shall have all jurisdiction over all matters concerning the management of the Department, including, but not limited to: the direction of the work force, the establishment of proper rules and regulations, the right to hire, suspend, discipline or discharge for proper cause, relieving employees from duty for lack of work or funds, the right to decide job qualifications under the City Classification and Compensation Plan, the right to abolish positions, the right to determine schedules of work, the right to determine the methods, processes and manner of performing work and the general control of all of the operations of the Fire Department. It is agreed that these enumerations of management rights shall not be deemed to exclude other proper management rights not specifically herein enumerated.

3.2 The Department, in exercising these functions, will not discriminate against any employee because of his or her membership in the Association.

3.3 The right of any public agency or private individual(s) or business(es), other than the Manchester Fire Department, to contract for work of the nature ordinarily performed by the Manchester Fire Department, shall not be affected by this agreement.

3.4 The Department shall give consideration to, but shall not be bound by the recommendations of the Insurance Service Organization as to standards in determining the number and types of equipment and the personnel requirements necessary to effectively operate the Department.

3.5 The Department and the Association agree not to discriminate in any way against employees covered by this Agreement on account of religion, race, creed, color, national origin, sex, sexual orientation, age or physical handicap, except where age or physical conditions are bona fide qualifications for employment

ARTICLE 4: RIGHTS AND DUTIES OF ASSOCIATION MEMBERSHIP

4.1 The Department agrees that there shall be no discrimination, interference, restraint or coercion against any employee because of membership in the Association, or because of presenting a grievance, or against any employee who may represent others in the discharge of his/her duties as a member of any committee of the Association.

4.2 The Association agrees for itself and its members to perform loyal and efficient work and service, and to use its best efforts to promote and advance the interest of the Fire Department.

4.3 The Association agrees that it will not interfere with the rights of any or all non-members employed by the Fire Department.

ARTICLE 5: DUES DEDUCTION

5.1 Upon individually written authorization by the Association member and approved by the Association President, the City agrees to deduct from the pay of each Association member so authorized the current Association dues, as certified to the City by the Treasurer of the Association, and deliver the same to the Association Treasurer. Dues payments shall be transmitted weekly to the Association's depository, provided such weekly transmittal is approved by the Finance Director and does not incur a substantial increase in the City's costs of processing such payments. Said deduction shall be made weekly. However, if a member has no check coming to him/her or the check is not large enough to satisfy the assignments, then and in that event no collection will be made from said member for that week.

5.2 Probationer employees who are serving their initial probation periods may have Association dues deducted if requested on the authorization forms, provided the Association informs the probationer in writing, with a copy to the Department, that such probationer is not covered under the Association Agreement except for those Articles which do in effect cover them and is not represented by the Association under the grievance procedure in the event of disciplinary action or termination of employment during the probation period.

6.1 Each member of the bargaining unit who, on the effective date of this Agreement, is a member of the Association and each employee who becomes a member of the bargaining unit and the Association after that date shall continue his/her membership in the Association during the duration of this Agreement; provided, however, that an employee may at his/her discretion, and in writing, with a copy to the Department, withdraw his/her membership from the Association within twenty (20) calendar days prior to the anniversary date thereafter.

6.2 Effective upon the date of ratification of this Agreement any present or future member of the bargaining unit, including probationers, who is not a member of the Association shall pay the Association an amount equal to the monthly Association dues as provided for in Article 5.

6.3 Should there be a dispute between an employee and the Association over the matter of an employee's Association membership or the payment of dues under Sections 6.1 and 6.2 above, the Association agrees to hold the City harmless in any such dispute.

ARTICLE 7: STRIKES AND LOCKOUTS PROHIBITED

7.1 Under no circumstances will the Association cause, encourage, sponsor or participate in any strike, sit-down, stay-in, stay-out, sick-in, sick-out, work slowdowns, picketing or patrolling of any kind, multiple resignations, withholding of services or any curtailment of work or restriction or interference with the operations of the Fire Department or the City of Manchester during the term of this agreement. In the event of any such activity, neither the Department nor the City shall be required to negotiate on the merits of the dispute which gave rise to such activity until any and all such activity has ceased.

7.2 Should any employee or group of employees covered by this agreement engage in any activity prohibited by Section 7.1 above, the Association shall forthwith disavow any such activity and shall take all reasonable means to induce such employee or group of employees to terminate such activity forthwith, including but not limited to any and all disciplinary measures which may be taken pursuant to the Association's Constitution and By-Laws as from time to time amended.

