The City of Manchester Department of Public Works is requesting qualifications from Professional Engineering and Design Consultants interested in submitting proposals for the redesign of the parcel which contained a skate park, youth recreation center, and 2 small baseball fields.

The goal of the project is to identify opportunities and execute construction which is aimed at meeting the needs and requests of a greater demographic in the area.

Interested firms should provide evidence of institutional knowledge and experience with successful design and construction management.

Consideration will be given to responses to this notice without regard to race, color, creed, religion, ancestry, national origin, age, sex, marital status or disability or other handicap.

A letter of interest and (2) copies of a qualification statement as well as an electronic copy in PDF format must be submitted to Don Pinard, City of Manchester Department of Public Works, 475 Valley Street, Manchester, NH 03104 no later than 3:00 PM (EDT) on June 17th, 2019. The City will select up to (3) firms for interviews. Additional information concerning the project may be obtained by contacting Don Pinard at the City of Manchester Department of Public Works, (603) 624-6444. The City of Manchester, New Hampshire is an affirmative action equal employment opportunity employer.