ARTICLE 8: SENIORITY LISTS

8.1 The Department shall establish a Seniority List of all Fire Department employees in the bargaining unit, and it shall be brought up to date by January 5th and July 5th of each year and immediately posted thereafter on the Central Fire Station and sub-station bulletin boards for a period of not less than thirty (30) days, and a copy of the same mailed to the Association Secretary. Any objection to the Seniority List as posted shall be reported to the Department within fifteen (15) days from the date said list is posted, or will stand approved.

8.2 The Department agrees to allow a reasonable number of Union representatives to meet with newly appointed Firefighters to discuss the Union, such meeting to take place at the time of the swearing-in ceremony.

8.3 The Department agrees to notify the Union of newly hired employees five {5} days prior to the swearing in ceremony.

ARTICLE 9: PROMOTIONS

9.1 The Department shall provide for promotions to or from positions either presently included within this Agreement or which may in the future be included in this Agreement, which shall give appropriate consideration to the applicant's qualifications, record of performance, seniority and conduct. The Department shall provide for competitive examinations, which shall include a combination of written and performance or command evaluation tests as a prerequisite to promotion to any position in the Fire Department covered by this contract. Such tests shall be based as nearly as possible on the normal operating procedures of the Department and on knowledge of equipment actually in use in the Department and on manuals and publications mutually agreed to by the Department and the Association. Candidates shall be notified of such examinations at least ninety (90) calendar days in advance of the date fixed for the examination. The Department and the Association shall mutually agree on the examiner for promotional examinations, provided the Association pays one-half of the cost of the examinations. Structures used in the practical/command portion of the exam shall not be the actual structure that resides on the given address in the City of Manchester. All directions given to the candidates taking the exams shall be audio and video recorded.

9.2 (A) The competitive examinations shall be given in two (2) parts, as follows, each part consisting of fifty percent (50%) of the total score:

- (a) Written
- (b) Performance or command evaluation.

(B) The examination scores of all applicants shall be based upon one hundred (100) points, indicated of all applicants shall be divided into parts as above.

9.3 The Department shall establish eligibility lists for promotion to each position, upon which shall include the names of successful candidates in the order of their relative excellence in the respective examinations.

In the event two or more candidates shall have identical final scores on the examination, including seniority points as contained in Section 9.4 of this Article, a system for breaking such tie scores shall be established. The candidate who stands highest on the seniority list shall be placed above other candidates with the same final score.

9.4 Each candidate who has achieved a passing score of at least seventy percent (70%) in the examination shall have added to his/her examination score, which shall be based on one hundred(100)points, one-quarter (1/4) point for each completed year of service from the sixth (6th)year through the tenth (10th)year, one-half (1/2) point for each completed year of service from the eleventh (11th)year through the fifteenth (15th)year, and three quarters (3/4) point for each completed year of service beyond the fifteenth (15th) year, all as of January One of the year in which the examination is given.

9.5 A Firefighter shall not be eligible for examination for promotion to Lieutenant until he/she shall have completed seven (7)years of actual service in the Manchester Fire Department as of January One of the year in which the examination is given. Eligibility for examination for promotion to the rank of Fire Captain shall require three (3)completed years of actual service in the Manchester Fire Department in the rank of Fire Lieutenant as of January One of the year in which the examination is given. Eligibility for promotion to all other ranks or pay grades in the bargaining unit shall be as provided by the Job Specifications currently in effect pursuant to the Code of Ordinances of the City ofManchester.

9.6 Eligibility for appointment from any such eligibility list which shall be established in the future shall continue for two (2)years as of July One of the year in which the examination is given, however, that if fewer than five (5) names remain on an established eligibility list, the Department may establish a new eligibility list by giving an examination in accordance with this Article, provided further, however, that the four or less successful candidates whose names appear on the existing list shall retain their order as

established by said existing list for the purpose of promotion for the balance of the two year period for the existing list. Nothing in the preceding sentence shall prevent the four or less successful candidates whose names remain on the existing list from taking any such new examination and upon the expiration of the two (2) year period for said existing list, said candidate (or candidates) name shall be placed on the new eligibility list in the order of his/her (or their) relative excellence in the new examination.

Eligibility lists for Fire Lieutenant and Fire Captain will continue in effect for two (2) years from the posting date. The next eligibility list for Fire Lieutenant and Fire Captain will be posted after the expiration of the current list and expire on June 30 of the second year of posting. If a test is given due to four or fewer candidates, the list will last until June 30 of the second year.

9.7 The Department shall promote only a person standing among the highest five (5) on the appropriate eligible list for a vacancy. If a person on an eligibility list is demoted, his/her name shall be removed from said list. If a person on an eligibility list is suspended, his/her name shall be removed from said list during the period of suspension. At the end of such person's suspension, his/her name shall be put back on the eligibility list from which it was removed (if such list is still in existence) in the order of his/her relative excellence in the examination.

ARTICLE 10: PERSONNEL REDUCTION

10.1 [a] If the Department decides to reduce the Fire Department personnel covered by this Agreement, the employee with the least seniority, regardless of rank, in the Bargaining Unit shall be laid off first and re-hired in the inverse order of layoff. No new employees shall be hired until all employees who have been laid off for twenty six (26) months or less have been given an opportunity to return to work.

[b] The Department shall have the right to layoff by technically based craft and trade classifications {dispatchers are not classified as a technically based craft or trade position} by classification on the basis of total seniority. Those individuals will be allowed to bump into other classifications for which they are qualified.

[c] Probationary employees serving an initial probation period shall be laid off before any permanent employee is laid off.

10.2 An employee in the Bargaining Unit in a higher classification whose position is abolished shall have the right to replace an employee in the next lower classification for which he/she is qualified and provided he/she has greater departmental seniority. Such replaced person shall have similar replacement rights.

10.3 Employees who are laid off shall have recall rights in the inverse order of the layoff; that is, the last person laid off shall have first right to recall if he/she has the qualifications for the job to be performed.

Employees shall have recall rights for a period of twenty six (26) months from the date laid off.

Employees who are laid off shall be responsible for notifying the Human Resources Department of any change of address.

10.4 When a vacancy occurs for which the laid off employee is qualified then he/she shall be notified by certified mail at his/her last known address to contact the Department. The employee shall have fifteen (15) calendar days from the date of notification to be available to return to work.

If the employee does not reply to the notification within fifteen (15) calendar days then such employee's name shall be removed from the recall list and no further consideration shall be given to the recall of said employee.

If the employee contacts the Department within the fifteen (15) calendar days but is not able to report to work, due to health, physical or other sound reasons then such employee shall be passed over for the immediate recall, but shall remain on the list for future recall within the agreed to twenty six (26) month period.

10.5 During the time an employee is laid off he/she shall retain seniority rights and shall continue to accrue departmental seniority, but shall not accrue any other benefits during the time of layoff. Such accrual of seniority rights shall not extend beyond twenty six (26) months from the date the employee was laid off.

10.6 In the event an employee in a higher classification replaces an employee in a lower classification and pay grade as a result of a layoff, then such employee shall be reduced in pay to the same pay step in the lower classification salary range as was held before the reduction to the lower classification.

10.7 In the event an employee is involuntarily displaced, not for cause, in order to provide an authorized position for an employee who is returning to work after an absence such as military leave, suspension or a return to work order, the employee with the least seniority in the affected classification shall be placed in the next lowest position for which he/she qualifies.

Such employee shall receive the rate in the lower range which provides the smallest possible decrease in pay.

An employee displaced pursuant to this section, shall be restored to the next available vacant position in the higher classification unless the employee has been disciplined pursuant to Article 24.1, Step 2. For advancement in the pay range, the employee shall be assigned the date of his/her original promotion.

ARTICLE 11: WORK WEEK AND EXTRA DUTY DAYS

11.1 (A) The average work week for Firefighters, Fire Lieutenants and Fire Captains will be 42 hours per week. Work schedules will be on a 24-hour system (24 hours on 72 hours off, starting at 0800 hrs.) Each 24-hour work period shall be called a "shift". Each shift shall be divided into one 10-hour day work period and one 14-hour night work period. Each work period shall be called a "unit" and it shall take two (2) units to make up one 24 hour shift.

11.1(B) The Fire Prevention Inspector I and II, and Electronic Systems Technician I and II shall work a 40 hour week comprised of four (4) ten (10) hour days.

11.1 (C) The work week for the position of the Fire Training Officer and the EMS Training Officer will be forty (40) hours per week, four (4) ten (10) hour days.

The work week for current members may be changed by mutual agreement between the Department and the Association.

11.1 (D) The work week for Emergency Communications Dispatchers - Fire shall be as stated in Article 39.2.

11.1 (E) The work week for Equipment Mechanic II, will be forty (40) hours per week, five (5) eight (8) hour days.

11.2 Employees in the Bargaining Unit shall be paid 1 and $\frac{1}{4}$ of a normal week's pay paid prior to the end of the calendar year for extra duty. Time spent on multiple alarms and other extra duty assignments shall not be included under Section 11.3 for purposes of computing overtime.

If an employee is actually notified of a multiple alarm and fails to respond to such multiple alarm then the Department may exercise appropriate disciplinary action unless the employee can show good and sufficient cause for not responding.

It is specifically agreed and understood by the parties hereto that in the event any federal or state legislation may require the payment of overtime compensation, the parties shall meet to negotiate the matter of payment for multiple alarm days and overtime compensation so there shall be no duplication of compensation for any work performed. The question of whether or not there is "duplication of compensation" as used in the preceding sentence shall be negotiated under the provisions of this paragraph. Notwithstanding any negotiations pursuant to this paragraph, all other provisions of this Agreement shall remain in full force and effect and the parties shall continue to be bound thereby.

11.3 Payment for Overtime Duty

11.3. (A) Except as provided for in Section 11.2 above or 11.3 (B) below, employees who work additional hours shall be compensated by the payment of one and one half (1 1/2) times their regular hourly rates for hours worked. Overtime coverage for shifts shall be split into one (1) ten-hour (10) day unit and one (1) fourteen-hour (14) night unit. Distribution of overtime to cover a 24-hour shift shall follow the current procedure as listed herein with the following exceptions:

- (1) The first employee listed in the overtime book shall be offered the opportunity to work either unit of the 24- hour shift.
- (2) When either unit of the 24-hour shift has been filled, the remaining unit shall be filled by offering the overtime opportunity to the next employee listed at the top of the overtime book.

11.3 (B) Firefighters, Fire Lieutenants and Fire Captains as set for in paragraph 11.1 (A) shall be assigned by the chief, his deputy or his designee for a four (4) week cycle. Said staffing level shall be maintained for the four (4) week cycle.

- (1) Paragraph 11.3 (A) notwithstanding, if a four (4) week cycle has forty-six (46) or more Firefighters, Fire Lieutenants and Fire Captains as provided for in paragraph 11.1 (A) Firefighters, Fire Lieutenants and Fire Captains shall be paid straight time for the first 44 hours of additional hours worked over their regularly scheduled hours in the four (4) week cycle. Any additional hours will be paid at one and one half (1½) times their regular hourly rates.
- (2) If the Department has more than one hundred and eighty-eight (188) Firefighters, Fire Lieutenants and Fire Captains as provided for in paragraph 11.1 (A), the number of Firefighters, Fire Lieutenants and Fire Captains per four (4) week cycle required for the Department to pay said Firefighters, Fire Lieutenants and Fire Captains in accordance with 11.3 (B) (1) shall increase by one (1) for each four (4) Firefighters, Fire Lieutenants and Fire Captains over one hundred and eighty-eight (188). For example if the Department has one hundred and ninety-two (192) Firefighters, Fire Lieutenants and Fire Captains then the four week cycle must have forty seven (47) Firefighters, Fire Lieutenants and Fire Captains for the Department to pay Firefighters, Fire Lieutenants and Fire Captains in accordance with 11.3 (B) (1). If the Department has one hundred and ninety-six (196) Firefighters, Fire Lieutenants and Fire Captains then the four week cycle must have forty eight (48) Firefighters, Fire Lieutenants and Fire Captains for the Department to pay Firefighters, Fire Lieutenants and Fire Captains in accordance with 11.3 (B) (1)
- (3) For the purpose of maintaining the set staffing level for the four (4) week cycle the Fire Chief, his deputy or his designee shall have the right to make mandatory overtime assignments on the basis of reverse seniority (except where the designated Firefighter is already scheduled to work the following shift) from the shift going off duty.

(4) Nothing in paragraph 11.3 shall be interpreted or construed as a representation or guarantee of minimum staffing at any number or level within the Fire Department.

When the Department seeks to hire off duty Firefighters, Fire Lieutenants and Fire Captains for sick leave coverage it shall do so on a Department wide basis, with qualified personnel. Unless the Department and Association mutually agree to change the process.

11.4 Any employee who volunteers and are hired to teach classes during their on duty time shall be compensated at their hourly rate plus one-half (1/2) their hourly rate per hour for any time spent teaching. Teaching off duty shall be compensated according to Article 11.

11.5 If additional personnel are needed for a hazardous material incident, qualified hazardous material technicians shall be called back. They shall be called from a list, on a rotating basis. Participation shall be on a volunteer basis and those who volunteer to come back shall be paid a minimum of three (3) hours according to Article 11.3.

11.6 The department may temporarily transfer to the Training Division, members who volunteer and are informed in advance of their work assignment and schedule. Members so transferred shall be paid an additional ten-percent (10%) of their regular pay. They shall work a forty (40) hour work week and be paid overtime in accordance with Article 11.3c.

11.7 In the event the Department is going to hire an off duty Firefighter within a fire company and is unable to do so after having called all available personnel with the rank of Firefighter within that company, the Department agrees to offer the overtime shift to the officers (Captain and Lieutenants) within the company before the overtime shift is offered to any personnel outside of that company.

11.8 Employees who are called to appear in court on Department related issues, shall be compensated at one and one half (1 1/2) times their regular rate of pay for time spent in court with a minimum of four (4) hours.

11.9 Shift Exchange. Members of the bargaining unit shall be granted the opportunity to exchange days off with respect to any work shift or part thereof for which the member is able to secure another employee to work in the member's place, provided:

- (a) Such substitution does not impose any additional cost to the City;
- (b) Such substitution is between employees who qualify for the position being swapped;
- (c) The repayment of exchanges and the filling of the shift shall be strictly the responsibility of the employees involved.

It is understood that the City shall not incur any additional responsibility as a result of this provision and it is not subject to the overtime provisions of this Agreement. The parties agree that the standard shift shall be 24- hours. Nothing in this agreement is intended to allow the creation of two systems or a dual system of shifts by individual swapping. Management reserves the right to supervise and disapprove swapping of shifts or units of shifts when abuses occur.

11.10 Grant Funded Training Payments

(A) Homeland Security Grant Funded Training

The Department will pay overtime to members up to the limitations imposed by Homeland Security. Members taking advantage of grant-funded classes will be paid overtime for their time in class up to, but not exceeding, \$400 in salary or \$550 including benefits per day. In the event a class is scheduled or runs less than the full eight hours, members will only be paid, at their overtime rate, for the actual time in class (up to the \$400 salary or \$550 including benefits limit).

For example, if a class runs for two hours and a member's overtime rate is \$30/hr the department will pay them \$60 for that day. If, however, a class runs nine hours and the member's overtime rate is \$45/hr, the department will pay that member up to the maximum of \$400.00 salary or \$550 including benefits.

In order for members to be eligible for overtime, they MUST notify the Training Division in advance of the start dates of the class for overtime approval. Members are encouraged to forward a copy of their Fire Academy acceptance letter to the Fire Training Officer as soon as they are notified of acceptance. Members failing to get pre-approval of their acceptance before the class are not guaranteed to receive overtime payments for their participation.

ARTICLE 12: SALARIES

12.1 Effective July 1, 2016 the Salary Schedules shall be increased by one percent (1%).

12.2 Employees will receive a step increase on their anniversary date of current position. This step increase will be subject to a satisfactory performance evaluation. An incomplete evaluation will be considered a satisfactory performance evaluation. This process may be changed at any time by mutual agreement. Evaluation step increases will stop when an employee reaches Step 13 on the included pay matrix.

12.3 Employee appeals on their annual performance evaluation will be according to the process mutually agreed to by the Union and the City. SEE APPENDIX B.

12.4 The longevity waiting periods for employees shall be 5- 10-15-20-25-30-35-40 and 45 years of service. An increase of three percent (3%) will take effect on the employee's anniversary date of employment.

12.5 Employees being promoted from one grade to a higher grade shall be placed on step which will provide for a minimum of a ten percent (10%) increase in salary.

12.6 Employees who have attained the requirements for the achievement grade associated with their positions will be placed on the corresponding step on the achievement grade in accordance with the provisions of Appendix A, attached and made part of this agreement.

16.1 The Sick Leave Bank which became effective January 1, 1976 and as amended January 1, 1977, shall continue in effect during the term of this agreement. All Rules and Regulations adopted to administer the Sick Leave Bank shall continue in effect during the term of this agreement, provided, however, such Rules and Regulations may be amended from time to time as mutually agreed upon by the signatures to this agreement.

16.2 The following Rules and Regulations, in effect as of the signing of this agreement, are hereby incorporated:

A voluntary Sick Leave Bank, to cover Fire Department Personnel in the event of long-termed disability due to illness or non-service connected injury, is hereby established. The operation of such Sick Leave Bank shall be subject to the rules and guidelines set forth in this Article.

The purpose of the Sick Leave Bank is to provide relief to employees who suffer long-term illness or injuries which are non- job-connected. It is established to provide additional paid benefit days beyond the employee's accrued days when an employee has exhausted his/her accrued sick leave and continues disabled for an additional thirty days. For example, it is not established to provide relief for one or two days beyond the employee's accrued sick leave.

SECTION 1: ADMINISTRATION

The Sick Leave Bank shall be administered by five (5) members of the department, two to be appointed by the Union President, one by the District Fire Chiefs and two by the Fire Chief and shall hereinafter be called the Administrative Committee or the Committee. Committee members shall be appointed in the following manner: One for one year; one for two years; and one for three years and upon expiration of each of these terms, one member shall be appointed each year to serve a term of three years. Vacancies, when they occur, shall be filled by appointment in the same manner as the

original appointments and shall be for the entire remaining term so filled.

The original appointee of the Fire Chief shall be for a one year term and subsequent appointments shall be for three year terms.

The Committee shall select one of its members as Chairman, by a majority vote, at the first meeting in January of each year, who shall serve a one year term.

The Committee shall meet upon the second Wednesday of each month. Three members present shall constitute a quorum and a majority of those members present and voting shall decide all questions. Members who are absent for either three (3) consecutive meetings or any six (6) meetings in any 12 month period shall be automatically terminated from the Committee and their terms declared vacant.

Section 2: Membership

Each member of the Manchester Fire Department desiring to be covered by the Sick Leave Bank agrees to donate 12 hours for employees set forth in Article 15.1-A and 8 hours for employees set forth in Article 15.1-B per year from his/her accumulated number of sick leave hours and an adjustment of minus 12 hours and 8 hours respectively shall be made on all records showing the applicant's accumulated sick leave hours upon his/her acceptance as a member of the bank and for each hour donated thereafter. Application for membership shall be made on a form provided by the Committee. Membership by all employees will be subject to the following restrictions:

- (a)** Probationary employees will be admitted to membership providing they shall have fulfilled the requirements set forth in Article 15, Section 1, of this Agreement.
- (b)** Full-time employees having less than 30% of their accumulated sick leave day's limit as of the date of their application shall be limited in the extent of their participation in the bank. Members who fall

below the 30% restriction during the period of membership, except for long periods of illness or injury, shall be placed in the limited category. Full-time employees, except those with less than one year of service with the department, shall have not less than 180 hours for employees set forth in Article 15.1-A and 120 for those employees set forth in Article 15.1-B of accrued sick leave as of the date of their application for membership. An employee whose sick leave balance falls below 180 hours and 120 hours respectively of accrual due to recent illness or injury may be admitted at the discretion of the Committee.

Employees whose sick leave falls below the required minimum after they are admitted to the Sick Leave Bank, where the usage of sick leave was not the result of extended illness or injury, shall have their membership status reviewed by the Committee. The Committee may temporarily suspend the employee from membership in the Bank if it deems such action to be in the best interest of the Bank.

Employees who have less than one year of service may be admitted to the Bank upon the majority vote of the Committee after a review is made of their status with the Department. Upon admission to membership the conditions stated in the preceding paragraphs will apply.

Computations for determining the 30% limit, referred to above, shall be based on 1008 hours for employees set forth in Article 15.1-A and 960 hours for employees set forth in Article 15.1-B accumulation or by multiplying 15 hours for employees set forth in Article 15.1-A, and 10 hours for those employees set forth in Article 15.1-B times (X) the number of months service if less than 48 months, whichever shall apply. This restriction shall be removed as soon as the employee's accumulated sick leave days shall exceed 30% of his/her limit. Exceptions from this restriction may be made for good cause by the Committee with the concurrence of the Chief of Department.

SECTION 3 BENEFITS

A member shall become eligible to request extended sick leave benefits from the Bank for an incapacitating illness or non-service connected injury, provided he/she has exhausted all his/her accrued sick leave and his/her incapacitation extends at least 15 consecutive calendar days beyond the exhaustion of his/her sick leave accrual or at the discretion of the Administrative Committee. Upon presentation of satisfactory medical evidence of illness or injury to the Administrative Committee, the Committee may approve sick leave benefit days from the Bank to be granted to the member. (b) The Grievant or the Association must, if wishing to process the grievance, file the grievance with the Fire Chief within ten (10) calendar days after said grievance was filed with the Association Grievance Committee. The grievance shall be submitted in writing, listing the article(s) and section(s) violated, the specific facts associated with the grievance and the remedy desired. (a) The Association shall file the grievance in writing with the Fire Chief within thirty (30) calendar days from the date of the event, which gives rise to the alleged grievance. Within ten (10) calendar days the Fire Chief shall issue a decision or schedule a hearing as provided in 27.2(b).

(b) If the Association is not satisfied with the decision of the Fire Chief or if no decision has been rendered within twenty (20) calendar days after filing with the said Fire Chief, the Association may file said grievance with the Pre-Arbitration Board in accordance with Section 27.2(c).

27.4 Any mutually satisfactory disposition reached as a result of action taken in Sections 27.2 or 27.3 shall be final and binding upon the parties as to the matter in dispute; and the Department, the Association and the grievant shall thereafter comply in all respects with the result of such disposition.

27.5 If said grievance is not reported and/or processed within the time limits set forth in Sections 27.2 or 27.3 above, the matter shall be dismissed and no further action shall be taken with respect to such grievance.

27.6 Should any grievance arise which cannot be settled within the scope of the foregoing sections of this Article, either the Department or the Association may submit such grievance to arbitration as follows:

(a) If the aggrieved employee is not satisfied with the disposition of his/her grievance as a result of the action of the Pre-arbitration board or if no decision has been rendered within ten (10) calendar days after the Pre-arbitration board meeting, the aggrieved employee may request in writing, within ten (10) calendar days from the date of the Pre-arbitration board meeting, to the Association that the Association submit his/her grievance to arbitration. If the Association determines that the grievance is meritorious it may submit the grievance in writing to arbitration within ten (10) calendar days after receipt of the written request by the aggrieved employee. If the aggrieved employee fails to submit such written request for arbitration to the Association within the said ten (10) calendar days after the Pre-arbitration board meeting or the Association fails to submit said grievance to arbitration within said ten (10) days after receipt of the written request from the employee, the grievance shall be deemed abandoned and no further action shall be taken with respect to such grievance.

(b) If the Association is not satisfied with the disposition of the grievance as a result of the Pre-arbitration board meeting or if no decision has been rendered within ten (10) calendar days after the Pre-arbitration board meeting, the Association may submit in writing a request for arbitration within ten (10) calendar days after the Pre-arbitration board decision or ten (10) calendar days after the date of the Pre-arbitration board meeting. If the Association fails to submit such written request for the appointment of an arbitrator within said ten(10) days, the grievance shall be deemed abandoned and no further action shall be taken with respect to such grievance.

(c) The party demanding arbitration shall submit its request to the New Hampshire Public Employee Labor Relations Board or other mutually acceptable agency for the appointment of an arbitrator in accordance with the rules and regulations of the agency. Nothing in this section shall prohibit or prevent the parties from agreeing upon the appointment of an arbitrator without the assistance of the Public Employee Labor Relations Board or

other agency on a case by case basis.

(d) The arbitrator shall not have the power to add to, ignore or modify any of the terms and conditions of this agreement. His/her decision shall not go beyond what is necessary for the interpretation and application of express provisions of this agreement. The arbitrator shall not substitute his/her judgment for that of the parties in the exercise of rights granted or retained by this agreement.

(e) The decision of the arbitrator shall be final and binding upon the parties as to the matter of the dispute.

(f) The expenses of the arbitrator shall be shared equally by the Department and the Association. Each party shall make arrangements for and pay the expenses of the witnesses who are called by them.

27.7 Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department, and having the grievance adjusted without the intervention of the Association provided the adjustment is not inconsistent with the terms of this agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

27.8 The above items may be extended or by-passed by mutual written agreement of the parties.

27.9 A grievant and one Local 856 union representative shall be allowed up to one hour off (without loss of pay) during duty hours to process grievances through each step of the grievance procedure. Additional time may be granted if mutually agreed to by the parties.
